Dear Sir/Madam

Notice of change in substantial holder notice

We act for the Galipea Partnership (ABN 43 843 920 211) (**Galipea Partnership**). On behalf of Galipea Partnership, we attach a Form 604 (Notice of change of interests of substantial holder) (the **Notice**).

Galipea Partnership previously announced it held a 11.28% interest in AGL Energy Limited (**AGL**) comprising a relevant interest in 56,779,867 Shares (representing 8.44% of Shares on issue) and an economic interest in respect of a further 19,103,523 Shares (equivalent to 2.84% of Shares on issue) pursuant to a cash settled total return swap with J.P. Morgan Securities PLC (**JPM**).

We are instructed as follows:

1. Galipea Partnership and its affiliates have taken steps to simplify their interest in AGL. Relevantly, Galipea Partnership now holds a relevant interest in 75,883,390 fully paid ordinary shares in AGL (**Shares**) representing 11.28% of Shares on issue. Galipea Partnership has invested approximately \$650 million to build its relevant interest of 11.28% in Shares, with close to \$600 million funded with cash and the remainder in debt.
2. Galipea Partnership has fully settled the cash settled total return swap it previously entered into with JPM in respect of 19,103,523 Shares.
3. Galipea Partnership has partially unwound its collar with JPM through the settlement of cash settled put and call options in relation to 59,157,171 reference Shares. Galipea Partnership continues to hold cash settled put and call options with JPM in relation to 8,117,552 reference Shares. These cash settled options do not give Galipea Partnership any relevant interest in AGL.
4. The securities lending agreement between JPM and Galipea Partnership disclosed to the ASX on 5 May 2022 has been amended such that the number of Shares JPM is entitled to borrow from Galipea Partnership is limited to the number of reference Shares under the collar, currently 8,117,552 Shares. The number of Shares available to JPM will decrease to the extent Galipea Partnership settles further cash settled put and call options under the collar. As at the date of this notice, JPM has not borrowed any Shares under these arrangements.
5. Although Galipea Partnership will retain a relevant interest in any Shares borrowed by JPM under the securities lending agreement, it would not be entitled to voting rights attaching to those shares for so long as they are loaned to JPM.

Copies of the relevant documents are contained in Annexure A to the change in substantial holder notice.

Yours sincerely

- (ii) under any provision which expressly binds Trustee other than as trustee of the Trust (whether or not it also binds it as trustee of the Trust).

In this information statement:

- (a) "**we**", "**our**" and "**us**" refer to JPMorgan (or, where we are acting on behalf of another person, including where that person is an affiliate, that person);
- (b) "**you**" and "**your**" refer to the Counterparty;
- (c) "**right of use**" means any right we have to use, in our own name and on our own account or the account of another counterparty, financial instruments received by us by way of collateral under a title transfer collateral arrangement between you and us;
- (d) "**Securities Financing Transactions Regulation**" means Regulation (EU) 2015/2365 of the European Parliament and of the Council of 25 November 2015 on transparency

- (i) your rights, including any proprietary rights that you may have had, in those financial instruments will be replaced by an unsecured contractual claim for delivery of equivalent financial instruments subject to the terms of the Transaction Documents;
- (ii) those financial instruments will not be held by us in accordance with client asset rules, and, if they had benefited from any client asset protection rights, those protection rights will not apply (for example, the financial instruments will not be segregated from our assets and will not be held subject to a trust);
- (iii) in the event of our insolvency or default under the Transaction Documents your claim against us for delivery of equivalent financial instruments will not be secured and will be subject to the terms of the Transaction Documents and applicable law and, accordingly, you may not receive such equivalent financial instruments or recover the full value of the financial instruments (although your exposure may be reduced to the extent that you have liabilities to us which can be set off or netted against or discharged by reference to our obligation to deliver equivalent financial instruments to you);
- (iv) in the event that a resolution authority exercises its powers under any relevant resolution regime in relation to us any rights you may have to take any action against us, such as to terminate a Transaction Document, may be subject to a stay by the relevant resolution authority and:
 - (A) your claim for delivery of equivalent financial instruments may be reduced (in part or in full) or converted into equity; or

although you may be protected to the extent that the exercise of resolution powers is restricted by the availability of set-off or netting rights;

- (v) as a result of your ceasing to have a proprietary interest in those financial instruments you will not be entitled to exercise any voting, consent or similar rights attached to the financial instruments, and even if we have agreed to exercise voting, consent or similar rights attached to any equivalent financial instruments in accordance with your instructions or any Transaction Document entitles you to notify us that the equivalent financial instruments to be delivered by us to you should reflect your instructions with respect to the subject matter of such vote, consent or exercise of rights, in the event that we do not hold and are not able to readily obtain equivalent financial instruments, we may not be able to comply (subject to any other solution that may have been agreed between you and us);
- (vi) in the event that we are not able to readily obtain equivalent financial instruments to deliver to you at the time required: you may be unable to fulfil your settlement obligations under a hedging or other transaction you have entered into in relation to those financial instruments; a counterparty, exchange or other person may exercise a right to buy-in the relevant financial instruments; and you may be unable to exercise rights or take other action in relation to those financial instruments;
- (vii) subject to any express agreement between you and us, we will have no obligation to inform you of any corporate events or actions in relation to those financial instruments;
- (viii) you will not be entitled to receive any dividends, coupon or other payments, interests or rights (including securities or property accruing or offered at any time) payable in relation to those financial instruments, although the express written terms of the Transaction Documents may provide for you to receive or be credited with a payment by reference to such dividend, coupon or other payment (a "**manufactured payment**");
- (ix) our exercise of a right of use in respect of any financial collateral provided to us by you and the delivery by us to you of equivalent financial instruments may give rise to tax consequences that differ from the tax consequences that would have otherwise applied in relation to the holding by you or by us for your account of those financial instruments; and
- (x) where you receive or are credited with a manufactured payment, your tax treatment may differ from your tax treatment in respect of the original dividend, coupon or other payment in relation to those financial instruments.

AGREEMENT

Recitals:

- A. The Parties hereto are desirous of agreeing to a procedure whereby either one of them (the “**Lender**”) will make available to the other of them (the “**Borrower**”) from time to time Securities (as hereinafter defined).
- B. All transactions carried out under this Agreement will be effected in accordance with the Rules (as hereinafter defined), if applicable, **together with** current market practices, customs and conventions, in so far as they are not inconsistent with the terms of this Agreement.

Operative provisions:

1 Interpretation

- 1.1 **[Definitions]** The terms defined in clause 26 and in Schedule 1 have the meanings therein specified for the purposes of this Agreement.
- 1.2 **[Inconsistency]** In the event of any inconsistency between the provisions of Schedule 1 and the other provisions of this Agreement, Schedule 1 will prevail. In the event of any inconsistency between the provisions (if any) of Schedule 3 and the other provisions of this Agreement (including Schedule 1), Schedule 3 will prevail. In the event of any inconsistency between the provisions of any Confirmation and this Agreement (including Schedules 1 and 3), such Confirmation will prevail for the purpose of the relevant transaction.
- 1.3 **[Single agreement]** All transactions are entered into in reliance on the fact that this Agreement and all Confirmations form a single agreement between the Parties (collectively referred to as this “**Agreement**”), and the Parties would not otherwise enter into any transactions.
- 1.4 **[Interpretation]** In this Agreement:
 - (a) Unless the context otherwise requires:
 - (i) The **singular** includes the plural and vice versa.
 - (ii) A **person** includes a corporation.
 - (iii) A **corporation** includes any body corporate and any statutory authority.
 - (iv) A reference to a statute, ordinance, code or other law or the Rules includes regulations or other instruments under it or them and consolidations, amendments, re-enactments or replacements of any of them.
 - (b) Notwithstanding the use of expressions such as “borrow”, “lend”, “Collateral”, “Margin”, “redeliver” etc., which are used to reflect terminology used in the market for transactions of the kind provided for in

this Agreement, all right, title and interest in and to Securities “borrowed” or “lent” and “Collateral” which one Party Transfers to the other in accordance with this Agreement (“**title**”) shall pass from one Party to the other free and clear of any liens, claims, charges or encumbrances or any other interest of the Transferring Party or of any third party (other than a lien routinely imposed on all securities in a relevant clearance system), the Party obtaining such title being obliged to redeliver Equivalent Securities or Equivalent Collateral, as the case may be. Each Transfer under this Agreement will be made so as to constitute or result in a valid and legally effective transfer of the Transferring Party’s legal and beneficial title to the recipient.

