SenSen signs multi-year contract with Hippodrome Casino, London

HIGHLIGHTS:

- *Hippodrome Casino, London signs contract to have gaming floors fitted with SenSen AI solutions*
- *Contract will generate both upfront and recurring revenues amounting to \$430K over the initial 3-year contract term*
- *Opportunity to grow SaaS ARR with the addition of new features and modules*
- *This is the first contract for SenSen in the UK and Europe*

Leading Sensor AI solutions provider SenSen Networks Limited (ASX:SNS, “SenSen” or “the Company”) today announces the signing of its first UK contract for its world leading Sensor AI solutions. The initial 3-year contract is with the Hippodrome Casino, London (“the Hippodrome”) and follows a period of successful trials.

The installation is expected to be completed in time for the annual ICE London 2022 International Gaming Conference (www.icelondon.uk.com) to be held on 1-3 February 2022. The ICE Conference is the world's leading innovation showcase for the gaming industry and attracts over 35,000 attendees.

The Hippodrome is the UK’s largest entertainment and casino venue with five floors of gaming and includes London’s largest dedicated poker floor.

SenSen’s AI solution detects and recognises bets placed on gaming table and extracts critical operational information like number of players engaged in the game, average value of bets placed per player, the game pace, side bet analysis and more, all in real time. The data is then used to power a range of applications linked to improving customer service of the casinos.

SenSen Networks Limited ACN 121 257 412 www.sensen.ai +61 (0)3 9417 5368

Melbourne: Level 1, 9 Harper Street, Abbotsford VIC 3067

Sydney: 3 Spring Street, Sydney NSW 2000

Las Vegas: Office #8, International Innovation Center, 300 South 4th St, Suite 180, Las Vegas NV 89101

Simon Thomas, CEO of Hippodrome said, "As one of the most progressive casinos in UK/Europe, we are thrilled to be introducing SenSen's AI solutions into the Hippodrome. We have been monitoring technological advances in bet recognition and game analytics for some time and are pleased with the accuracy, ease of installation and level of service from SenSen. We are proud to be the first to launch SenGAME in the UK/European marketplace."

SenSen CEO Subhash Challa, added, "We are excited to be partnering with the iconic Hippodrome Casino, London to improve customer experience. This is SenSen's first casino contract in the UK and provides further opportunity for the Company to target the large UK & European markets which have over 1,000 casinos and more than 30,000 tables between them. Currently, we are part of multiple trials for our AI solutions with several casinos globally, and with Covid-19 restrictions easing, we are confident many of these trials will move to production roll outs in 2022."

This release is approved by the Board of SenSen.
