

ASX ANNOUNCEMENT

## Entry into Master Services Agreement with Link Group

**Wednesday 22 June 2022**

**Wrkr Ltd** (ASX: WRK) (Company or Wrkr) has signed a Master Services Agreement (MSA) with Link Group Ltd (Link). The MSA covers an initial 3 year period and enables Link to procure Services and Technology (Platform Solutions and Transactions) from Wrkr. It is envisaged that this contract will form the basis of any work approved by Link in the future.

In addition to the MSA now in place, Link has issued an initial Work Order for the provision of Services. The consideration payable for the Services under the initial Work Order is approximately \$300,000. The Services involve the co-design of market-leading models and options for Funds to adopt as they seek to digitally transform Employer and Member experiences under Your Future Your Super changes.

The MSA and relationship with Link are strategic in nature to Wrkr as we feel it demonstrates confidence in our platform technology and Industry thought leadership. We look forward to working with Link to help inform the transformation of the Employer and Member experience for Super Funds.
