About MoneyMe

MoneyMe is a leader in innovation with its own technology (Horizon Technology Platform) and AI to deliver highly automated innovative credit products and customer experiences.

MoneyMe originates through a diversified mix of credit products and distribution channels to create significant scale and long-term customer advantages. Our automotive finance, personal loans, revolving line of credit and at point-of-sale instalment products are for credit approved customers who are seeking simplicity, fair pricing and flexibility.

Our technology platform enables applications to be completed and checked within minutes, security to be established, funds to be disbursed, or credit limits to be available, to the customer shortly after approval.

MoneyMe is an ASX-listed, licensed and regulated credit provider operating in Australia.
