# Meridian and Nova Agree Swaption Deal

23 December 2021

Meridian Energy Limited and Nova Energy Limited have entered into Swap transactions (Contracts for Difference) and a Call Option. The Swap transactions are for 235GWh per annum with Nova being the fixed price payer, and the Call Option is for up to 235GWh per annum with Meridian being the fixed price payer. The contracts are for a 5-year period commencing 1 January 2023 and provide Meridian with additional portfolio flexibility.
