#### **QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING AND VOTING**

##### *What is the purpose of the meeting?*

At the Annual Meeting, stockholders are invited to act upon the matters outlined in the Notice of Annual Meeting. At the meeting, management will also report on matters of current interest to our stockholders and respond to any questions from our stockholders. The matters outlined in the Notice of Annual Meeting include:

- the re-election of Mr Allan Will and Mr Trevor Moody as Class I directors (**Items 1(a) and 1(b)**); and
- approval of a 10% placement facility (**Item 2**).

##### *Who is entitled to vote at the meeting?*

Only those stockholders of record or beneficial owners of Shares held in street name on 14 April 2022 at 7.00pm Australian Eastern Standard Time, (2.00am U.S. Pacific Daylight Time) (**Record Date**), will be entitled to receive notice of and to vote at the meeting and any adjournment or postponement thereof. CDI holders as of the Record Date are entitled to receive notice of and participate in the meeting and may instruct CDN to vote at the meeting by following the instructions on the CDI Voting Instruction Form or by voting online at [www.investorvote.com.au](http://www.investorvote.com.au).

As of the Record Date, the Company has 268,315,340 Shares outstanding (equivalent to 268,315,340 CDIs), all of which are entitled to vote with respect to the proposals to be acted upon at the meeting, subject to the voting exclusions noted in the Items of Business. Each CDI represents one Share.

---

<sup>1</sup> CHESS Depositary Nominees Pty Ltd is the holder of record for all shares beneficially owned by holders of CDIs.

Stockholders who vote for or against resolutions, or who cast an abstention, will be counted as present and entitled to vote for purposes of determining whether a quorum is present.

***Will any investors be excluded from voting on any of the proposals at the meeting?***

Yes. In accordance with ASX Listing Rule 14.11.1, the Company will disregard any votes cast in favour on certain resolutions by certain persons and associates of those persons. Voting exclusions apply with regard to Item 2. Please refer to this Item in the Items of Business for details in relation to the exclusions that apply.

In respect of the voting exclusions for Item 2, there are no known stockholders or other security holders who would be excluded from voting on this Item as at the date of this Notice.

***What are my voting rights?***

Holders of Shares are entitled to one vote for each Share held as at the Record Date. Holders of CDIs are entitled to direct CDN to vote one vote for every CDI held by such holder as at the Record Date. Therefore, as of the Record Date, a total of 268,315,340 votes are entitled to be cast at the meeting.

***How many Shares must be present to hold the meeting?***

In accordance with the Company's amended and restated bylaws, holders of Shares equal to a majority of the voting power of the outstanding Shares entitled to vote at a stockholder meeting as of the Record Date must be present at the Annual Meeting in order to hold the meeting and conduct business. This is called a quorum. Shares are counted as present at the meeting if:

- you are stockholder of record (or proxy) and you are present virtually at the meeting by registering your attendance via the virtual online facility; or
- you have properly and timely submitted your proxy before the meeting as described below under "How do I vote my shares of EBR Systems, Inc common stock?"; or
- you have properly and timely submitted your CDI voting instructions to CDN before the meeting as described below under "How do I vote if I hold CDIs?"

***What is a proxy?***

If you designate another person to vote stock you own, that other person is called a proxy. If you designate someone as your proxy in a written document, that document also is called a proxy or a proxy card. When you designate a proxy, you also may direct the proxy how to vote your Shares. We refer to this as your "proxy vote".

***What is the difference between a stockholder of record and a "street name" holder?***

If you own Shares registered directly in your name with our U.S. transfer agent, Computershare Trust Company, N.A., you are considered the stockholder of record with respect to those Shares. As a stockholder of record, you have the right to grant your voting proxy directly to the Company (or another person) or to vote in person at the Annual Meeting.