- (c) Where, in respect of any transaction, any distribution is made, or Income or fee is paid, other than in cash, the provisions of this agreement (other than clause 4.2(b)) shall apply, with necessary modifications, to the same extent as if the distribution, Income or fee had been made or paid in cash, and terms such as “pay” and “amount” shall be construed accordingly.

- 1.5 **[Headings]** All headings appear for convenience only and shall not affect the interpretation of this Agreement.
- 1.6 **[Currency conversion]** For the purposes of clauses 6, 8.3 and 8.4, when a conversion into the Base Currency is required, all prices, sums or values (including any Value, Offer Value and Bid Value) of Securities, Equivalent Securities, Collateral or Equivalent Collateral (including Cash Collateral) stated in currencies other than the Base Currency shall be converted into the Base Currency at the rate quoted by an Australian bank selected by the Lender (or, if an Event of Default has occurred in relation to the Lender, by the Borrower) at or about 11.00am (Sydney time) on the day of conversion as its spot rate for the sale by the bank of the Base Currency in exchange for the relevant other currency.
- 1.7 **[Other agreements]** Where at any time there is in existence any other agreement between the Parties the terms of which make provision for the lending of Securities (as defined in this Agreement) as well as other securities, the terms of this Agreement shall apply to the lending of such Securities to the exclusion of any other such agreement.
- 1.8 **[Nominees]** If payment is made or Securities, Equivalent Securities, Collateral or Equivalent Collateral is Transferred to a Party’s nominee or otherwise in accordance with the directions of a Party (whether by the other Party or by a third party), it shall be deemed, for the purposes of this agreement, to have been paid or made or Transferred to the first mentioned Party.

2 Loans of Securities

- 2.1 **[Borrowing Request and acceptance thereof]** The Lender will lend Securities to the Borrower, and the Borrower will borrow Securities from the Lender, in accordance with the terms and conditions of this Agreement and with the Rules. The terms of each Loan should be agreed prior to the commencement of the relevant Loan, either orally or in writing (including any agreed form of electronic communication) and confirmed in such form and on such basis as is agreed between the Parties. Any confirmation produced by a Party shall not supersede or prevail over the prior oral, written or electronic communication (as the case may be).

2.2 **[Changes to a Borrowing Request]** The Borrower has the right to reduce the amount of Securities referred to in, or otherwise vary, a Borrowing Request **provided that:**

- (a) the Borrower has notified the Lender of such reduction or variation no later than midday Australian Eastern standard or summer (as appropriate) time on the day which is two Business Days prior to the Settlement Date, unless otherwise agreed between the Parties, and
- (b) the Lender shall have accepted such reduction or variation (by whatever means).

3 **Delivery of Securities**

[Delivery of Securities] The Lender shall procure the delivery of Securities to the Borrower or deliver such Securities in accordance with the relevant agreement **together with** appropriate instruments of transfer (where necessary) duly stamped (where necessary) and such other instruments (if any) as may be requisite to vest title thereto in the Borrower. Such Securities shall be deemed to have been delivered by the Lender to the Borrower on delivery to the Borrower or as it shall direct of the relevant instruments of transfer and certificates or other documents of title (if any), or in the case of Securities title to which is registered in a computer based system which provides for the recording and transfer of title to the same by way of electronic entries (such as CHES), on the transfer of title in accordance with the rules and procedures of such system as in force from time to time, or by such other means as may be agreed.

4 **Title, Distributions and Voting**

4.1 **[Passing of title]** The Parties shall execute and deliver all necessary documents and give all necessary instructions to procure that all right, title and interest in:

- (a) any Securities borrowed pursuant to clause 2;
- (b) any Equivalent Securities redelivered pursuant to clause 7;
- (c) any Collateral delivered pursuant to clause 6;
- (d) any Equivalent Collateral redelivered pursuant to clauses 6 or 7,

shall pass from one Party to the other, free from all liens, charges, equities and encumbrances, on delivery or redelivery of the same in accordance with this Agreement. In the case of Securities, Collateral, Equivalent Securities or Equivalent Collateral title to which is registered in a computer based system which provides for the recording and transfer of title to the same by way of electronic entries, delivery and transfer of title shall take place in accordance with the rules and procedures of such system as in force from time to time.

4.2 **[Distributions]**

- (a) **[Distributions]** Unless otherwise agreed, where Income is paid by the issuer in relation to any Securities on or by reference to an Income Payment Date on which such Securities are the subject of a loan under this Agreement, the Borrower shall, on the date of the payment of such Income, or on such other date as the Parties may from time to time agree, (the

“**Relevant Payment Date**”) pay to the Lender a sum of money (a “**Substitute payment**”) equivalent to the amount that the Lender would have been entitled to receive (after any deduction, withholding or payment for or on account of any tax made by the relevant issuer (or on its behalf) in respect of such Income) had such Securities not been loaned to the Borrower and been held by the Lender on the Income Payment Date, irrespective of whether the Borrower received the same.

- (b) **[Corporate actions]** Subject to paragraph (c) (unless otherwise agreed), where, in respect of any borrowed Securities or any Collateral, any rights relating to conversion, subdivision, consolidation, pre-emption, rights arising under a takeover offer or other rights, including those requiring election by the holder for the time being of such Securities or Collateral, become exercisable prior to the redelivery of Equivalent Securities or Equivalent Collateral, then the Lender or Borrower, as the case may be, may, within a reasonable time before the latest time for the exercise of the right or option, give written notice to the other Party that, on redelivery of Equivalent Securities or Equivalent Collateral, as the case may be, it wishes to receive Equivalent Securities or Equivalent Collateral in such form as will arise if the right is exercised or, in the case of a right which may be exercised in more than one manner, is exercised as is specified in such written notice.
- (c) **[1936 Tax Act sections 26BC(3)(c)(ii) and (v) requirements]** Notwithstanding paragraph (b), where, in respect of any borrowed Securities or any Collateral, the relevant issuer company, trustee, government or government authority issues any right or option in respect of the borrowed Securities or Collateral, as the case may be, the Borrower or the Lender, respectively, must deliver or make available, as the case may be, to the other Party on the date of such issue or on such other date as the Parties may from time to time agree:
- (i) the right, or option; or
 - (ii) an identical right or option; or
 - (iii) a payment equal to the value to the Lender or the Borrower, respectively, of the right or option;
- together with any such endorsements or assignments as shall be customary and appropriate.
- (d) **[Manner of payment]** Any payment to be made by the Borrower under this clause shall be made in a manner to be agreed between the Parties.

- 4.3 **[Voting]** Unless paragraph 4 in Schedule 1 specifies that this clause 4.3 does not apply, each Party undertakes that, where it holds Securities of the same description as any Securities borrowed by it or transferred to it by way of Collateral at a time when a right to vote arises in respect of such Securities, it will use its best endeavours to arrange for the voting rights attached to such Securities to be exercised in accordance with the instructions of the other Party **provided always that** each Party shall use its best endeavours to notify the other of its instructions in writing no later than seven Business Days prior to the date upon which such votes are exercisable, or as otherwise agreed between the Parties, and that the Party concerned shall not be obliged so to exercise the votes in respect of the number of Securities greater than the number so lent or transferred to it. For the avoidance of

doubt, the Parties agree that, subject as hereinbefore provided, any voting rights attaching to the relevant Securities, Equivalent Securities, collateral and/or Equivalent Collateral shall be exercisable by the persons in whose name they are registered, or in the case of Securities, Equivalent Securities, collateral and/or Equivalent Collateral in bearer form by the persons by or on behalf of whom they are held, and not necessarily by the Borrower or the Lender (as the case may be).

