## SALE OF UNMARKETABLE PARCELS OF SHARES

**Melbourne, Australia:** Amplia Therapeutics Limited (ASX: ATX) (“Amplia”, the “Company”) is pleased to announce that it has established an unmarketable parcel share sale facility (Facility) for shareholders who hold a parcel of fully paid ordinary shares in the Company (Shares) with a market value of less than A\$500 as at 7:00pm (AEDT) on Friday, 11 February 2022 (Record Date), (Unmarketable Parcel).

Based on the price of Shares at the close of trading on the Record Date of \$0.165, a holding of 3,030 Shares or less constitutes an Unmarketable Parcel.

Amplia appreciates that Unmarketable Parcels can be difficult or expensive to sell, and so is offering the Facility to enable shareholders who hold an Unmarketable Parcel to sell their Shares without having to act through a broker or pay brokerage or handling fees. The Company will pay all costs associated with the sale and transfer of Shares through the Facility (excluding any bank charges and tax obligations associated with shareholders receiving the proceeds, which will be the responsibility of relevant shareholders).

The sale of Unmarketable Parcels through the Facility will also benefit the Company, as it is expected to significantly reduce the administrative costs associated with maintaining a large number of small shareholdings on the Company's share register.

Amplia has the ability to establish the Facility and facilitate the sale of Unmarketable Parcels under clause 2.6 of the Company's Constitution and ASX Listing Rule 15.13.

The attached letter will be despatched on Friday 18 February 2022 to Shareholders who hold an Unmarketable Parcel. This letter provides instructions to Shareholder in respect of what action, if any, they are required to take.

**Shareholders do not need to do anything if they wish to have their Shares sold through the Facility.** Shareholders should update their bank account details with Computershare so that payment of the sale proceeds can be effected electronically. To do this please use the Investor Centre with Computershare at: [www.computershare.com.au/easyupdate/ATX](http://www.computershare.com.au/easyupdate/ATX)

**Shareholders with an Unmarketable Parcel are not obliged to sell their Shares.** Shareholders who do not wish to have their Unmarketable Parcels sold must complete the share Retention Form and return it to the Company's share registry by 5:00pm (AEDT) on Monday 4 April 2022.

The Company has appointed Taylor Collison Limited to facilitate the sale of the Unmarketable Parcels. The Shares sold under the Facility will be sold at market prices, subject to prevailing market conditions and available liquidity. Shareholders whose Shares are sold under the Facility will receive a proportionate share of the total sale proceeds of all Shares sold under the Facility. 18 February 2022

Dear Shareholder

### SALE OF UNMARKETABLE PARCELS OF SHARES

Amplia Therapeutics Limited (**Amplia** or the **Company**) (ASX: ATX) is pleased to advise that the Company has established an unmarketable parcel share sale facility (**Facility**) for shareholders who hold a parcel of fully paid ordinary shares in the Company (**Shares**) with a market value of less than A\$500 as at 7:00pm (AEDT) on Friday, 11 February 2022 (**Record Date**), (**Unmarketable Parcel**).

Based on the price of Shares at the close of trading on the Record Date of \$0.165, a holding of 3,030 Shares or less constitutes an Unmarketable Parcel.

Amplia appreciates that Unmarketable Parcels can be difficult or expensive to sell, and so is offering the Facility to enable shareholders who hold an Unmarketable Parcel to sell their Shares without having to act through a broker or pay brokerage or handling fees. The Company will pay all costs associated with the sale and transfer of Shares through the Facility (excluding any bank charges and tax obligations associated with shareholders receiving the proceeds, which will be the responsibility of relevant shareholders).

The sale of Unmarketable Parcels through the Facility will also benefit the Company, as it is expected to significantly reduce the administrative costs associated with maintaining a large number of small shareholdings on the Company's share register.

Amplia has the ability to establish the Facility and facilitate the sale of Unmarketable Parcels under clause 2.6 of the Company's Constitution (**Constitution**) and ASX Listing Rule 15.13.

#### WHY AM I RECEIVING THIS LETTER?

Our records indicate that you held an Unmarketable Parcel as at close of trade on the Record Date. Unless you advise the Company by 5:00pm (AEDT) on Monday 4 April 2022 (**Closing Time**) that you do **NOT** wish to have your Shares sold, the Company intends to sell your Shares through the Facility. **You do not need to do anything if you wish to have your Shares sold through the Facility.**

**Shareholders with an Unmarketable Parcel are not obliged to sell their Shares.** To advise the Company that you do **NOT** wish to have your Shares sold, you must complete the share retention form (**Retention Form**) enclosed with this letter, and return it to the Company's share registry, Computershare Investor Services Pty Limited (**Computershare**), in accordance with the instructions on the Retention Form, so that it is received prior to the Closing Time.

If, at the Closing Time, the value of your Shares has increased such that you no longer have an Unmarketable Parcel (e.g. due to an increase in the market price of Shares or the number of Shares you hold), your Shares will **NOT** be sold.