If your Shares are held in a stock brokerage account or by a bank, trust or other nominee, then the broker, bank, trust or other nominee is considered to be the stockholder of record with respect to those Shares, while you are considered the beneficial owner of those Shares. In that case, your Shares are said to be held in "street name" and this notice was forwarded to you by that organisation. Street name holders generally cannot vote their Shares directly and must instead instruct the broker, bank, trust or other nominee how to vote their Shares using the method described below under "How do I vote my shares of EBR Systems, Inc common stock?" Since a street name holder is not the stockholder of record, you may not vote your Shares in person at the Annual Meeting unless you obtain a "legal proxy" from the broker, bank, trustee, or nominee that holds your Shares giving you the right to vote the Shares at the meeting.

CDN is the stockholder of record for all Shares beneficially owned by holders of CDIs. Holders of CDIs are entitled to receive notice of and to attend the Annual Meeting and may direct CDN to vote at the Annual Meeting by using the method described below under "How do I vote if I hold CDIs?".

***How do I vote my shares of EBR Systems, Inc. common stock?***

If you are a stockholder of record, there are two ways to vote:

- by completing, signing, and returning the enclosed proxy card - valid proxies must be received by Computershare Investor Services no later than 9.00am on Tuesday, 10 May 2022, Australian Eastern Standard Time, (Monday, 9 May 2022 at 4.00pm U.S. Pacific Daylight Time); or

- participating in the virtual Annual Meeting and using the virtual online voting facility – see below.

If you intend to vote using the virtual online voting facility during the Annual Meeting, it is recommended that you log in to the online platform at least 15 minutes prior to the scheduled start time for the Annual Meeting using the instructions below:

Enter [meetnow.global/MHPN7WV](https://meetnow.global/MHPN7WV) into a web browser on your computer or other device with web access;

- Stockholders will need to select “Shareholder” and enter their Shareholder Control Number which will be provided by Computershare Investor Services; and
- Proxyholders (including CDI holders who have appointed themselves as CDN’s proxy) will need to select “Invitation” and enter a proxy number which will be provided by Computershare Investor Services.

Online voting will be open between the commencement of the Annual Meeting on Thursday, 12 May 2022 at 9.00am Australian Eastern Standard Time (Wednesday, 11 May 2022 at 4.00pm U.S. Pacific Daylight Time) and the time at which the Chairman announces voting closure.

If you hold your Shares in street name, you must vote your Shares in the manner prescribed by your broker, bank, trust or other nominee, which is similar to the voting procedures for stockholders of record. You will receive a voting instruction form (not a proxy card) to use in directing the broker, bank, trust or other nominee how to vote your Shares.

Please refer to “Will any investors be excluded from voting on any of the proposals at the meeting?” for a summary of voting exclusions applicable to each proposal to be voted on at the Annual Meeting.

#### ***How do I vote if I hold CDIs?***

Each CDI holder as at the Record Date is entitled to direct CDN to vote one vote for every CDI held by such holder. Such CDI holders are entitled to receive notice of and to attend the Annual Meeting and any adjournment or postponement of the Annual Meeting and may instruct our CDI Depositary, CDN, to vote the Shares underlying their CDIs by following the instructions and returning the enclosed CDI Voting Instruction Form or by voting online at [www.investorvote.com.au](https://www.investorvote.com.au). Valid voting instructions must be received by Computershare Investor Services no later than 10.00am on Monday, 9 May 2022, Australian Eastern Standard Time, (Sunday, 8 May 2022 at 5.00pm U.S. Pacific Daylight Time). Doing so permits CDI holders to instruct CDN to vote on behalf of the CDI holders at the meeting in accordance with their written instructions.

Alternatively, CDI holders may vote at the Annual Meeting by informing the Company that they wish to nominate themselves or another person to be appointed as CDN’s proxy for the purpose of voting at the meeting by completing Step 1B in the enclosed CDI Voting Instruction Form. CDI holders will then be provided by Computershare Investor Services with a control number that will enable them to join the virtual meeting with voting enabled. Unless these steps are followed, CDI holders cannot vote online during the meeting.

