The new directors of ETFS (AUS) Pty Ltd are Young Kim, Thomas Park and Evan Metcalf.

Yours faithfully

ETFS Management (AUS) Limited

This document is communicated by ETFSA Management (AUS) Limited (Australian Financial Services Licence (AFSL) No: 466778) ("ETFSA") as responsible entity of ETFSA's funds. This document may not be reproduced, distributed or published by any recipient for any purpose. Under no circumstances is this document to be used or considered as an offer to sell, or a solicitation of an offer to buy, any securities, investments or other financial instruments and any investments should only be made on the basis of the relevant product disclosure statement which should be considered by any potential investor including any risks identified therein.

This document contains general information only and does not take into account your objectives, financial situation or needs. You should seek independent financial, legal, tax and other relevant advice having regard to your particular objectives, financial situation or needs. You should consider the PDS, Target Market Determination ("TMD") and ASX announcements for the relevant ETFSA fund before making any decision about an ETFSA fund. A copy of the latest PDS and TMD for the ETFSA funds is available on the ETFSA website at www.etfsecurities.com.au or by contacting ETFSA on +612 8311 3488. A paper copy will be provided free of charge on request.

Although we use reasonable efforts to obtain reliable, comprehensive information, we make no representation and give no warranty that it is accurate or complete.

Investments in any product issued by ETFSA are subject to investment risk, including possible delays in repayment and loss of income and principal invested. Neither ETFSA, ETFSA (AUS) Pty Ltd nor any other member of the Mirae Asset Global Investment Group guarantees the performance of any products issued by ETFSA or the repayment of capital or any particular rate of return therefrom. The value or return of an investment will fluctuate and investors may lose some or all of their investment. Past performance is not an indication of future performance.
