About LPE

LPE is a fast-growing electricity provider challenging the way customers receive their electricity; going beyond being just a traditional supplier, leaders in innovation, supporting strata communities to think of tomorrow. With first to market technology, LPE has delivered shared solar for apartment living and

carbon neutral centralised hot water systems, creating shareholder value through long term supply agreements that provide strong recurring revenue.

LPE predominantly service the Queensland energy market, selling electricity, hot water, solar and battery systems to homes, business, and strata communities. Providing strata communities, the solution to reduce their carbon footprint and energy bills with no upfront cost. Empowering people to save money and create sustainable communities of the future.
