Corporate Travel Management Completion of the acquisition of Helloworld Corporate

Corporate Travel Management Limited ("CTM"; ASX:CTD) is pleased to announce the completion of its acquisition of Helloworld Travel Limited's ("Helloworld"; ASX:HLO) corporate and entertainment travel business in Australia and New Zealand (the "Acquisition") as announced to the ASX on 15 December 2021. The \$175 million purchase price for the Acquisition has been funded by:

- the proceeds from a fully underwritten equity raising, comprising an institutional placement which raised \$25 million and a Share Purchase Plan which raised \$75 million (CTM announced the completion of the institutional placement and Share Purchase Plan on 17 December 2021 and 25 January 2022 respectively); and
- the issuance of 3,571,429 new CTM shares to Helloworld (noting that these shares are subject to voluntary escrow for a period of 12 months from completion of the Acquisition).

The integration of Helloworld's corporate and entertainment brands, including QBT, TravelEdge, APX, Atlas Travel, AOT Hotels and Show Group, will commence immediately with an acute focus on welcoming customers and employees, establishing customer engagement plans and optimising travel policies through CTM's scale, service and technology. The acquisition positions CTM as the travel management provider for more than a quarter of ASX 200 listed companies and further expands its service and technology offering in the government and education sectors.
