CAPITAL RAISING UNDER PROSPECTUS DATED 29 NOVEMBER 2021

Golden Cross Resources Limited (“Company”) (ASX:GCR) advises that the offer will close on 5 January 2022 as per the indicative timetable set out below and in the Prospectus.

Under the Prospectus the Company has invited shareholders and new investors to apply for up to 10 million fully paid ordinary shares at \$0.30 per share to raise up to \$3 million before costs (“Offer”). The Offer is underwritten up to \$1.5 million by Martin Place Securities Pty Ltd, the Lead Manager and Underwriter to the Offer. As set out in the Prospectus, the ASX has set a number of conditions for the Company to satisfy before ASX will reinstate the Company’s securities to official quotation.

The lodgement of the Prospectus, and completion of the Offer to raise the minimum subscription of \$1.5 million (which is underwritten), will satisfy 3 of ASX’s stated conditions to reinstatement to official quotation. The other conditions relating to planned exploration activities have been satisfied to date and announced on the ASX platform since December 2021 except for 2 activities with respect to Geophysics and Geochemistry at the Copper Hill Project which are to be completed and announced by the planned date to satisfy ASX to enable the reinstatement to official quotation for trading to resume on 18 January 2022.

If the Company is not able to satisfy those conditions by 17 January 2022, the ASX will remove the Company from the official list of ASX on 18 January 2022.