#### ***What does it mean if I receive more than one printed set of proxy materials?***

If you receive more than one printed set of proxy materials, it means that you hold Shares or CDIs registered in more than one account. To ensure that all of your Shares and CDIs are voted, please submit proxies or voting instructions for all of your Shares and CDIs.

#### ***How can I attend the virtual meeting?***

All of our stockholders and CDI holders are invited to attend the virtual Annual Meeting.

To attend the Annual Meeting, enter [meetnow.global/MHPN7WV](https://meetnow.global/MHPN7WV) into a web browser on your computer or online device:

- Stockholders will need to select “Shareholder” and enter their Shareholder Control Number which will be provided by Computershare Investor Services;
- CDI holders will need to select “Guest” and enter their name and email address; and
- Proxyholders (including CDI holders who have appointed themselves as CDN’s proxy) will need to select “Invitation” and enter a proxy number which will be provided by Computershare Investor Services.

Unless CDI holders nominate themselves to be appointed as CDN’s proxy, CDI holders will not be able to lodge a vote using the virtual online facility and therefore are urged to complete their CDI Voting Instruction Form or vote online before the Annual Meeting for their vote to be counted.

We recommend logging on to the online platform for the Annual Meeting at least 15 minutes prior to the scheduled start time for the Annual Meeting.

***Can I vote my Shares in person at the meeting?***

If you are a stockholder of record, you may vote your Shares online during the meeting using the virtual online voting facility. Even if you currently plan to participate in the meeting, we recommend that you submit your proxy as described above so your vote will be counted if you later decide not to attend the Annual Meeting. If you submit your vote by proxy and later decide to vote online at the Annual Meeting, the vote you submit at the meeting will override your previous proxy vote.

If you are a street name holder, you may vote your Shares in person at the meeting only if you obtain prior to the meeting a signed letter or other form of proxy from your broker, bank, trust or other nominee giving you the right to vote the Shares at the meeting.

Please refer to “How do I vote if I hold CDIs?” if you are a CDI holder.

***How can I raise questions relevant to the Company’s audit to the external auditor?***

The Company’s auditor, Price, Kong & Co. is based in Arizona, U.S. and will attend the Company’s virtual Annual Meeting of Stockholders to answer stockholder questions.

Stockholders and CDI holders may also submit questions relevant to the Company’s audit to the Company’s registered office at Level 13, 41 Exhibition Street, Melbourne, Victoria. The Australian Secretary of the Company will ensure that the questions are provided to the Company’s auditor and co-ordinate responses.

***What is the voting requirement to approve each of the proposals included in the notice of meeting?***

***Item 1 — Re-election of Class I Director***

You may vote “FOR” or “WITHHOLD” on the re-election of the directors in Item 1(a) and Item 1(b). Abstentions are considered Shares present and entitled to vote for purposes of determining a quorum, but will be not be treated as either a vote “FOR” or “WITHHOLD”.

Directors are elected by a plurality of the votes of the Shares present in person or represented by proxy and entitled to vote at the Annual Meeting. Accordingly, the director nominees receiving the highest number of “FOR” votes will be elected. Only votes “FOR” will affect the outcome of the vote; “WITHHOLD” votes will have no effect on the outcome of the vote.

If you do not submit your proxy or voting instructions to your broker, your Shares will not be counted for the purpose of establishing a quorum and will have no effect on the outcome of this proposal. The same result will occur if you do not instruct CDN how to vote your Shares.

Under ASX Listing Rule 14.2.1, a proxy form must allow stockholders to vote for a resolution, against a resolution or to abstain from voting on a resolution. However, ASX granted the Company a waiver from ASX Listing Rule 14.2.1 to the extent necessary to permit the Company not to provide in its proxy form for holders of CDIs to vote against a resolution to elect a director. The terms of the waiver are that: (i) the Company complies with the relevant U.S. laws, its bylaws and any applicable Securities Exchange Commission rules as to the content of proxy forms applicable to resolutions for the election of directors; (ii) the Company provides disclosures acceptable to ASX in the CDI voting instruction form given by the Company to CDI holders as required by ASX Settlement Operating Rule 13.8.9 to make it clear that holders are only able to vote for such resolutions or abstain from voting, and the reasons why this is the case are included in this Notice; and (iii) the waiver from ASX Listing Rule 14.2.1 only applies for so long as the relevant U.S. laws prevent the Company from allowing stockholders to vote against a resolution to elect a director where plurality voting is implemented.

