

ASX Announcement (ASX: MTO)

16 February 2022

Underlying EBITDA guidance and trading update

MotorCycle Holdings Limited (ASX: MTO) expects to report underlying earnings before interest, tax, depreciation and amortisation ('Underlying EBITDA') of \$19.8 million for the 6 months ended 31 December 2021, subject to the completion of the half-year review by the Company's auditors.

This is a better-than-expected result than the range previously announced to ASX on 1 December 2021 of \$16 million to \$18 million due to strong trading after COVID-19 restrictions eased in Melbourne and Sydney late in the half.

January 2022 trading suffered significant disruption due to COVID-19, but demand has normalised in February and there is optimism for the remainder of FY2022.

Completion of Wide Bay Motorcycles acquisition

The acquisition of Wide Bay Motorcycles referred to in the ASX announcement dated 1 December 2021 has been completed, further strengthening MotorCycle Holdings' position as Australia's largest motorcycle dealership operator.
