## EXPLANATORY MEMORANDUM

### Resolution 1 – Approval for Split of Securities

On 10 May 2022, the Company received a request from the controlling shareholder HQ Mining Resources Holding Pty Ltd (“**HQM**”) who holds more than 5% of the voting shares of the Company to convene a general meeting of shareholders to propose a resolution that all the fully paid ordinary shares (“**Shares**”) of GCR be split on the basis that every one (1) Share be split into ten (10) Shares (“**Share Split**”) if the resolution is passed at the meeting. The letter of request from HQM is attached to this Notice of Meeting.

Pursuant to section 254H of the Corporations Act 2001 (Cth), a company may convert all of its shares into a larger number of shares by an ordinary resolution passed at a general meeting.

The Board does not believe that any material disadvantage will arise for Securityholders as a result of the proposed Share Split. While the Share Split will have no effect on the underlying value of the Company, the effect on the Company’s Share price at the time of Share Split should (all things being equal) be to trade at one tenth (1/10) times the price at which the Shares previously traded. The Share price will continue to be influenced by other factors and there can be no assurances as to the level and price that the Shares will trade following the Share Split. The Share Split will not result in any change to the rights and obligations of Securityholders, and the Company’s balance sheet will remain unaltered as a result of the Share Split.

If the Share Split is approved, the number of Securities will be increased by 10 times as shown in Table 1.

**Table 1 – Effect of Share Split on Securities**

	Pre-Share Split	Post-Share Split
Fully paid ordinary Shares on issue in the Company	109,725,611	1,097,256,110
Unlisted Options capable of conversion to Shares at the exercise prices listed in Table 2 below	758,208	7,582,080

**Table 2 – Effect of Share Split on unlisted Options**

Pre-Share Split Class	Post-Share Split Class
379,104 unlisted Options exercisable at 39 cent per Share on or before 18 August 2022	3,791,040 unlisted Options exercisable at 3.9 cent per Share on or before 18 August 2022
379,104 unlisted Options exercisable at 57 cent per Share on or before 18 February 2023	3,791,040 unlisted Options exercisable at 5.7 cent per Share on or before 18 February 2023

The Share Split will apply to all Securityholders equally and they will be increased in the same ratio as the total number of Securities. The Share Split will have no effect on the percentage interest of each individual Securityholder.

**EXAMPLE:** Prior to the Share Split, Shareholder A holds 1,000,000 Shares, representing 0.911% of the Company’s 109,725,611 issued Shares. If the Share Split is approved, Shareholder A will hold 10,000,000 Shares, still representing the same 0.911% of the Company’s 1,097,256,110 issued Shares. Similarly, the aggregate value of Shareholder A’s holding (and the Company’s market capitalisation) should not change solely as a result of the Share Split.

The Share Split of a Securityholder’s holding will result in an entitlement of 10 times of that holding without any fraction of a Security.

In accordance with Listing Rules 7.21 and 7.22.1, the Share Split will result in the number of Options being converted in the same ratio as Shares and the exercise price of each Option being amended in the inverse proportion to that ratio.

**EXAMPLE:** Prior to the Share Split, Optionholder A holds 100,000 Options with an exercise price of 39 cent per Share. Following the Share Split, the number of Options held by Optionholder A will be 1,000,000 with an exercise price of 3.9 cent per Share.

If this resolution is not approved, there will be no impact on the securities held by Securityholders prior to the proposal of this resolution.

From the date of the Share Split, all existing holding statements for securities will cease to have any effect, except as evidence of entitlement to a certain number of securities on a post-Share Split basis.

New holding statements for securities will be issued to Securityholders, who are encouraged to check their holdings after the Share Split.

It is generally expected that there will not be any Australian income tax consequences for Securityholders arising from the Share Split. However, the Company strongly recommends that Securityholders seek and obtain their own specific advice (taking into account their particular circumstances) in relation to the proposed Share Split. Neither the Company, the Directors, nor the Company's advisers accept any responsibility for any individual Securityholder's taxation consequences of the Share Split.

The indicative timetable for the Share Split is set out below. The dates are estimates only and will be updated by the Company once confirmed:

Dear Mr. Li,