5 Fees

- 5.1 **[Fees]** In respect of each loan of Securities:
- (a) for which the Collateral is cash:
 - (i) the Lender must pay a fee to the Borrower in respect of the amount of that Collateral, calculated at the rate agreed between them; and
 - (ii) unless the Parties otherwise agree, the Borrower is not obliged to pay a fee to the Lender;
 - (b) for which there is no Cash Collateral, the Borrower must pay a fee to the Lender, calculated at the rate agreed between them.
- 5.2 **[Where there are different types of Collateral]** Where the Collateral comprises only partly cash, clause 5.1 is to be construed as if there were separate loans of Securities, one secured solely by Cash Collateral and the other secured solely by non-cash Collateral.
- 5.3 **[Calculation of fees]** In respect of each loan of Securities, the payments referred to in clause 5.1 of this clause shall accrue daily in respect of the period commencing on and inclusive of the Settlement Date and terminating on and exclusive of the Business Day upon which Equivalent Securities are redelivered or Cash Collateral is repaid. Unless otherwise agreed, the sums so accruing in respect of each calendar month shall be paid in arrears by the Borrower to the Lender or to the Borrower by the Lender (as the case may be) not later than the Business Day which is one week after the last Business Day of the calendar month to which such payment relates or such other date as the Parties from time to time agree. Any payment made pursuant to clause 5.1 shall be in Australian currency, unless otherwise agreed, and shall be paid in such manner and at such place as shall be agreed between the Parties.

6 Collateral

- 6.1 **[Borrower's obligation to provide Collateral]** Unless otherwise agreed, subject to the other provisions of this clause 6, the Borrower undertakes to deliver to or deposit with the Lender (or in accordance with the Lender's instructions) Collateral of the kind specified in the relevant Borrowing Request or as otherwise agreed between the Parties (together with appropriate instruments of transfer duly stamped (where necessary) and such other instruments as may be requisite to vest title thereto in the Lender) simultaneously with delivery of the borrowed Securities by the Lender.
- 6.2 **[Global margining]**
- (a) **[Adjustments to Collateral]** Unless otherwise agreed between the Parties, subject to paragraph (b), clause 6.4 and paragraph 1.5 in Schedule 1:
 - (i) The aggregate Value of the Collateral delivered to or deposited with the Lender or its nominated bank or depositary (excluding any

Collateral repaid or redelivered under paragraph (ii) below (as the case may be)) in respect of **all** loans of Securities outstanding under this Agreement (“**Posted Collateral**”) shall from day to day and at any time be at least the aggregate of the Required Collateral Values in respect of such loans.

- (ii) If at any time the aggregate Value of the Posted Collateral in respect of all loans of Securities outstanding under this Agreement exceeds the aggregate of the Required Collateral Values in respect of such loans, the Lender shall (on demand) repay such Cash Collateral and/or redeliver to the Borrower such Equivalent Collateral as will eliminate the excess.
 - (iii) If at any time the aggregate Value of the Posted Collateral in respect of all loans of Securities outstanding under this Agreement falls below the aggregate of Required Collateral Values in respect of all such loans, the Borrower shall (on demand) provide such further Collateral to the Lender as will eliminate the deficiency.
- (b) **[Netting of Collateral obligations where a Party is both Lender and Borrower]** Unless otherwise agreed between the Parties, subject to clause 6.4 and paragraph 1.5 in Schedule 1, where paragraph (a) applies, if a Party (the “**first Party**”) would, but for this paragraph, be required under paragraph (a) to repay Cash Collateral, redeliver Equivalent Collateral or provide further Collateral in circumstances where the other Party (the “**second Party**”) would, but for this paragraph, also be required to repay Cash Collateral, redeliver Equivalent Collateral or provide further Collateral under paragraph (a), then the Value of the Cash Collateral, Equivalent Collateral or further Collateral deliverable by the first Party (“**X**”) shall be set-off against the Value of the Cash Collateral, Equivalent Collateral or further Collateral deliverable by the second Party (“**Y**”) and the only obligation of the Parties under paragraph (a) shall be, where X exceeds Y, an obligation of the first Party, or where Y exceed X, an obligation of the second Party, (on demand) to repay Cash Collateral, redeliver Equivalent Collateral or deliver further Collateral having a Value equal to the difference between X and Y.
- 6.3 **[Required Collateral Value]** For the purposes of clause 6.2(a), the Value of the Posted Collateral to be delivered or deposited in respect of any loan of Securities, while the loan of Securities continues, shall be equal to the aggregate of the Value of the borrowed Securities and the Margin applicable thereto (the “**Required Collateral Value**”).
- 6.4 **[Time for payment/repayment of Collateral]** Except as provided in clause 6.1 or clause 6.6 or as otherwise agreed, where any Cash Collateral is to be repaid, Equivalent Collateral is to be redelivered or further Collateral is to be provided under this clause 6, it shall be paid or delivered as stated in paragraph 1.4 in Schedule 1.
- 6.5 **[Substitution of Alternative Collateral]** The Borrower may from time to time call for the repayment of Cash Collateral or the redelivery of Equivalent Collateral prior to the date on which the same would otherwise have been repayable or redeliverable,

provided that, at the time of such repayment or redelivery, the Borrower shall have delivered or delivers Alternative Collateral acceptable to the Lender.

6.6 **[Return of Collateral/Equivalent Collateral on redelivery of Equivalent Securities]**

- (a) Cash Collateral shall be repaid and Equivalent Collateral shall be redelivered at the same time as Equivalent Securities in respect of the Securities borrowed are redelivered.
- (b) Where Collateral is provided through a book entry transfer system (such as Austraclear or RITS), the obligation of the Lender shall be to redeliver Equivalent Collateral through such book entry transfer system in accordance with this Agreement. If the loan of Securities in respect of which Collateral was provided has not been discharged when the Equivalent Collateral is redelivered, any payment obligation generated within the book entry transfer system on such redelivery shall, until the loan of Securities is discharged or further Collateral is provided, be deemed to constitute an obligation to pay Cash Collateral.

6.7 **[Receipt by Lender of Income on Collateral]** Where Collateral (other than Cash Collateral) is delivered in respect of which any Income may become payable and an Income Payment Date in respect of that Collateral occurs prior to the redelivery of Equivalent Collateral, then, unless such Income is paid directly to the Borrower, the Lender shall, on the date on which such Income is paid or on such other date as the Parties may from time to time agree, pay to the Borrower a sum of money (a “**Substitute payment**”) equivalent to the amount of such Income that (after any deduction, withholding or payment for or on account of any tax made by the relevant issuer (or on its behalf) in respect of such Income) the Lender either actually received, or would have been entitled to receive had such Collateral been held by the Lender on the Income Payment Date, irrespective of whether the Lender received the same. If the Lender is required by law, as modified by the practice of any relevant taxing authority, to make any deduction or withholding from any Substitute payment to be made under the preceding sentence, then the Lender must:

- (a) promptly pay to the relevant taxing authority the full amount of the deduction or withholding; and
- (b) forward to the Borrower on request a copy of any official receipt or other evidence showing that the full amount of any such deduction or withholding has been paid over to the relevant taxing authority.

6.8 **[Borrower’s rights re Collateral are not assignable]** The Borrower may not assign, transfer or otherwise dispose of, or mortgage, charge or otherwise encumber, or otherwise deal with its rights in respect of any Collateral without the prior written consent of the Lender.

6.9 **[Lender may set off obligation to repay or return Equivalent Collateral]** If the Borrower fails to comply with its obligation to redeliver Equivalent Securities, the obligation of the Lender in respect of any Collateral may be the subject of a set-off in accordance with clause 8.

6.10 **[Collateral provided to Lender’s Nominee]** Without limiting clause 1.8, where Collateral is provided to the Lender’s nominee, any obligation under this Agreement to repay or redeliver or otherwise account for Equivalent Collateral shall be an

obligation of the Lender, notwithstanding that any such repayment or redelivery may be effected in any particular case by the nominee.

