

26 May 2022

Dear option holder,

LKEOC Options –ASX quotation to end on 8 June 2022

By letter dated 5 May 2022 the Company advised that the 15 June 2022 expiry date for LKEOC listed options is approaching and that if the options are NOT exercised by 15 June 2022 they **will automatically lapse**.

The timetable included in the letter indicated that quotation of the options on ASX would cease at the end of trade on 9 June 2022.

It has come to the Company's attention that due to the public holiday in Australia on 13 June 2022 being a non-business day for ASX trading quotation of the LKEOC Options will cease at the end of trade on **8 June 2022**, not 9 June 2022 as advised in the letter.

Please find below updated information in relation to the options:

Exercise price	\$0.75 per option

If you wish to exercise your options, you may do so in whole or in part.

An option exercise including both your personalised BPAY and Electronic Funds Transfer (EFT) payment details was provided with the letter dated 5 May 2022.

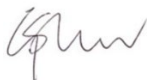

The total exercise price for the options which you chose to exercise (if any) can be paid by BPAY or EFT, and the completed option exercise form (where applicable if opting NOT to exercise in full) can be returned to our Share Registry by email to corporate.actions@automicgroup.com.au.