If you have multiple holdings of Shares which, if aggregated, would not constitute an Unmarketable Parcel, you may contact Computershare on 1300 855 080 (within Australia) or + 61 3 9415 4000 (outside Australia) to amalgamate your holdings. In these circumstances, your Shares will not be sold. If you choose not to aggregate any holdings of Shares that are Unmarketable Parcels, each of these Unmarketable Parcels will be sold.

Please also note that, pursuant to Schedule 4 of the Constitution and ASX Listing Rule 15.13.5, the Company will not sell your Shares in the event that a third party announces a takeover offer for the Company.

In accordance with its continuous disclosure obligations, the Company may release information to the ASX which may affect your decision as to whether you wish to have your Shares sold or to retain your Shares. If such information is released, it will be published on the ASX website ([www.asx.com.au](http://www.asx.com.au), ASX code: ATX) and on the Company's website ([www.ampliatx.com](http://www.ampliatx.com)).

You should be aware that the fact that your holding of Shares is described in this letter as an "unmarketable parcel" does not mean that you cannot sell your Shares at any time. The use of the term "unmarketable parcel" in this letter is to identify the value of Shares which are eligible for sale through the Facility.

**This letter is the first and final notice to holders of an Unmarketable Parcel of Shares regarding the Facility.**

#### **WHAT DO I NEED TO DO?**

As a holder of an Unmarketable Parcel at the Record Date, your options are described below:

##### **1. Sell your Unmarketable Parcel through the Facility**

If you **WISH TO SELL** your Shares through the Facility, you should **TAKE NO ACTION**. By refraining from taking any action, you will be deemed to have irrevocably appointed the Company as your agent to:

- (a) sell, or procure the sale of, all of your Shares at a price to be determined, without any costs being incurred by you; and
- (b) deal with the proceeds of the sale as set out in this letter (for more information about the payment of the sale proceeds, please refer to Questions 7 and 8 of the **enclosed** Information Sheet).

The Company has appointed Taylor Collison Limited to facilitate the sale of the Unmarketable Parcels. The Shares sold under the Facility will be sold at market prices, subject to prevailing market conditions and available liquidity. You will receive a proportionate share of the total sale proceeds of all Shares sold under the Facility. Payment for your Shares will be remitted to you as soon as practicable following settlement of the sale of all Shares sold through the Facility.

##### **2. Retain your Unmarketable Parcel**

If you **DO NOT WISH TO SELL** your Unmarketable Parcel, you **MUST OPT-OUT** of the Facility by completing and returning the enclosed Retention Form in accordance with the instructions on the Retention Form so that it is received by Computershare prior to the Closing Time. Please carefully read the instructions on the Retention Form before completing it.

##### **3. Update your bank account details**

If you wish to sell your Shares through the Facility **YOU MUST** update your bank account details

with Computershare so that payment of the sale proceeds to you can be effected electronically. To do this please use the Investor Centre with Computershare at:  
[www.computershare.com.au/easyupdate/ATX](http://www.computershare.com.au/easyupdate/ATX)

## INFORMATION SHEET

### UNMARKETABLE PARCEL SALE FACILITY

**1. What is an Unmarketable Parcel?**

An Unmarketable Parcel is a holding of fully paid ordinary shares (**Shares**) in Amplia Therapeutics Limited (**Company**) that is valued at less than A\$500. Based on the closing price of Shares on Friday, 11 February 2022 (**Record Date**) of A\$0.165, this is equivalent to a holding of 3,030 Shares or less.

**2. Why has the Facility been established?**

The Company has decided to establish an Unmarketable Parcel sale facility (**Facility**) to enable you to sell your Unmarketable Parcel without incurring brokerage or handling costs that could otherwise make a sale of your Unmarketable Parcel uneconomic or difficult. The sale of Unmarketable Parcels through the Facility will also enable the Company to reduce administrative costs associated with maintaining a large number of relatively small holdings of Shares.

**3. Why have I received this letter?**

You have received this letter because our records indicate that you held an Unmarketable Parcel of Shares based on the price of Shares of A\$0.165 as at close of trade on the Record Date.

**4. What do I need to do to sell my Shares?**

If you wish to have your Shares sold, you should **TAKE NO ACTION**. Your Shares will be sold through the Facility.

**5. What if I do not wish to sell my Unmarketable Parcel?**

If you do not wish to have your Shares sold, you **MUST OPT-OUT** of the Facility by completing and returning the enclosed Retention Form to the address provided in the Retention Form so that it is received by Computershare prior to 5:00pm (AEDT) on Monday 4 April 2022 (**Closing Time**). If Computershare has not received your Retention Form by the Closing Time, your Shares will be sold through the Facility. Alternatively, you can purchase more Shares on-market so that you hold at least \$500 worth of Shares as at the Closing Time. See Question 12 below for further information.

**6. How will my shares be sold under the Facility?**

Your Shares will be sold by the appointed broker, Taylor Collison Limited, on the Australian Securities Exchange (**ASX**), subject to prevailing market conditions and available liquidity. The Shares sold under the Facility may be sold in a single or multiple parcels, and may be sold at different parcels on different days.