- 6.11 **[Letters of Credit]** If the Collateral in respect of one or more loans of Securities is or includes a letter of credit, the Lender may only draw down under that letter of credit when an Event of Default occurs in relation to the Borrower and, upon the Lender drawing down, whether or not permitted under this clause 6.11, the Collateral (or that part of it represented by the letter of credit) becomes Cash Collateral.
- 6.12 **[Non-Cash Collateral]** If the Collateral in respect of one or more loans of Securities is or includes other Securities and either the Borrower is a taxpayer to whom the Tax Act applies in respect of the disposal of those other Securities or in any other case the Parties so agree:
- (a) The Parties acknowledge that the provision of those other Securities is by way of a loan of Securities under this Agreement, to which section 26BC(3)(a) of the 1936 Tax Act may apply (subject to the re-acquisition time being less than 12 months after the original disposal time).
 - (b) For the purposes of section 26BC(3)(d) of the 1936 Tax Act, the notifiable consideration in respect of the provision of those Securities by way of loan is specified as follows:
 - (i) There is no fee.
 - (ii) There is no adjustment for variations in the market value of the Collateral or Equivalent Collateral.
 - (iii) There is other consideration: see the obligations of the recipient of the Collateral under clauses 4.2(b), 4.2(c), 4.3 and 6.7.
 - (c) For the avoidance of doubt, this clause 6.12 is directed solely at clarifying either or both of the following issues: that the provision of the other Securities as Collateral is eligible for the application of first section 26BC and secondly, where applicable, sections 216-10 and 216-30 of the 1997 Tax Act. Accordingly, clauses 2, 4.2(a), 5, 6.1 to 6.11, 7, 8, 9.1, 9.2 (unless otherwise agreed), 9.4 and 12 do not apply to any loan of Securities under paragraph (a). Instead, those Securities are simply to be regarded as Collateral for the purposes of those clauses.

7 Redelivery of Equivalent Securities

- 7.1 **[Borrower's obligation to redeliver Equivalent Securities]** The Borrower undertakes to redeliver Equivalent Securities in accordance with this Agreement and the terms of the relevant Borrowing Request.
- 7.2 **[Lender may call for redelivery of Equivalent Securities]** Subject to clause 8 and the terms of the relevant Borrowing Request, the Lender may call for the redelivery of all or any Equivalent Securities at any time by giving notice on any Business Day of not less than the Standard Settlement Time for such Equivalent Securities or the equivalent time on the exchange or in the clearing organisation through which the relevant borrowed Securities were originally delivered. The Borrower shall as hereinafter provided redeliver such Equivalent Securities not later than the expiry of such notice in accordance with the Lender's instructions.

- 7.3 **[Lender may terminate loan if Borrower defaults]** If the Borrower does not redeliver Equivalent Securities in accordance with such call, the Lender may elect to continue the loan of Securities; **provided that**, if the Lender does not elect to continue the loan, the Lender may by written notice to the Borrower elect to terminate the relevant loan. Upon the expiry of such notice the provisions of clauses 8.2 to 8.5 shall apply as if upon the expiry of such notice an Event of Default had occurred in relation to the Borrower (who shall thus be the Defaulting Party for the purposes of this Agreement) and as if the relevant loan were the only loan outstanding.
- 7.4 **[Consequence of exercise of “buy-in” against Lender, as a result of Borrower default]** In the event that, as a result of the failure of the Borrower to redeliver Equivalent Securities to the Lender in accordance with this Agreement, a “buy-in” is exercised against the Lender, then, provided that reasonable notice has been given to the Borrower of the likelihood of such a “buy-in”, the Borrower shall account to the Lender for the total costs and expenses reasonably incurred by the Lender as a result of such “buy-in”.
- 7.5 **[Right of Borrower to terminate loan early]** Subject to the terms of the relevant Borrowing Request, the Borrower shall be entitled at any time to terminate a particular loan of Securities and to redeliver all and any Equivalent Securities due and outstanding to the Lender in accordance with the Lender’s instructions.

7A Suspended Securities

- 7A.1 This clause 7A applies if:
- (a) dealings in any borrowed Securities or Collateral Securities are suspended from trading by the stock exchange on which the Securities were listed at the time of delivery under this Agreement, whether by reason of the adverse position of the issuer or otherwise; or
 - (b) for any other reason concerning the issuer of those Securities (such as the liquidation, provisional liquidation, administration or receivership of the issuer, or the Securities ceasing to be listed for trading on the stock exchange on which they were listed at the time of delivery under this Agreement), or concerning the exchange or clearing house through which they are traded, one Party is unable to transfer title to those Securities or Equivalent Securities to the Other Party.
- 7A.2 At any time while a situation described in clause 7A.1 prevails in relation to particular borrowed or Collateral Securities (the “**Suspended Securities**”), either the Lender or the Borrower may give notice (a “**Suspension Notice**”) to the other, in which event clauses 7A.3 and 7A.4 shall apply.
- 7A.3 If a Suspension Notice is given, the Borrower and the Lender shall promptly enter into negotiations in good faith with a view to promptly agreeing the market value of the Suspended Securities for the purposes of this clause 7A. Neither the Borrower nor the Lender may unreasonably withhold or delay its agreement to a market value reasonably proposed by the other Party.
- 7A.4 Any market value agreed under clause 7A.3 applies to the Suspended Securities notwithstanding the definition of Value in clause 26.

8 Set-off etc.

- 8.1 **[Requirement for simultaneous delivery]** On the date and time that Equivalent Securities are required to be redelivered by the Borrower in accordance with the provisions of this Agreement the Lender shall simultaneously redeliver the Equivalent Collateral and repay any Cash Collateral held (in respect of the Equivalent Securities to be redelivered) to the Borrower. Neither Party shall be obliged to make delivery (or make a payment as the case may be) to the other unless it is satisfied that the other Party will make such delivery (or make an appropriate payment as the case may be) to it simultaneously. If it is not so satisfied (whether because an Event of Default has occurred in respect of the other Party or otherwise), it shall notify the other Party and, unless that other Party has made arrangements which are sufficient to assure full delivery (or the appropriate payment as the case may be) to the notifying Party, the notifying Party shall (provided it is itself in a position, and willing, to perform its own obligations) be entitled to withhold delivery (or payment, as the case may be) to the other Party.
- 8.2 **[Netting following occurrence of Event of Default]** If an Event of Default occurs in relation to either Party, the Parties' delivery and payment obligations (and any other obligations they have under this Agreement) shall be accelerated so as to require performance thereof at the time such Event of Default occurs (the date of which shall be the "**Performance Date**" for the purposes of this clause), and in such event:
- (a) the Relevant Value of the Securities to be delivered (or payment to be made, as the case may be) by each Party shall be established in accordance with clause 8.3; and
 - (b) on the basis of the Relevant Values so established, an account shall be taken (as at the Performance Date) of what is due from each Party to the other and (on the basis that each Party's claim against the other in respect of delivery of Equivalent Securities or Equivalent Collateral or any cash payment equals the Relevant Value thereof) the sums due from one Party shall be set-off against the sums due from the other and only the balance of the account shall be payable (by the Party having the claim valued at the lower amount pursuant to the foregoing) and such balance shall be payable on the Performance Date.
- 8.3 **[Relevant Value]** For the purposes of clause 8.2 the Relevant Value:
- (a) of any cash payment obligation shall equal its par value (disregarding any amount taken into account under (b) or (c) below);
 - (b) of any Securities to be delivered by the Defaulting Party shall, subject to clause 8.4(b) and (c) below, equal the Offer Value thereof; and
 - (c) of any Securities to be delivered to the Defaulting Party shall, subject to clause 8.4(b) and (c) below, equal the Bid Value thereof.
- 8.4 **[Bid Value/Offer Value]**
- (a) For the purposes of clause 8.3, but subject to (b) and (c) below, the Bid Value and Offer Value of any Securities shall be calculated as at the Close of Business in the most appropriate market for Securities of the relevant description (as determined by the Non-Defaulting Party) on the first Business Day following the Performance Date, or, if the relevant Event of

Default occurs outside the normal business hours of such market, on the second Business Day following the Performance Date (the “**Default Valuation Time**”).