***Item 2 — Approval of 10% Placement Facility***

You may vote “FOR,” “AGAINST” or “ABSTAIN” on Item 2.

Item 2 is a special resolution and therefore requires the affirmative vote of 75% of the votes cast by stockholders Shares present (in person or represented by proxy, attorney or or, in the case of a corporate stockholder, a corporate

representative) at the Annual Meeting and entitled to vote on this proposal. Abstentions are considered Shares present and entitled to vote and thus will have the effect of a vote “AGAINST” this proposal.

If you do not submit your proxy or voting instructions to your broker, your Shares will not be counted for the purpose of establishing a quorum and will have no effect on the outcome of this proposal. The same result will occur if you do not instruct CDN how to vote your Shares.

***Can I change my vote after submitting my proxy?***

Yes. If you are a stockholder of record, you may change your vote at any time before your proxy is voted at the Annual Meeting, in any of the following ways:

- by submitting a later-dated proxy by the Internet before 10.00am Australian Eastern Standard Time on Tuesday, 10 May 2022, (Monday, 9 May 2022 at 5.00pm U.S. Pacific Daylight Time);
- by submitting a later-dated proxy to the Australian Secretary of the Company, which must be received by the Australian Secretary before the time of the Annual Meeting;
- by sending a written notice of revocation of proxy to the Australian Secretary of the Company, which must be received by the Australian Secretary before the time of the Annual Meeting; or
- by voting online at the Annual Meeting. Attendance at the virtual Annual Meeting will not cause your previously granted proxy to be revoked unless you specifically so request or cast your vote online at the Annual Meeting.

If you are a holder of CDIs and you direct CDN to vote by completing the CDI Voting Instruction Form, you may revoke those instructions by delivering to Computershare Investor Services, no later than 10.00am Australian Eastern Standard Time on Monday, 9 May 2022, (Sunday, 8 May 2022 at 5.00pm U.S. Pacific Daylight Time), a written notice of revocation bearing a later date than the CDI Voting Instruction Form previously sent.

***Who pays for the cost of proxy preparation and solicitation?***

We pay for the cost of proxy preparation and solicitation, including the reasonable charges and expenses of brokerage firms, banks, trusts or other nominees for forwarding proxy materials to street name holders. We are soliciting proxies by mail. In addition, our directors, officers and regular employees may solicit proxies personally, telephonically, electronically or by other means of communication. The Company’s directors, officers and regular employees will receive no additional compensation for their services other than their regular compensation.

The directors (other than Mr Moody) recommend that stockholders vote "FOR" this Item.

**ITEM 2 APPROVAL OF 10% PLACEMENT FACILITY**

**2.1 Background**

ASX Listing Rule 7.1A enables eligible entities to issue equity securities up to 10% of issued share capital through placements over a 12-month period after the annual meeting (**10% Placement Facility**). The 10% Placement Facility is in addition to the Company's 15% placement capacity under ASX Listing Rule 7.1.

An eligible entity for the purposes of ASX Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalization of A\$300 million or less. The Company is an eligible entity.

The Company is now seeking stockholder approval by way of a special resolution to have the ability to issue equity securities under the 10% Placement Facility. The exact number of securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (refer below).

**2.2 Description of ASX Listing Rule 7.1A**

**(a) Stockholder approval**

The ability to issue equity securities (such as CDIs) under the 10% Placement Facility is subject to stockholder approval by way of a special resolution at an annual general meeting.

