About Superloop

Superloop's purpose is to enable better internet for Australian homes and businesses, by enabling challenger retail brands (including Superloop and Exetel brands) to take a larger share of the market, leveraging Superloop's Infrastructure-on-Demand platform. Superloop operates in three segments of the market: consumer, business and wholesale. All leverage Superloop's investments in physical infrastructure assets that include fibre, subsea cables and fixed wireless, as well as Superloop's software platforms. Around 175,000 customers rely on Superloop and Exetel every day for their connectivity needs.