- (b) Where the Non-Defaulting Party has, following the occurrence of an Event of Default but prior to the Default Valuation Time, purchased Securities forming part of the same issue and being of an identical type and description to those to be delivered by the Defaulting Party and in substantially the same amount as those Securities or sold Securities forming part of the same issue and being of an identical type and description to those to be delivered by the Non-Defaulting Party to the Defaulting Party and in substantially the same amount as those Securities, the cost of such purchase or the proceeds of such sale, as the case may be, (taking into account all reasonable costs, fees and expenses that would be incurred in connection therewith) shall be treated as the Offer Value or Bid Value, as the case may be, of the relevant Securities for the purposes of this clause 8.
- (c) Where the amount of any Securities sold or purchased as mentioned in (b) above is not in substantially the same amount as those Securities to be valued for the purposes of clause 8.3, the Offer Value or the Bid Value (as the case may be) of those Securities shall be ascertained by:
 - (i) dividing the net proceeds of sale or cost of purchase by the amount of the Securities sold or purchased so as to obtain a net unit price; and
 - (ii) multiplying that net unit price by the amount of the Securities to be valued.

8.5 **[Interpretation: “Securities”]** Any reference in this clause 8 to Securities shall include any asset other than cash provided by way of Collateral, and, for the avoidance of doubt, shall include Equivalent Securities and Equivalent Collateral.

8.6 **[Interpretation: “Event of Default”]** If the Borrower or the Lender for any reason fails to comply with its respective obligations under clause 6.6 in respect of the redelivery of Equivalent Collateral or the repayment of Cash Collateral, such failure shall be an Event of Default for the purposes of this clause 8, and the person failing to comply shall thus be the Defaulting Party.

8.7 **[Waiver of right to require simultaneous delivery]** Subject to and without prejudice to its rights under clause 8.1, either Party may from time to time in accordance with market practice and in recognition of the practical difficulties in arranging simultaneous delivery of Securities, Collateral and cash transfers waive its right under this Agreement in respect of simultaneous delivery and/or payment; **provided that** no such waiver in respect of one transaction shall bind it in respect of any other transaction.

9 Stamp duty, taxes etc and loss of tax benefits

9.1 **[Stamp duty etc]** The Borrower hereby undertakes promptly to pay and account for any transfer or similar duties or taxes, and any loan security or other stamp duties, (if any) chargeable in connection with any transaction effected pursuant to or contemplated by this Agreement, and shall indemnify and keep indemnified the Lender against any liability arising in respect thereof as a result of the Borrower’s failure to do so.

9.2 **[Borrower to give Transfer of Distribution Statement to Lender re Franked Distributions]** If:

- (a) an Income Payment Date occurs during an Income Determination Period in relation to a particular loan of Securities;
- (b) had the Lender been the holder of those Securities on the relevant Income Payment Date, it would have received a Franked Distribution in respect of those Securities;
- (c) the Agreement or the relevant Confirmation states that the Lender is an Australian Taxpayer;
- (d) the failure of the Lender to receive a Franked Distribution is not due to any unreasonable act or omission by or on behalf of the Lender; and
- (e) neither paragraph 7 in Schedule 1 nor the relevant Confirmation states that the Lender is **not** entitled to compensation for the loss of Imputation Benefits;

then:

- (f) the Borrower must either:
 - (i) if section 216-10 of the 1997 Tax Act applies, as soon as practicable, and in any event within 10 Business Days after the relevant Income Payment Date, give to the Lender a Transfer of Distribution Statement in respect of those Securities (which the Borrower is to be taken as having warranted is correct in all material respects and is effective for the purposes of section 216-30 of the 1997 Tax Act); or
 - (ii) otherwise, on the 10th Business Day after the relevant Income Payment Date pay to the Lender an amount equal to the Franking Credit allocated (or, under section 202-65 of the 1997 Tax Act, taken to have been allocated) to the Franked Distribution and specified in the Distribution Statement for that Franked Distribution.

- (b) If all or part of any such payment is the consideration for a Taxable Supply, then, when the payer makes the payment, the payer must, after receipt of a

Tax Invoice, pay to the supplier additional consideration equal to the GST Amount. Such additional amount is to be paid on the earlier of:

- (i) the date of the first payment for the Taxable Supply; and
 - (ii) the date five Business Days after the date on which the Tax Invoice for the Taxable Supply is received by the payer.
- (c) Where under or in connection with this Agreement a Party is required to reimburse or indemnify for an amount, that Party will pay the relevant amount:

 - (ii) less any GST Input Tax Credit that that Party determines (acting reasonably) that the payee is entitled to claim in respect of the circumstances giving rise to the operation of the indemnity or right of reimbursement.
- (d) If a person is a member of a GST Group, references to GST for which the person is liable and to Input Tax Credits to which the person is entitled include GST for which the Representative Member of the GST Group is liable and Input Tax Credits to which the Representative Member is entitled.

Such additional amount is to be paid on demand by the supplier.
 - (c) Where under or in connection with this Agreement a Party is required to reimburse or indemnify for an amount, that Party will pay the relevant amount:
 - (i) including any sum in respect of non-Australian GST which has been paid by the payee upon any supply made to the payee in connection with the circumstances giving rise to the operation of the indemnity or right of reimbursement;

 - (i) pay to the other Party, in addition to the payment to which that other Party is otherwise entitled under this Agreement, such additional amount as is necessary to ensure that the net amount (free and clear of any taxes payable by deduction or withholding, whether assessed against one Party or the other) will equal the full amount that that other Party would have received had no such deduction or withholding been required;
 - (ii) promptly pay to the relevant taxing authority the full amount of the deduction or withholding by the payer; and

and the Non-Defaulting Party serves a further written notice on the Defaulting Party.

- 12.2 **[Obligation of each Party to notify its Event of Default]** Each Party shall notify the other if an event occurs which would constitute an Event of Default in relation to it with the giving of notice.

14 Transactions entered into as agent

- 14.1 **[Agency Transactions]** Subject to the following provisions of this clause, the Lender may enter into loans as agent (in such capacity, the “**Agent**”) for a third person (a “**Principal**”), whether as custodian or investment manager or otherwise (a loan so entered into being referred to in this clause as an “**Agency Transaction**”).
- 14.2 **[Conditions for Agency Transactions]** A Lender may enter into an Agency Transaction if, but only if:
- (a) it specifies that loan as an Agency Transaction at or before the time when it enters into it;
 - (b) it enters into that loan on behalf of a single Principal whose identity is disclosed to the Borrower (whether by name or by reference to a code or identifier which the Parties have agreed will be used to refer to a specified Principal) at the time when it enters into the loan or as otherwise agreed between the Parties;
 - (c) it has at the time when the loan is entered into actual authority to enter into the loan and to perform on behalf of that Principal all of that Principal’s obligations under the agreement referred to in clause 14.4(b) below; and

- 14.3 **[Undertakings by Lender]** The Lender undertakes that, if it enters as agent into an Agency Transaction, forthwith upon becoming aware:
- (a) of any event which constitutes an Act of Insolvency with respect to the relevant Principal; or
 - (b) of any breach of any of the warranties given in clause 14.5 below or of any event or circumstance which has the result that any such warranty would be untrue if repeated by reference to the current facts,

it will inform the Borrower of that fact and will, if so required by the Borrower, furnish it with such additional information as it may reasonably request.

14.4 [Consequences of Agency Transaction]

- (a) Each Agency Transaction shall be a transaction between the relevant Principal and the Borrower and no person other than the relevant Principal and the Borrower shall be a party to or have any rights or obligations under an Agency Transaction. Without limiting the foregoing, the Lender shall not be liable as principal for the performance of an Agency Transaction or for breach of any warranty contained in clause 10(d) of this Agreement, but this is without prejudice to any liability of the Lender under any other provision of this clause.
- (b) All the provisions of the Agreement shall apply separately as between the Borrower and each Principal for whom the Agent has entered into an Agency Transaction or Agency Transactions as if each such Principal were a party to a separate agreement with the Borrower in all respects identical with this Agreement other than this paragraph and as if the Principal were Lender in respect of that agreement; **provided that:**
 - (i) if there occurs in relation to the Agent an Event of Default or an event which would constitute an Event of Default if the Borrower served written notice under any paragraph of clause 12, the Borrower shall be entitled by giving written notice to the Principal (which notice shall be validly given to the Lender in accordance with clause 20) to declare that, by reason of that event, an Event of Default is to be treated as occurring in relation to the Principal. If the Borrower gives such a notice, then an Event of Default shall be treated as occurring in relation to the Principal at the time when the notice is deemed to be given; and
 - (ii) if the Principal is neither incorporated nor has established a place of business in Australia, the Principal shall for the purposes of the agreement referred to in the preamble in this paragraph (b) be deemed to have appointed as its agent to receive on its behalf service of process in the courts of Australia the Agent, or, if the Agent is neither incorporated nor has established a place of business in Australia, the person appointed by the Agent for the purposes of this Agreement, or such other person as the Principal may from time to time specify in a written notice given to the other party.
- (c) The foregoing provisions of this clause do not affect the operation of the Agreement as between the Borrower and the Lender in respect of any transactions into which the Lender may enter on its own account as principal.