**7. What price will I receive for Shares sold through the Facility?**

The Shares will be sold at market prices on ASX, subject to prevailing market conditions and available liquidity, as soon as practicable after the Closing Time. You will receive an average price for your Shares and a proportionate share of the total sale proceeds of all Shares sold under the Facility.

You will not have control over the time or price at which your Shares are sold, and the price you receive may not reflect the price of Shares appearing in the media or quoted by the ASX on any given day, nor be the best price for Shares available on the day your Shares are sold. If, at the Closing Time, the value of your Shares has increased so that you no longer have an Unmarketable Parcel (for example, due to an increase in the price of Shares or in the number of Shares you hold) your Shares will not be sold.

**8. Do I need to pay anything if I participate in the Facility?**

The Company will pay all costs and expenses arising in connection with the Facility (apart from any costs generated by your bank for the receipt of your payment). Any tax payable, or other tax consequences from the sale, will be your responsibility.

**9. When will I receive the proceeds for the Shares sold?**

Payment will be remitted to you as soon as reasonably practicable following settlement of all Shares sold under the Facility. Payment will be made via a direct credit in Australian dollars or New Zealand dollars to your bank account (where the Company has your details or upon nomination by you of a relevant bank account), or otherwise by cheque in Australian dollars sent to your postal address as recorded in the Company's share register.

**YOU MUST UPDATE YOUR BANK ACCOUNT DETAILS**

If your direct credit details require updating, you can amend your banking details online through Computershare's Investor Centre website at:

[www.computershare.com.au/easyupdate/ATX](http://www.computershare.com.au/easyupdate/ATX)

Alternatively, you may contact Computershare on 1300 855 080 (within Australia) or + 61 3 9415 4000 (outside Australia) to provide updated banking details.

If you are a shareholder with your registered address in **New Zealand**, you must provide your banking details in Australia dollars or New Zealand dollars so the sale proceeds can be effected to you electronically. It is important that you update your bank account details online through Computershare's Investor Centre website at [www.computershare.com.au/easyupdate/ATX](http://www.computershare.com.au/easyupdate/ATX). If you do not to provide your bank account details you will receive the sale proceeds via cheque in Australian dollars.

**10. What are the advantages and disadvantages of participating in the Facility?**

You may consider the following consequences of participating in the Facility to be advantageous to you:

- receiving a cash payment from the sale of your Unmarketable Parcel;
- avoiding any brokerage or related selling expenses in connection with the sale of your Shares;
- utilising a cost effective way of disposing of an Unmarketable Parcel; and
- the sale price of your Shares being determined by reference to the prevailing market price of Shares.

You may consider the following consequences of participating in the Facility to be disadvantageous to you:

- no longer holding any Shares in the Company (unless you subsequently buy more Shares);
- possible capital gains tax being payable following the sale of your Shares; and
- the price of the Company's shares subsequently rising following the sale of your Shares (although there is no way of predicting whether this would actually occur).

**11. What if the price of Shares changes between the Record Date and the Closing Time?**

If the market price of Shares increases between the Record Date and the Closing Time, such that at the Closing Time the value of your Shares is equal to or greater than \$500, your Shares will not be sold through the Facility.

**12. If I buy more Shares in the Company, will I retain my holding?**

The Company will not sell your Shares if you increase your holding to a marketable parcel, being a holding of Shares with a market value of at least \$500 based on the price of Shares as at the Closing Time. Please note that any additional Shares acquired must be registered

by the Closing Time, under the same name and address and with the same holder number (SRN or HIN) as set out in the enclosed Retention Form.

**13. What if I hold multiple Unmarketable Parcels of Shares?**

If you hold multiple Unmarketable Parcels of Shares, you must complete and return a Retention Form for each separate Unmarketable Parcel that you wish to retain. Alternatively, you may aggregate your multiple holdings prior to the Closing Time to avoid them being sold. To do this, please contact Computershare on 1300 855 080 (within Australia) or +61 3 9415 4000 (outside Australia). If you wish to sell your Unmarketable Parcels, you should take no action.

**14. What if my holding of Shares in the Company is a CHESS Holding?**

If your Shares remain in a CHESS Holding, the Company may move those Shares to an Issued Sponsored Holding and the Shares will then be sold under the Facility.

**15. How does the Company have the authority to establish the Facility?**

The Company has the authority to establish the Facility and facilitate the sale of Unmarketable Parcels under rule 2.6 and Schedule 4 of its Constitution and rule 15.13 of the ASX Listing Rules.

**16. Where can I obtain further information?**

If you have any other questions about the operation of the Facility, please contact the Company by email on [info@ampliatx.com](mailto:info@ampliatx.com)

**17. What if I am unsure of what to do?**

If you are in doubt about what to do, you should consult a financial, legal or taxation adviser. This Information Sheet does not constitute advice, nor is it a recommendation to sell, buy or hold Shares.

**18. Important notes**

The Company reserves the right to change any of the dates referred to in its ASX announcement dated Monday 14 February 2022, this Information Sheet, or the Retention Form and accompanying letter, or to vary, cancel, suspend or delay the Facility (either generally or in specific cases), or the sale of your Shares, at any time before Shares are sold under the Facility, by making an announcement to ASX.
