Dear Ramona,

Request for Trading Halt

FinTech Chain Limited (ASX:FTC) (**FTC**) requests an immediate trading halt be granted by ASX Limited in respect of its shares on 28 July 2022.

The trading halt is requested pending an announcement by FTC following the outcome of an investigation relating to a possible misappropriation of funds (**Investigation**).

The Board notes that the amount the subject of the Investigation is not of a sufficient sum to impact the day to day activities of FTC.

In accordance with ASX Listing Rule 17.1, FTC provides the following information:

- (a) the trading halt is necessary for FTC to complete its Investigation and make an announcement to the market in relation to the outcome of such Investigation;
- (b) the trading halt should remain in place until the commencement of trading on Monday, 1 August 2022 if an announcement is made in relation to the outcome of those Investigations. In the event FTC is not in a position to announce the outcome of those Investigations at that time, FTC will seek a voluntary suspension from the ASX;
- (c) FTC is not aware of any reason why the trading halt should not be granted; and
- (d) FTC is not aware of any other information necessary to inform the market about the trading halt.

Yours sincerely