14.5 [Warranty by Lender] The Lender warrants to the Borrower that it will, on every occasion on which it enters or purports to enter into a transaction as an Agency Transaction, have been duly authorised to enter into that loan and perform the obligations arising thereunder on behalf of the person whom it specifies as the Principal in respect of that transaction and to perform on behalf of that person all the obligations of that person under the agreement referred to in clause 14.4(b).

15 Termination of course of dealings by notice

Each Party shall have the right to bring the course of dealing contemplated under this Agreement to an end by giving not less than 15 Business Days' notice in writing to the other Party (which notice shall specify the date of termination), subject to an obligation to ensure

that all loans which have been entered into but not discharged at the time such notice is given are duly discharged in accordance with this Agreement and with the Rules (if applicable).

18 Severance

If any provision of this Agreement is declared by any judicial or other competent authority to be void or otherwise unenforceable, that provision shall be severed from the Agreement and the remaining provisions of this Agreement shall remain in full force and effect. The Agreement shall, however, thereafter be amended by the Parties in such reasonable manner so as to achieve, without illegality, the intention of the Parties with respect to that severed provision.

19 Specific performance

Each Party agrees that, in relation to legal proceedings, it will not seek specific performance of the other Party's obligation to deliver or redeliver Securities, Equivalent Securities, Collateral or Equivalent Collateral, but without prejudice to any other rights it may have.

Neither Party may assign, transfer or otherwise dispose of all or any of its rights or obligations under this Agreement without the prior written consent of the other Party.

22 Non-Waiver

“**Close-Out Event** means the occurrence of an Event of Default, Termination Event, Cancellation Event or any other event or circumstance, however described, which (i) entitles a Party to terminate a Transaction; (ii) causes automatically the termination of a Transaction; or (iii) with the giving of notice or the lapse of time or both, would entitle a Party to terminate a Transaction or cause automatically the termination of a Transaction.”

“**Close-out and Netting Provisions** means in relation to this Agreement, paragraphs 8.2 and 8.3 (as amended by this Schedule 3) and in relation to the ISDA, Section 6(e).”

“**Derivative Confirmation**” means a confirmation evidencing the terms of a loan and equity collar transaction referencing the shares of AGL Energy Limited (and such transaction being the “**Derivative Transaction**”). The Derivative Confirmation supplements, forms part of and is subject to an agreement in the form of a 2002 ISDA Master Agreement (the “**ISDA**”).

“**Master Agreement** means either this Agreement or the ISDA, in each case as supplemented by the terms of each Master Confirmation and Transaction Supplement or the Derivative Confirmation (as applicable).”

“**Net Termination Amount** means, in relation to a Master Agreement, the net balance payable by one Party to the other under such Master Agreement, following the occurrence of a Close-out Event in relation to either Party or as the case may be, both Parties, under the applicable Close-out and Netting Provisions;

“**Transaction** means a transaction governed by the ISDA”;

- (d) deleting and replacing “Australian Stock Exchange Limited” with “Australian Securities Exchange Limited” in the definition of “**Stock Exchange**”.

19 Clause 28

The following new clause 28 is inserted:

“28. Payment and Settlement Set-off:

- (a) If, on any date, amounts payable in the same currency under each Master Agreement or in respect of one or more Transactions thereunder by each Party to the other (including without limitation, any Early Termination Amount determined under and as defined in the ISDA), then, on such date, each Party’s obligation to pay any such amount will be set-off against the other Party’s payment obligation to pay such amount such that if the aggregate amount payable by one Party exceeds the aggregate amount payable by the other Party, the obligations of each Party in respect of these payments will be fully discharged by the Party by whom the larger aggregate amount would have been payable paying to the other Party the excess of the larger aggregate amount over the smaller aggregate amount.
- (b) If, on any date, securities are deliverable in respect of one or more Transactions by each Party to the other, then, on such date, each Party’s obligation to deliver such securities will be set-off against the other Party’s obligation to deliver such securities such that if the aggregate number of such securities deliverable by one Party exceeds the aggregate number deliverable by the other Party, the obligations of each Party in respect of those deliveries will be fully discharged by the Party by whom the larger aggregate number would have been deliverable delivering to the other Party securities in a number equal to the excess of the larger aggregate number over the smaller aggregate number.
- (c) Each payment and delivery obligation of each Party under each Transaction is subject to the condition precedent that no Event of Default or Potential Event of Default under the ISDA with respect to the other party has occurred and is continuing in respect of that Party (whether or not in respect of the same Transaction).”

20 Clause 29

The following new clause 29 is inserted:

“29. Termination:

- (a) Without prejudice to clause 12 of the Agreement, prior to the relevant Scheduled Termination Date (as set out in the Master Confirmation), each Loan may only be terminated (in whole or in part) by Borrower, at any time by procuring the Delivery of Equivalent Securities to the Secured Securities Account (as defined in the Master Confirmation) and Lender shall accept such Delivery.
- (b) The Parties agree and acknowledge that each delivery by Borrower to Lender of Equivalent Securities shall be allocated to the then outstanding Loan(s) with the earliest Settlement Date(s) on a first in, first out basis.
- (c) Following any termination in part of any Loan, any part of that Loan that is not terminated shall continue in accordance with its terms and the Quantity (as defined in the Master Confirmation), where applicable, in respect of that Loan will be reduced to reflect such termination in part.”

21 Clause 30

The following new clause 30 is inserted:

“30. Delivery Notice:

Prior to the termination of a Loan pursuant to clause 29 above or on the Scheduled Termination Date, upon request by Borrower, Lender shall provide to Borrower written notice (which notice may be provided by email) (the “**Delivery Notice**”) confirming that no event described in (A) Section 5(a)(vii) (Bankruptcy) of the ISDA or (B) the definition of “Act of Insolvency” (as amended by this Schedule 3) has occurred or is continuing with respect to Lender.

The Delivery Notice must be delivered to Borrower no later than the date which is five (5) Business Days prior to the Scheduled Termination Date.”

22 **Clause 31**

The following new clause 31 is inserted:

“31. **The Derivative Confirmation:**

If JPMorgan makes any determination under, adjustment to, amendment of or decision in respect of the Derivative Transaction in its role as Calculation Agent, then JPMorgan may, acting in good faith and in a commercially reasonable manner, make any corresponding or related determination under, adjustment to, amendment of or decision in respect of this Agreement and the terms of any Loan (including, without limitation, any additional payment obligation or any adjustment to any actual or contingent payment or delivery obligation under this Agreement) as JPMorgan determines in good faith and in a commercially reasonable manner is appropriate in view of such determination under, adjustment to, amendment of or decision in respect of the Derivative Transaction, provided that:

- (a) prior to making such determination under, adjustment to, amendment of or decision in respect of this Agreement or any relevant Loan, JPMorgan shall consult with the Counterparty in good faith regarding such determination, adjustment, amendment or decision, provided that if JPMorgan and Counterparty are unable to reach an agreement as to the relevant determination, adjustment, amendment or decision within two Business Days from the date that JPMorgan contacts (or attempts to contact, as the case may be) Counterparty regarding such consultation (including, for the avoidance of doubt, in the case of JPMorgan being unable to contact, or not receiving any response from, the Counterparty by the end of the two-Business Day period), JPMorgan shall have the right to make any determination under, adjustment to, amendment of or decision in respect of this Agreement and the terms of any Loan as it determines in good faith and in a commercially reasonable manner is appropriate; and
- (b) after making any such determination under, adjustment to, amendment of or decision in respect of this Agreement or any relevant Loan, JPMorgan shall provide the Counterparty with reasonable details relating to such determination, adjustment, amendment or decision.”

