

Pushpay welcomes Archdiocese of Seattle as a Customer

Auckland, New Zealand | Redmond, Washington; Colorado Springs, Colorado; Plano, Texas, US – 7 July 2022 (NZT)

Pushpay Holdings Limited (NZSX:PPH, ASX:PPH, 'Pushpay' or 'the Company') is pleased to announce that it has welcomed the Archdiocese of Seattle, Washington, US as a Catholic Customer. The Archdiocese of Seattle will be leveraging ParishStaq, the Company's integrated technology platform to help parishes and dioceses increase engagement and grow their communities.

The addition of the Archdiocese of Seattle as a Customer represents an opportunity to reach 174 parishes and a Catholic population of over 600,000 people. Pushpay continues to make progress on executing against its Catholic product development plans and attracting new Catholic parishes. The planned addition of this Customer is an example of the growth opportunity as the Company continues to execute on its longer-term expansion strategy.

Molly Matthews, Pushpay CEO said, "We are delighted to welcome the Archdiocese of Seattle to Pushpay. Bringing this wide-reaching community onboard represents a significant early milestone for Pushpay as we continue to execute towards our Catholic growth strategy. We are excited to be a part of their growth into the future as we continue to innovate and deliver technology that enables an integrated way for parishes and dioceses to engage with their community."

About Pushpay

Pushpay provides a donor management system, including donor tools, finance tools and a custom community app, a church management system (ChMS), and video streaming solutions to the faith sector, non-profit organisations and education providers located predominantly in the United States (US) and other jurisdictions. Our leading solutions simplify engagement, payments and administration, enabling our Customers to increase participation and build stronger relationships with their communities.

Church Community Builder and Resi Media LLC (Resi) are subsidiaries of Pushpay Holdings Limited. Church Community Builder provides a Software as a Service (SaaS) church management system that churches use to connect and communicate with their community members, record member service history, track online giving and perform a range of administrative functions. Resi is a high growth SaaS company that provides end-to-end live video streaming solutions enabled by hardware products predominantly to the faith sector, whilst also servicing commercial, nonprofit organisations and education providers in the US.
