MONTHLY LOAN BOOK UPDATE – MARCH 2022

Judo Capital Holdings Limited (ASX: JDO) (“**Judo**”) today provided an update on its loan book as of 31 March 2022.

Judo’s closing balance for gross loans and advances (GLAs) as of 31 March 2022 was \$5.34 billion.

Judo’s Deputy CEO and CFO Chris Bayliss said “We are pleased with our lending growth of \$495 million for the Mar-22 quarter, which is almost double our growth of \$253 million in the Mar-21 quarter. Typically, growth is slower in the March quarter following the holiday period, however our strong growth in February saw us deliver quarterly growth that was ahead of our expectations.

“We remain confident in achieving our prospectus forecast for GLA of \$6.0 billion by 30 June 2022, underpinned by our current lending balance and our pipeline of approximately \$1.1 billion.”

	31-Mar-22 (\$ billions)	28-Feb-22 (\$ billions)	30-Jun-21 (\$ billions)	31-Mar-22 vs 28-Feb-22 (%)	31-Mar-22 vs 30-Jun-21 (%)
Gross loans and advances	5.34	5.17	3.52	3.4	51.7

Judo will report the closing balance for GLAs each month until the end of its prospectus forecast period, being the year ended 30 June 2022.

[Ends]

About Judo Bank: Judo is Australia’s first purpose-built challenger bank for small and medium-sized businesses (SMEs) and the first fully licensed Australian bank to IPO in 25 years. Judo was founded by a small group of experienced lending professionals and its purpose is to be the most trusted SME business bank in Australia. The company’s relationship-led lending model, which brings back the craft of relationship banking, is enabled by its legacy free, digital, cloud-based technology architecture. Lending products are originated and distributed through direct and third-party channels and are funded by deposits, wholesale debt and regulatory capital.