23 **Clause 32**

The following new clause 32 is inserted:

“32. **Set Off of Net Termination Amounts:**

34.1 If following the occurrence or deemed occurrence of a Close-Out Event, a Net Termination Amount falls to be calculated in respect of both Master Agreements then:

-
- (a) notwithstanding any other provisions of the relevant Master Agreements, the Net Termination Amount payable in respect of each Master Agreement will be due and payable on the later of (i) the date when such amount falls due and payable pursuant to the Master Agreement under which such Net Termination Amount arises and (ii) the date when the relevant Net Termination Amount falls due pursuant to the other Master Agreement; and
 - (b) if a Net Termination Amount is due by each Party, such Net Termination Amounts will be set off against each other and only the balance (the "**Net Sum**") will be payable by the Party from whom the larger Net Termination Amount is due.

34.2 The Net Sum payable by one Party to the other Party will be paid in the Base Currency by close of business on the due date determined in accordance with this Clause 34. Any such amount which is not paid on the due date will bear interest at the Default Rate (as defined in the ISDA) for each day for which such amount remains unpaid. Such interest will be calculated on the basis of daily compounding and the actual number of days elapsed. Interest to be paid in accordance with this provision will be capitalised if due for a period in excess of one year."

24 **Clause 33**

The following new clause 33 is inserted:

"33. **Limitation of liability:**

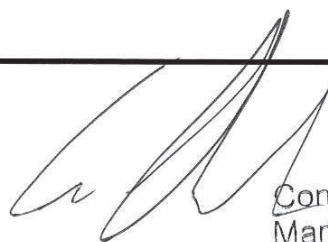

- (a) CBC Co Pty Limited ("**Trustee**") enters into and performs this Agreement and the transactions it contemplates only as trustee of the Trust, except where expressly stated otherwise. This applies also in respect of any past and future conduct (including omissions) relating to this Agreement or those transactions.
- (b) Under and in connection with this Agreement and those transactions and conduct:
 - (i) Trustee's liability (other than any liability arising from the Trustee's gross negligence, wilful default and/or fraud) is limited to the extent it can be satisfied out of the assets of the Trust. Trustee need not pay any such liability out of other assets;
 - (ii) another party may only do the following with respect to Trustee (but any resulting liability remains subject to the limitations in this clause):
 - (A) prove and participate in, and otherwise benefit from, any form of insolvency administration of Trustee but only with respect to Trust assets;
 - (B) exercise rights and remedies with respect to Trust assets, including set-off;
 - (C) enforce its security (if any) and exercise contractual rights; and
 - (D) bring any other proceedings against Trustee, seeking relief or orders that are not inconsistent with the limitations in this clause

and may not:

- (E) bring other proceedings against Trustee;
 - (F) take any steps to have Trustee placed into any form of insolvency administration (but this does not prevent the appointment of a receiver, or a receiver and manager, in respect of Trust assets); or
 - (G) seek by any means (including set-off) to have a liability of Trustee to that party (other than any liability arising from the Trustee's gross negligence, wilful default and/or fraud) satisfied out of any assets of Trustee other than Trust assets.
- (c) Paragraphs (a) and (b) apply despite any other provision in this Agreement but do not apply with respect to any liability of the Trustee to another party:
- (i) to the extent that Trustee has no right or power to have Trust assets applied towards satisfaction of that liability, or its right or power to do so is subject to a deduction, reduction, limit or requirement to make good, in either case because Trustee's behaviour was beyond power or improper in relation to the Trust (including due to Trustee's gross negligence, wilful default and/or fraud); or
 - (ii) under any provision which expressly binds Trustee other than as trustee of the Trust (whether or not it also binds it as trustee of the Trust).
- (d) The limitation in paragraph (b)(i) is to be disregarded for the purposes (but only for the purposes) of the rights and remedies described in paragraph (b)(ii), and interpreting this Agreement and any security for it, including determining the following:
- (i) whether amounts are to be regarded as payable (and for this purpose damages or other amounts will be regarded as payable if they would have been owed had a suit or action barred under paragraph (b)(ii) been brought);
 - (ii) the calculation of amounts owing; or
 - (iii) whether a breach or default has occurred,
- but any resulting liability will be subject to the limitations in this clause.

ANNEX I

This Annex I forms a part of the Australian Master Securities Lending Agreement dated as of [] between J.P. Morgan Securities plc and [].

Information Statement in accordance with Article 15 of the Securities Financing Transactions Regulation

This Information Statement is provided for information purposes only and does not amend or supersede the express terms of any Transaction, Collateral Arrangement or any rights or obligations you may have under applicable law, create any rights or obligations, or otherwise affect your or our liabilities and obligations.

1. Introduction

You have received this Information Statement because you have entered into or may hereafter enter into one or more title transfer collateral arrangements or security collateral arrangements containing a right of use (together, "**Collateral Arrangements**") with us.

This Information Statement has been prepared to comply with Article 15 of the Securities Financing Transactions Regulation by informing you of the general risks and consequences that may be involved in consenting to a right of use of collateral provided under a security collateral arrangement or of concluding a title transfer collateral arrangement ("**Re-use Risks and Consequences**"). The information required to be provided to you pursuant to Article 15 of the Securities Financing Transactions Regulation relates only to Re-use Risks and Consequences, and so this Information Statement does not address any other risks or consequences that may arise as a result of your particular circumstances or as a result of the terms of particular Transactions.

This Information Statement is not intended to be, and should not be relied upon as, legal, financial, tax, accounting or other advice. Unless otherwise expressly agreed in writing, we are not providing you with any such legal, financial, tax, accounting or other advice and you should consult your own advisors for advice on consenting to a right of use of collateral provided under a security collateral arrangement or on concluding a title transfer collateral arrangement, including the impact on your business and the requirements of, and results of, entering into any Transaction.

In this Information Statement:

- "we", "our", "ours" and "us" refer to the provider of this Information Statement that may conduct Transactions with you (or, where we are acting on behalf of another person, including where that person is an affiliate, that person);
- "you", "your" and "yours" refer to each of the persons to which this Information Statement is delivered or addressed in connection with entering into, continuing, executing or agreeing upon the terms of Transactions with us (or, where you are acting on behalf of other persons, each of those persons);
- "right of use" means any right we have to use, in our own name and on our own account or the account of another counterparty, financial instruments received by us by way of collateral under a security collateral arrangement between you and us;

-
- "Securities Financing Transactions Regulation" means Regulation (EU) 2015/2365 of the European Parliament and of the Council of 25 November 2015 on transparency of securities financing transactions and of reuse and amending Regulation (EU) No 648/2012 (as amended from time to time);
 - "Transaction" means a transaction entered into, executed or agreed between you and us under which you agree to provide financial instruments as collateral, either under a security collateral arrangement or under a title transfer collateral arrangement;
 - "financial instruments", "security collateral arrangement" and "title transfer collateral arrangement" have the meaning given to those terms in the Securities Financing Transactions Regulation. These are set out in Appendix 1 for reference.