**(b) Equity Securities**

Any equity securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of equity securities of the Company and must be issued for cash consideration.

**(c) Formula for calculating 10% Placement Facility**

ASX Listing Rule 7.1A.2 provides that eligible entities which have obtained stockholder approval at an annual general meeting may issue or agree to issue, during the 10% Placement Period (described below), a number of equity securities calculated in accordance with the following formula:

$$(A \times D) - E$$

**A** is the number of Shares on issue at the commencement of the relevant period:

- (A) plus the number of fully paid Shares issued in the relevant period under an exception in ASX Listing Rule 7.2 (other than exception 9, 16 or 17);
- (B) plus the number of fully paid shares issued in the relevant period on the conversion of convertible securities (including convertible notes and options) within ASX Listing Rule 7.2 exception 9 where:
  - a. the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
  - b. the issue of, or agreement to issue, the convertible securities was approved, or taken under these rules to have been approved, under ASX Listing Rule 7.1 or 7.4;
- (C) plus the number of fully paid Shares issued in the relevant period under an agreement within ASX Listing Rule 7.2 exception 16 where:
  - a. the agreement was entered into before the commencement of the relevant period; or
  - b. the agreement or issue was approved, or taken under these rules to have been approved, under ASX Listing Rule 7.1 or ASX Listing Rule 7.4;
- (D) plus the number of fully paid shares issued in the relevant period with approval of stockholders under ASX Listing Rule 7.1 or 7.4. This does not include an issue of fully paid Shares under the entity's 15% placement capacity without stockholder approval. This may include fully paid ordinary securities issued in the relevant period under an agreement to issue securities within ASX Listing Rule 7.2 exception 17 where the issue is subsequently approved under ASX Listing Rule 7.1;
- (E) plus the number of partly paid shares that became fully paid in the relevant period;
- (F) less the number of fully paid shares cancelled in the relevant period.

*Note that A has the same meaning in ASX Listing Rule 7.1 when calculating an entity's 15% placement capacity.*

**D** is 10%

**E** is the number of equity securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the relevant period where this issue or agreement has not been subsequently approved by stockholders under ASX Listing Rule 7.4.

**relevant period** means:

- (i) the 12 month period immediately preceding the date of issue or agreement; or
- (ii) in respect of an issue or agreement entered into within 12 months of the entity being admitted to the official list, the period from the date the entity was admitted to the official list, to the date immediately preceding the date of the issue or agreement.

**(d) ASX Listing Rule 7.1 and ASX Listing Rule 7.1A**

If passed, Item 2 will allow the Board to issue up to an additional 10% of the Company's issued capital during the 10% Placement Period without requiring further stockholder approval. This is in addition to the Company's 15% annual placement capacity provided for in ASX Listing Rule 7.1.

The actual number of equity securities that the Company will have capacity to issue under ASX Listing Rule 7.1A will be calculated at the date of issue of the equity securities in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (refer to Section (c) above).

As at the date of this Notice, the Company has 268,315,340 Shares on issue. At present, the Company has capacity to issue:

- (i) 40,247,301 equity securities under ASX Listing Rule 7.1; and
- (ii) 26,824,730 equity securities under ASX Listing Rule 7.1A.

**(e) Minimum Issue Price**

The issue price of equity securities issued under ASX Listing Rule 7.1A must be not less than 75% of the volume weighted average market (VWAMP) of equity securities in the same class calculated over the 15 trading days on which trades in the relevant class were recorded immediately before:

- (i) the date on which the price at which the equity securities are to be issued is agreed by the entity and the recipient; or
- (ii) if the equity securities are not issued within 10 trading days of the date in paragraph (i) above, the date on which the equity securities are issued.

**(f) Effect of Item 2**

The effect of Item 2 will be to allow the Company to issue equity securities under ASX Listing Rule 7.1A during the 10% Placement Period without using the Company's 15% placement capacity under ASX Listing Rule 7.1.

