About Sezzle Inc.

Sezzle is a fintech company on a mission to financially empower the next generation. Sezzle's payment platform increases the purchasing power for millions of consumers by offering interest-free installment plans at online stores and select in-store locations. Sezzle's transparent, inclusive, and seamless payment option allows consumers to take control over their spending, be more responsible, and gain access to financial freedom.

For more information visit sezzle.com.

Sezzle's CDIs are issued in reliance on the exemption from registration contained in Regulation S of the US Securities Act of 1933 (Securities Act) for offers of securities which are made outside the US. Accordingly, the CDIs have not been, and will not be, registered under the Securities Act or the laws of any state or other jurisdiction in the US. As a result of relying on the Regulation S exemption, the CDIs are 'restricted securities' under Rule 144 of the Securities Act. This means that you are unable to sell the CDIs into the US or to a US person who is not a QIB for the foreseeable future, unless the re-sale of the CDIs is registered under the Securities Act or another exemption is available. To enforce the above transfer restrictions, all CDIs issued bear a FOR Financial Product designation on the ASX. This designation restricts any CDIs from being sold on ASX to US persons excluding QIBs. However, you are still able to freely transfer your CDIs on ASX to any person other than a US person who is not a QIB. In addition, hedging transactions with regard to the CDIs may only be conducted in accordance with the Securities Act.

Forward-Looking Statements

This press release includes "forward-looking statements" and information, including statements regarding the Company's preliminary estimated results of operations for its second quarter of 2022 and the Company's strategy and results of operations and financial condition, including anticipated profitability and free cash flow. When used in this press release, the words "could," "believe," "anticipate," "intend," "estimate," "expect," "project" and similar expressions are intended to identify forward-looking statements, although not all forward-looking statements contain such identifying words. When considering forward-looking statements, you should keep in mind the risk factors and other cautionary statements described in the section "Risk Factors" included in the Company's Annual Report on Form 10-K for the year ended December 31, 2021 (the "2021 Form 10-K"). These forward-looking statements are based on the Company's current expectations and assumptions about future events and are based on currently available information as to the outcome and timing of future events. There is a risk that such predictions, estimates, projections, and other forward-looking statements will not be achieved. Nevertheless, and despite the fact that management's expectations and estimates are based on assumptions management believes to be reasonable and data management believes to be reliable, the Company's actual results, performance or achievements are subject to future risks and uncertainties, any of which could materially affect the Company's actual performance. Risks and uncertainties that could affect such performance include, but are not limited to: impact of the "buy-now, pay-later" ("BNPL") industry becoming subject to increased regulatory scrutiny; impact of operating in a highly competitive industry; impact of macro-economic conditions on consumer spending; the Company's ability to increase the Company's merchant network, the Company's base of consumers and UMS; the Company's ability to effectively manage growth, sustain the Company's growth rate and maintain the Company's market share; the Company's ability to meet additional capital

requirements; impact of exposure to consumer bad debts and insolvency of merchants; impact of the integration, support and prominent presentation of the Company's platform by the Company's merchants; impact of any data security breaches, cyberattacks, employee or other internal misconduct, malware, phishing or ransomware, physical security breaches, natural disasters, or similar disruptions; impact of key vendors or merchants failing to comply with legal or regulatory requirements or to provide various services that are important to the Company's operations; impact of the loss of key partners and merchant relationships; impact of exchange rate fluctuations in the international markets in which the Company operates; the Company's ability to protect the Company's intellectual property rights; the Company's ability to retain employees and recruit additional employees; impact of the costs of complying with various laws and regulations applicable to the BNPL industry in the United States and the international markets in which the Company operates; and the Company's ability to achieve the Company's public benefit purpose and maintain its B Corporation certification; the other factors identified in the "Risk Factors" section of the 2021 Form 10-K.

The Company cautions you that these forward-looking statements are subject to numerous risks and uncertainties, most of which are difficult to predict and many of which are beyond the Company's control. These risks include, but are not limited to, the risks described in the section "Risk Factors" included in the 2021 Form 10-K. Should one or more of the risks or uncertainties described in this press release occur, or should underlying assumptions prove incorrect, the Company's actual results and plans could differ materially from those expressed in any forward-looking statements.

All forward-looking statements, expressed or implied, included in this press release are expressly qualified in their entirety by these cautionary statements. These cautionary statements should also be considered in connection with any subsequent written or oral forward-looking statements that the Company or persons acting on the Company's behalf may issue. Except as otherwise required by applicable law, the Company disclaims any duty to update any forward-looking statements, all of which are expressly qualified by the cautionary statements in this section, to reflect events or circumstances after the date of this press release.