2. Re-use Risks and Consequences

- a) Where you provide financial instruments to us under a title transfer collateral arrangement or if we exercise a right of use in relation to any financial instruments that you have provided to us by way of collateral under a security collateral arrangement containing a right of use, we draw your attention to the following Re-use Risks and Consequences:
 - i. your rights, including any proprietary rights that you may have had, in those financial instruments will be replaced by an unsecured contractual claim for delivery of equivalent financial instruments subject to the terms of the relevant Collateral Arrangement;
 - ii. those financial instruments will not be held by us in accordance with client asset rules, and, if they had benefited from any client asset protection rights, those protection rights will not apply (for example, the financial instruments will not be segregated from our assets and will not be held subject to a trust);
 - iii. in the event of our insolvency or default under the relevant agreement your claim against us for delivery of equivalent financial instruments will not be secured and will be subject to the terms of the relevant Collateral Arrangement and applicable law and, accordingly, you may not receive such equivalent financial instruments or recover the full value of the financial instruments (although your exposure may be reduced to the extent that you have liabilities to us which can be set off or netted against or discharged by reference to our obligation to deliver equivalent financial instruments to you);
 - iv. in the event that a resolution authority exercises its powers under any relevant resolution regime in relation to us any rights you may have to take any action against us, such as to terminate our agreement, may be subject to a stay by the relevant resolution authority and:
 - a) your claim for delivery of equivalent financial instruments may be reduced (in part or in full) or converted into equity; or

-
- b) a transfer of assets or liabilities may result in your claim on us, or our claim on you, being transferred to different entities

although you may be protected to the extent that the exercise of resolution powers is restricted by the availability of set-off or netting rights;

- v. as a result of your ceasing to have a proprietary interest in those financial instruments you will not be entitled to exercise any voting, consent or similar rights attached to the financial instruments, and even if we have agreed to exercise voting, consent or similar rights attached to any equivalent financial instruments in accordance with your instructions or the relevant Collateral Arrangement entitles you to notify us that the equivalent financial instruments to be delivered by us to you should reflect your instructions with respect to the subject matter of such vote, consent or exercise of rights, in the event that we do not hold and are not able to readily obtain equivalent financial instruments, we may not be able to comply (subject to any other solution that may have been agreed between the parties);
- vi. in the event that we are not able to readily obtain equivalent financial instruments to deliver to you at the time required: you may be unable to fulfil your settlement obligations under a hedging or other transaction you have entered into in relation to those financial instruments; a counterparty, exchange or other person may exercise a right to buy-in the relevant financial instruments; and you may be unable to exercise rights or take other action in relation to those financial instruments;
- vii. subject to any express agreement between you and us, we will have no obligation to inform you of any corporate events or actions in relation to those financial instruments;
- viii. you will not be entitled to receive any dividends, coupon or other payments, interests or rights (including securities or property accruing or offered at any time) payable in relation to those financial instruments, although the express written terms of the relevant Collateral Arrangement or Transaction may provide for you to receive or be credited with a payment by reference to such dividend, coupon or other payment (a "manufactured payment");
- ix. the provision of title transfer collateral to us, our exercise of a right of use in respect of any financial collateral provided to us by you and the delivery by us to you of equivalent financial instruments may give rise to tax consequences that differ from the tax consequences that would have otherwise applied in relation to the holding by you or by us for your account of those financial instruments;
- x. where you receive or are credited with a manufactured payment, your tax treatment may differ from your tax treatment in respect of the original dividend, coupon or other payment in relation to those financial instruments.

-
- b. Where we provide you with clearing services (whether directly as a clearing member or otherwise), we draw your attention to the following additional Re-use Risks and Consequences:
- i. if we are declared to be in default by an EU central counterparty ("EU CCP") the EU CCP will try to transfer ("**port**") your transactions and assets to another clearing broker or, if this cannot be achieved, the EU CCP will terminate your transactions;
 - ii. in the event that other parties in the clearing structure default (e.g., a central counterparty, a custodian, settlement agent or any clearing broker that we may instruct) you may not receive all of your assets back and your rights may differ depending on the law of the country in which the party is incorporated (which may not necessarily be English law) and the specific protections that that party has put in place;
 - iii. in some cases a central counterparty may benefit from legislation which protects actions it may take under its default rules in relation to a defaulting clearing member (e.g., to port transactions and related assets) from being challenged under relevant insolvency law.

Appendix 1

Defined terms for the purposes of the Securities Financing Transactions Regulation:

"financial instrument" means the instruments set out in Section C of Annex I to Directive 2014/65/EU on markets in financial instruments, and includes without limitation:

- 1) Transferable securities;
- 2) Money-market instruments;
- 3) Units in collective investment undertakings.

"title transfer collateral arrangement" means an arrangement, including repurchase agreements, under which a collateral provider transfers full ownership of financial collateral to a collateral taker for the purpose of securing or otherwise covering the performance of relevant financial obligations.

"security collateral arrangement" means an arrangement under which a collateral provider provides financial collateral by way of security in favour of, or to, a collateral taker, and where the full ownership of the financial collateral remains with the collateral provider when the security right is established.

Re: Securities Loan on AGL Energy Limited

Date: 17 May 2022

Dear Sirs

Master Confirmation for Securities Loan

The purpose of this letter (the "**Master Confirmation**") is to set forth the terms and conditions of the above-referenced securities lending transactions entered into between you and JPMorgan on each Trade Date specified below (each such transaction, a "**Loan**").

This Master Confirmation supplements, forms a part of and is subject to the Australian Master Securities Lending Agreement dated as of 02 May 2022 as amended and supplemented from time to time, between you and JPMorgan including the supplemental terms and conditions contained in the schedule thereto (the "**Agreement**").

The confirmation applicable to each Loan, which shall constitute a "confirmation" for the purposes of the Agreement, shall consist of this Master Confirmation as supplemented by the trade details applicable to such Loan and set forth in a transaction supplement (each, a "**Transaction Supplement**").

All provisions contained in, or incorporated by reference to, the Agreement shall govern this Master Confirmation and each Transaction Supplement except as expressly modified below. Notwithstanding anything to the contrary, in the event of any inconsistency between the provisions of the Agreement, this Master Confirmation and a Transaction Supplement, this Master Confirmation, as supplemented by the related Transaction Supplement, will govern for the purposes of each relevant Loan. In this Master Confirmation and each Transaction Supplement, defined words and expressions shall have the same meaning as in the Agreement unless otherwise defined in this Master Confirmation, in which case for the avoidance of doubt, terms used in this Master Confirmation shall take precedence over terms used in the Agreement.

Notwithstanding anything contained in paragraph 3 of the Agreement, this Master Confirmation, as supplemented by each relevant Transaction Supplement, shall record the terms of each relevant Loan confirmed hereunder and shall supersede and prevail over any previous agreement or understanding with respect to each such Loan, whether oral, electronic or otherwise in writing.

Lender agrees that, upon a request to do so by Borrower at a time while the Derivative Transaction is outstanding, if Borrower determines in its sole discretion that (a) the Hedging Party (as defined in the Derivative Confirmation) would incur a rate to borrow AGL Shares (as defined below) in respect of the Derivative Transaction that is greater than 0.50% or (b) there isn't sufficient liquidity for AGL Shares for the Hedging Party to acquire, establish, re-establish, substitute, maintain, unwind or dispose of any transaction(s) or asset(s) it deems necessary to hedge the equity price risk of entering into and performing its obligations with respect to the Derivative Transaction, the Lender shall enter into a Loan with Borrower in respect of ordinary shares of AGL Energy Limited (Bloomberg Code: AGL AU; ISIN: AU000000AGL7) ("**AGL Shares**"). Each such Loan shall be entered into automatically on the day of such request by the delivery of a Transaction Supplement from Borrower to Lender with no further action being required by either Party. Lender agrees that it shall take all steps required by Borrower in order

to effect the delivery to Borrower of the relevant number of AGL Shares specified in such Transaction Supplement.

Lender agrees that if it has failed to deliver Loaned Securities when required under the terms of a Loan, it shall pay within one Business Day of a demand from Borrower and hold harmless Borrower with respect to all reasonable losses, costs and expenses incurred in connection with the failure to deliver.

The Parties agree that the aggregate number of Loaned Securities under the outstanding Loans from time to time shall not exceed the Maximum Number of Securities. For this purpose, the "**Maximum Number of Securities**" means, at any time, a number of Securities that is determined by Borrower in its sole and absolute discretion as being the lesser of (a) equal to the Total Number of Shares (as defined in the Derivative Confirmation) and (b) (x) the number of Shares that would require JPMorgan to give a notice to the Treasurer under section 81 of the Foreign Acquisitions and Takeovers Act 1975 (Cth) ("**FATA**") minus (y) one.

The parties acknowledge and agree that, notwithstanding anything to the contrary in this Agreement, JPMorgan shall not have any right to request borrow of any Share (a "**Restricted Share**") to the extent that the existence of such right to borrow in respect of that Restricted Share would require JPMorgan to give a notice to the Treasurer under section 81 of the FATA and all rights and obligations under this Agreement must be read down such that JPMorgan does not "acquire" any "interest" in each case within the meaning of FATA in any Restricted Share or have any right to have any Restricted Share transferred to it or to any of its "associates" (within the meaning of FATA) and the parties agree that no right to borrow or right to request the borrow of any Retriected Share exist.