**(g) Special resolution**

Item 2 is a special resolution and therefore requires approval of 75% of the votes cast by stockholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate stockholder, by a corporate representative).

**2.3 Specific information required by ASX Listing Rule 7.3A**

Pursuant to and in accordance with ASX Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows:

- (a) The equity securities will be issued by the Company for cash consideration at an issue price of not less than 75% of the VWAMP for the Company's equity securities over the 15 trading days on which trades in that class were recorded immediately before:
  - (i) the date on which the price at which the equity securities are to be issued is agreed by the Company and the recipient; or
  - (ii) if the equity securities are not issued within 10 trading days of the date in paragraph (i) above, the date on which the equity securities are issued.
- (b) If Item 2 is approved by stockholders and the Company issues equity securities under the 10% Placement Facility, the existing stockholders' voting power in the Company will be diluted as shown in the below table. There is a risk that:
  - (i) the market price for the Company's equity securities may be significantly lower on the date of the issue of the equity securities than on the date of the Annual Meeting; and
  - (ii) the equity securities may be issued at a price that is at a discount to the market price for the Company's equity securities on the issue date,

which may have an effect on the amount of funds raised by the issue of the equity securities.

The table below shows the dilution of existing stockholders and holders of CDIs on the basis of an indicative market price of CDIs of A\$0.63 and the number of CDIs for variable "A" calculated in accordance with the formula in ASX Listing Rule 7.1A.2 as at the date of this Notice of Annual Meeting on the assumption that Item 2 is approved by stockholders.

The table also shows:

- (i) two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of CDIs the Company has on issue (268,315,340 as at 20 April). The number of CDIs on issue may increase as a result of issues of ordinary securities that do not require stockholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under ASX Listing Rule 7.1 that are approved at a future stockholders' meeting; and
- (ii) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

Variable 'A' in Listing Rule 7.1A.2		Dilution		
		\$0.3150 50% decrease in Issue Price	\$0.6300 Issue Price	\$1.2600 100% increase in Issue Price
<b>Current Variable A</b>  268,315,340	<b>10% Voting dilution</b>	26,831,534	26,831,534	26,831,534
	<b>Funds Raised</b>	\$8,451,933	\$16,903,866	\$33,807,733
<b>50% increase in current Variable A</b>  402,473,010	<b>10% Voting dilution</b>	40,247,301	40,247,301	40,247,301
	<b>Funds Raised</b>	\$12,677,900	\$25,355,800	\$50,711,599
<b>100% increase in current Variable A</b>  536,630,680	<b>10% Voting dilution</b>	53,663,068	53,663,068	53,663,068
	<b>Funds Raised</b>	\$16,903,866	\$33,807,733	\$67,615,466

The table has been prepared on the following assumptions:

- (i) The Company issues (as CDIs) the maximum number of equity securities available under the 10% Placement Facility.
  - (ii) No options or warrants are exercised into Shares before the date of the issue of the equity securities under ASX Listing Rule 7.1A.
  - (iii) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
  - (iv) The table does not show an example of dilution that may be caused to a particular stockholder by reason of placements under the 10% Placement Facility, based on that stockholder's holding at the date of the Annual Meeting.
  - (v) The table shows only the effect of issues of equity securities under ASX Listing Rule 7.1A, not under the 15% placement capacity under ASX Listing Rule 7.1.
  - (vi) The issue of equity securities under the 10% Placement Facility consists only of CDIs.
  - (vii) The issue price is A\$0.63, being the closing price of the CDIs on ASX on 28 March 2022.
- (c) The Company will only issue and allot the equity securities during the 10% Placement Period. The approval under Item 2 for the issue of the equity securities will cease to be valid in the event that stockholders approve a transaction under ASX Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or ASX Listing Rule 11.2 (disposal of main undertaking).
- (d) The Company may seek to issue the equity securities for the purpose of raising funds to use towards general working capital requirements, ongoing business development activities and/or the acquisition of new business assets or investments (including expenses associated with such acquisition).

