ASX release

WORLEY LIMITED (WORLEY)

(ASX: WOR)

Worley awarded a services contract by Imperial Oil

Worley has been awarded a module fabrication and field construction services contract in Alberta, Canada by Imperial Oil Resources Limited (Imperial) for the in-pit tailings infrastructure project at the Kearl Oil Sands operation.

Under the contract, the WorleyCord team will execute the module fabrication and assembly of the project's first two phases at WorleyCord's Edmonton modularization yard with field execution at the project site in the Fort McMurray area. Robotic welding will be used in the fabrication and HoloLens™ technology will be used to enhance health and safety outcomes by facilitating virtual site visits.

"Having worked together for more than 30 years, we are pleased to continue providing Imperial with integrated solutions on this large fabrication and construction project," said Chris Ashton, Chief Executive Officer of Worley.

Authorized for release by Nuala O'Leary, Group Company Secretary.
