## Senex completes acquisition of APLNG gas fields

**Senex Energy Limited (ASX:SXY) today announced it has completed the acquisition of undeveloped Australia Pacific LNG gas fields PL 209 and PL 445.**

The acquisition of PL 209 and PL 445, adjacent to Senex's Atlas field, has completed. For further information on the acquisition refer to Senex's ASX announcement dated 8 November 2021.

Completion of the acquisition of PL 209 and PL 445 is one of the conditions precedent to the Scheme Implementation Agreement announced to the ASX on 13 December 2021. With the acquisition now having completed, that condition has been satisfied. The implementation of the proposed acquisition of Senex by POSCO INTERNATIONAL Corporation by way of scheme of arrangement remains subject to certain other conditions, as outlined in Section 3.1 of the Scheme Implementation Agreement.<sup>1</sup>

### About Senex

Senex is an established, rapidly growing and low-carbon Australian natural gas producer. Our long-life Surat Basin assets contribute around 20 petajoules of natural gas per year into the east coast gas market to support our customers. Senex is focused on sustainably delivering balance sheet strength, resilient cashflows, growing dividends to support Australia's energy needs as it transitions to a lower carbon future.