- (e) The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of equity securities will be determined on a case-by-case basis having regard to factors including but not limited to the following:

- (i) the methods of raising funds that are available to the Company, including but not limited to, rights issue or other issue in which existing stockholders can participate;
- (ii) the effect of the issue of the equity securities on the control of the Company;
- (iii) the financial situation and solvency of the Company; and
- (iv) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice of Annual Meeting but may include existing stockholders and/or new stockholders who are not related parties or associates of a related party of the Company.

- (f) The Company has not previously obtained stockholder approval under ASX Listing Rule 7.1A. In the 12 months preceding the date of this Annual Meeting, the Company has not issued or agreed to issue any equity securities under ASX Listing Rule 7.1A.2.
- (g) Stockholder approval of the 10% Placement Facility under ASX Listing Rule 7.1A is valid from the date of the Annual Meeting at which the approval is obtained and expires on the earlier to occur of:
- (i) the date that is 12 months after the date of the Annual Meeting at which the approval is obtained;
  - (ii) the time and date of the next annual general meeting, if less than 12 months; or the time and date of the approval by stockholders of a transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).
- (h) If Stockholder approval is granted for this special resolution and if the Company chooses to utilize the 10% Placement Facility it will have available to it, it is expected that the funds raised would be for working capital purposes.

#### **2.4 Consequences if Item 2 is not approved**

If Item 2 is not approved by stockholders, the Company will not have the 10% Placement Facility in addition to the Company's 15% placement capacity under ASX Listing Rule 7.1.

#### **2.5 Board recommendation and Chairman's voting intention for Item 2**

The Board unanimously recommends that stockholders vote "FOR" this Item.

The Chairman of the meeting intends to vote undirected proxies "FOR" this Item.

#### **2.6 Voting Exclusion for Item 2**

A voting exclusion for this Item has been included in the Items of Business. However, at the date of dispatching this Notice, the Company is not proposing to make an issue of equity securities under ASX Listing Rule 7.1A.2 and it has not approached any particular existing stockholder or security holder or an identifiable class of existing security holder to participate in an issue of the equity securities. No existing stockholders' votes will therefore be excluded under the voting exclusion.

### **OTHER BUSINESS**

The Company, being a company incorporated in the state of Delaware, United States, is not required to meet the *Corporations Act 2001* (Cth) (**Corporations Act**) requirements to lay before the meeting the annual financial report and other related reports. The Board of the Company has however decided to lay before the meeting the Company's financial statements and the reports for the year ended 31 December 2021. The Corporations Act does not require a vote of stockholders on the reports or statements. However, the stockholders will be given ample opportunity to raise questions or comments in relation to the

management of the Company.

Copies of the full financial report for consideration at the meeting can be accessed on the Company's website: <https://ebrsystemsinc.com/investors/>.

If a hard copy is preferred by the stockholder, please contact the Company's CDI registry.

#### **STATUS OF CDIS**

Under the Delaware General Corporation Law, shares are generally freely transferable subject to restrictions imposed by US federal or state securities laws, by the Company's certificate of incorporation or bylaws, or by an agreement signed with the holders of the shares at issue. The Company's CDIs were issued in reliance on the exemption from registration contained in Regulation S of the US Securities Act of 1933 (**US Securities Act**) for offers or sales which are made outside the US. Accordingly, the CDIs have not been, and will not be, registered under the US Securities Act or the laws of any state or other jurisdiction in the US. The holders of the Company's CDIs are unable to sell the CDIs into the US or to a US person unless the re-sale of the CDIs is registered under the US Securities Act or an exemption is available. To enforce the above transfer restrictions, all CDIs issued bear a "FOR US" designation on the ASX. This designation restricts any CDIs from being sold on the ASX to US persons. However, you still may freely transfer your CDIs on the ASX to any person other than a US person. In addition, hedging transactions with regard to the CDIs may only be conducted in accordance with the US Securities Act.
