

## Vale Vincent Mascolo - Passing of Director

It is with deep sadness and sincere condolences that the Board of Tempest Minerals Ltd advises of the sudden death of Non-Executive Director Vincent Mascolo.

We extend our deepest sympathies to Vincent's family and friends . Vincent was one of the founders of Tempest and provided continual guidance to the Tempest Board of Directors. With his contributions to both Tempest and other listed companies such as Atlantic Lithium Ltd and DGR Global Ltd, he was a highly regarded and well-respected member of the mining and exploration sector. He will be sorely missed by many people.

The Board of the Company has authorised the release of this announcement to the market.
