PAK Adds Copper and Metals Expertise to the Board

Keith Middleton Appointment

Highlights

- PAK adding seasoned metals and copper non-executive director to the board.
- Keith Middleton was Managing Director for American Rare Earths (ASX:ARR) and Director for Redbank Copper (ASX:RCP)
- Specialist in equity raising, underwritings and corporate advisory
- Success in growing junior mining companies in the metals space

Pacific American Holdings (ASX: PAK) is pleased to announce that Keith Middleton has been appointed to its Board, effective from 1st February 2022. The appointment comes as the Company continues to develop its North American metals strategy.

Pacific American Holding Chairman Geoff Hill commented: *“We are delighted to welcome Keith to the Board of directors, as he brings to the Company extensive industry experience specifically in the precious metals and the copper space. I am confident his experience with early-stage project funding and strategic investor identification will add significant value as we advance the Company’s portfolio of projects”*

Mr. Middleton is an experienced company director and corporate advisor of ASX listed companies specialising in the Australian and International resources sector. He has extensive experience in financial analysis, risk management, major capital works expenditure, corporate governance and ESG regulations.

Keith a current non-executive director and former Managing Director of American Rare Earths where he had direct accountability for exploration activities coupled with strategy formulation, project evaluation and investor relations.

Mr Middleton recently served on the board of Redbank Copper (2021) (ASX: RCP) where he was instrumental in the company restructure and recapitalisation. Keith was involved with strategy formulation, project evaluation and investor presentations

Keith was previously a member of the Regional Executive of the Housing Industry Association, requiring direct engagement with government at all levels

Earlier in his career, Keith worked within BHP Billiton. He has direct experience in advising and raising equity for companies in the form of direct investment, company loans and initial public offerings. And has extensive experience in financial analysis, risk management, major capital works expenditure, project management, corporate governance and WHS regulations.

Keith Middleton added: *“I am excited to be joining the Company at this important phase in the establishment and verification of its North American assets and believe the opportunity to unlock considerable value is very clear. The environment to advance North American metals opportunities and renewable energy initiatives on an international stage has never been more favourable”.*
