Update on Invigor Reinstatement Process

Invigor Group Limited (ASX:IVO) (“Invigor” or “the Company”) advises that following the completion of the recently announced capital raise and balance sheet restructuring, the Company applied to the ASX for the reinstatement of its shares to the official list and the subsequent resumption of trading.

The ASX has reviewed the application and has requested the Company provide updated disclosures to the Market and an updated Pro-Forma balance sheet and working capital statement based on an audited financial statement, that has been reviewed by a qualified independent accountant. The ASX has also extended the deadline for reinstatement until April 21 2022.

The Company is currently finalising its FY2021 audited financial report which will be released prior to March 31. The Company will base the Pro-Forma balance sheet and working capital statement on the FY2021 audited report and advises that it has engaged Hall Chadwick to review the Pro-Forma for release to the ASX.

Once this process has been completed, the Company will provide the required disclosures and statements to the ASX to finalise the application for reinstatement.

Approved and authorised for release by the Board
