## Trading Update for April 2022

East 33 Limited (ASX: E33) announces trading results for April 2022.

Key Trading Metric	April 2022
Harvest Volume	499k
Group Revenue	\$2.43m

### Comments:

East 33 is a resilient business and its geographic diversification enabled harvest despite enormous disruptions due to continued rain, further its diversified sales and distribution operations continue to grow year on year.

April generated \$344k of the \$1.6m low season contribution being 21.5% of entire outlook to the end of September 2022. This result put East 33 significantly ahead of expectation.

East 33 continues to execute on the Fiscal Management Plan whilst setting up for growth in FY23.
