2. SHARE CAPITAL AND VARIATION OF RIGHTS

2.1 Issue of Shares

Without prejudice to any special rights previously conferred on the holders of any existing Shares or class of Shares, Shares for the time being unissued shall be under the control of the Directors, and subject to the Corporations Act, the Listing Rules and this Constitution, the Directors may at any time and from time to time issue such number of Shares either as ordinary Shares or Shares of a named class or classes (being either an existing class or a new class) and with such preferred, deferred, or other special rights or such restrictions, whether with regard to dividend, return of capital, or otherwise, and whether as preference Shares that are or at the option of the Company are liable to be redeemed, as the Directors shall, in their absolute discretion determine.

- (d) if a certificate is lost, destroyed, worn out or defaced, then upon production of the document (if available) to the Directors, they may order it to be cancelled and may issue a new certificate in substitution subject to the conditions prescribed by the Corporations Act and the Listing Rules.

For the purposes of this clause the Small Shareholder concerned is deemed to have appointed any Director or the Secretary as the holder's attorney to execute all documents relating to the sale and transfer of such Shares.

3.3 Proceeds of Sale

The proceeds of sale shall be held by the Company in trust for the Small Shareholder concerned and paid on surrender of the certificate (if any) for the Shares so sold or on an indemnity being given to the Company in the case of a certificate (if any) which has been lost or destroyed.

- (c) In any 12 month period the Company may give only one Company Notice to a Small Shareholder.

The Directors may accept from a Shareholder the whole or any part of the amount unpaid on a Share although no part of that amount has been called up, and in that event the Directors shall nominate whether the amount so paid is to be treated as capital or a loan to the Company by the Shareholder. If the amount so paid is nominated to be capital, it shall be deemed as from the date of such nomination to have been applied

in paying up (so far as it will extend) the unpaid balance of the total issue price of the Share, but the dividend entitlement attaching to such Share shall remain as it was prior to the payment so made until there is a call in respect of the Share under this clause 5 of an amount equal to or greater than the amount so paid. If the amount so paid is nominated to be a loan to the Company, it shall carry interest at such rate, not exceeding the Prescribed Rate, as is agreed between the Directors and the Shareholder, shall not be repayable unless the Directors so determine, shall not confer on the Shareholder any rights attributable to subscribed capital, and shall, unless so repaid, be applied in payment of calls on the Share as and when the same become due.

a call to, a Shareholder does not invalidate the call.

5.9 Interest on default

If a sum called in respect of a Share is not paid before or on the day appointed) for payment of the sum, the person from whom the sum is due must pay

interest on the sum from and including the day for payment to the time of actual payment at the Prescribed Rate, but the Directors may waive payment of that interest wholly or in part.

5.10 Instalments deemed calls

Subject to the Listing Rules any sum that, by the terms of issue of a Share, becomes payable on allotment or at a fixed date is deemed for the purposes of this Constitution to be a call duly made and payable on the date on which by the terms of issue the sum becomes payable, and, in case of non-payment, all the relevant provisions of this Constitution as to payment of interest and expenses, forfeiture or otherwise apply as if the sum had become payable by virtue of a call duly made and notified.

5.11 Differentiation between Shareholders as to calls

(b) The notice must name a further day being the date 10 Business Days after the day for payment of the call or instalment on or before which the payment required by the notice is to be made and must state that, in the event of non-payment at or before the time appointed, the shares in respect of which the call was made will be liable to be forfeited.

6.2 Forfeiture for failure to comply with notice

If the requirements of a notice served under clause 6.1 are not complied with, any Share of which a call is unpaid at the expiration of 10 Business Days after the day for its payment is thereupon forfeited without any resolution of the Directors to that effect. Such a forfeiture includes all dividends declared in respect of the forfeited Shares and not actually paid before the forfeiture.

Any Share forfeited under this clause may be sold, re-allotted or otherwise disposed

of to whom and on such terms and conditions, subject to the Corporations Act and listing Rules, as the Directors think fit.

6.7 Evidence of forfeiture

A statement in writing declaring that the person making the statement is a Director or a Secretary of the Company, and that a Share in the Company has been duly forfeited in accordance with this Constitution on a date stated in the statement, is prima facie evidence of the facts, stated in the statement as against all persons claiming to be entitled to the Share.

6.8 Transfer of forfeited share

The Company may receive the consideration (if any) given for a forfeited Share on any sale or disposition of the Share and may effect a transfer of the Share in favour of the person to whom the Share is sold or disposed of. Upon the execution of the transfer, the transferee must be registered as the holder of the Share and is not bound to see to the application of any money paid as consideration. The title of the transferee to the Share is not affected by an irregularity or invalidity in connection with the forfeiture, sale or disposal of the Share.

6.9 Forfeiture applies to non-payment of instalment

The provisions of this Constitution as to forfeiture apply in the case of nonpayment of any sum that, by the terms of issue of a Share, becomes payable at a fixed time, whether on account of the nominal value of the Share or by way of premium, as if that sum had been payable by virtue of a call duly made and notified. Where the transfer of forfeited Shares is to be effected by a SCH regulated transfer, the Company may do all such things as may be necessary or appropriate for it to do under the SCH Business Rules.
