Dear Ms Seeto

## **Request for Voluntary Suspension – ASX: 9SP**

9 Spokes International Limited ARBN 610 518 075 (**9 Spokes**) requests a voluntary suspension be implemented for its ordinary shares under ASX Listing Rule 17.2 prior to the commencement of trading today.

9 Spokes provides the following information for the purposes of ASX Listing Rule 17.2:

- The voluntary suspension is requested because 9 Spokes has become aware that it is unlikely to be able to lodge its annual report (including the full year statutory accounts) by the required date of 31 May 2022. 9 Spokes' auditor has advised 9 Spokes that it requires certain further information before it can confirm its satisfaction that 9 Spokes will continue as a going concern. In connection with obtaining this information, 9 Spokes is currently negotiating with a number of third parties in relation to potential fundraising and/or commercial transactions, binding commitments in relation to which may, but are unlikely to be, concluded by 31 May 2022.
- 9 Spokes expects the voluntary suspension to remain in place until the later of (a) the submission of its annual report (including the full year statutory accounts) and (b) completion of negotiations in respect of the key commercial terms for the transactions contemplated above.
- 9 Spokes is not aware of any other reason why the voluntary suspension should not be granted or of any other information necessary to inform the market about the voluntary suspension.

Your sincerely
