Any U.S. Person will not be entitled to acquire any of EBR's Financial Products during the applicable distribution compliance period except:

- (b) pursuant to Rule 144A under the U.S. Securities Act;
- (c) pursuant to an effective registration statement under the U.S. Securities Act; or
- (d) pursuant to any other available exemption from the registration requirements of the U.S. Securities Act,

and in each case in accordance with all applicable U.S. state securities laws.

In order to ensure that foreign ownership restrictions can be monitored and that EBR's Financial Products are not acquired by, or for the account of, or benefit of any U.S. Person, ASX Settlement has agreed:

- (a) to classify EBR's Financial Products as FOR Financial Products under the ASX Settlement Operating Rules and to include EBR's Financial Products in Schedule 1 of the ASX Settlement Operating Rules Procedures; and
- (b) to implement certain additional procedures as contemplated in Guidance Note 7 of the ASX Listing Rules (*US Entities – Regulation S Offerings on ASX*) and Guidance Note 13 of the ASX Settlement Operation Rules (*Financial Products subject to Foreign Ownership Restrictions*) in relation to EBR's Financial Products.

The following conditions apply to EBR's Financial Products:

Foreign Person

A "Foreign Person" is an "U.S. Person" as that term is defined in the attachment to this Bulletin.

Level of Foreign Ownership

The relevant Foreign Person ownership level is **zero**.

This means that no U.S. Person, as that term is defined, may acquire EBR's Financial Products.

EBR, as Issuer of the Financial Products, has agreed to be bound by the additional obligations of an Issuer of FOR Financial Products under Rule 5.18 of the ASX Settlement Operating Rules.

EBR's Financial Products are being offered and will be traded on the ASX market in reliance on the safe harbour provisions of Regulation S under the U.S. Securities Act, as amended, and the no-action letter dated 7 January 2000 given to ASX by the United States Securities and Exchange Commission in respect of offerings on the ASX market. That relief was given subject to compliance with certain procedures described in the no-action letter. Certain of these procedures can be satisfied by the application of the status of FOR Financial Products to EBR's Financial Products under the ASX Settlement Operating Rules. The status of FOR Financial Products under the ASX Settlement Operating Rules will be applied to EBR's Financial Products.

Where the holder is currently designated as "F", and wishes to hold EBR's Financial Products, but is not a U.S. Person, a new holder record should be established for that holder designated as "D" for the purposes of holding EBR's Financial Products.

Where a holder is currently designated as "F" or "M", and is a U.S. Person, that person cannot acquire and hold any of EBR's Financial Products.

Participants should liaise with clients intending to purchase or hold EBR's Financial Products and make all necessary enquiries to ensure that those clients are not U.S. Persons, and that those clients who are U.S. Persons are made aware that they cannot acquire any of EBR's Financial Products. Failure to do so may result in client loss. Similarly, Participants may be liable for any failure to establish a new Holder Record designated as "D" or effect a change of residency indicator where it is necessary.

Foreign and Mixed Holdings

EBR's Financial Products cannot be acquired by a U.S. Person in holdings designated as "F" or "M" under any circumstances, as they may be subject to divestment action by EBR as set out under the ASX Settlement Operating Rules.

Divestment Periods and Procedure

If the Foreign Ownership Percentage Level is breached, that is, if any U.S. Person designated as "F" or "M" is registered as holding EBR's Financial Products, EBR reserves the right, to the maximum extent permitted by law, to take divestment or forfeiture action in respect of those Financial Products.
