About Janison

Janison is transforming education through technology to unlock the potential in every learner. Our team empowers teachers, students, accreditation bodies and governments to achieve meaningful educational outcomes by measuring knowledge and progress. Founded 20 years ago, we are an Australian owned edtech pioneer delivering more than 6.5 million assessments annually in over 117 countries. Our technology supports our commitment to equity and accessibility for all.

ICAS Assessments – a range of world-class school assessment products including the ICAS competition, Reach, Jet, Scout, QATs and AAS, all developed in-house by world-leading test and item developers.

PISA for Schools – an exclusive agreement to deliver PISA for Schools globally with the OECD. It provides educators with the best available evidence drawn from best available data sets to inform best practice in schools. It's unique and the gold standard in international assessments for global benchmarking. Blending cognitive and social emotional skills unlike any other assessment globally.

Assessment Platform, Janison Insights – a market-leading full-suite standardised assessment platform for high-stakes and high-scale online exams with the capability to author, test, mark and provide insightful analysis. The platform is used by millions of students globally across 120 countries in schools and professional accreditation bodies such as the Chartered Accountants ANZ and NSW Department of Education. The platform includes remote proctoring capability allowing educators to deliver exams in a remote setting with the confidence and exam integrity required for high-stakes assessments.

Professional Services – Janison provides world-class professional services to assist clients in onboarding their assessments and students to the Janison assessment platform. Janison also offers a range of assessment services including content and test development, exam management, implementations and event delivery support for customers, globally.
