

## ASX ANNOUNCEMENT

### Q4 FY22 Quarterly Activities Report and Appendix 4C Cash Flow Statement

- Positive operating cashflow of \$2,233,000
- Supply chain disruptions resolved
- Net product sales of c. \$42.5 million achieved in FY22 – up 16%
- Launch of two new products

**Milton, 28 July 2022:** Health and Plant Protein Group Limited (ASX:HPP) (**Company**) presents its Activities Report and Appendix 4C for the quarter ended 30 June 2022.

#### Supply chain disruptions resolved

HPP advises trading conditions improved in Q4 FY22, with underlying supply chain disruptions adversely impacting on the prior quarter cashflow now resolved. This ensures the Company can procure additional kernel requirements from its normal business partner, to support further growth opportunities.

#### Business Update

In FY22, the Company achieved net product sales of A\$42.5 million, an increase of 16% over FY21. Pleasingly, the Company was able to grow sales across both its branded retail and industrial ingredients business despite economic headwinds.

The Company is also excited to advise two new retail products aimed at the growing Keto segment will be launched in September. These products will complement our current macadamia range and help support extending the Company's brand presence in key retail accounts across North America.

Further to HPP's decision to derecognise its investment in EVR Foods, Inc. (the holding entity of the LAVVA® brand and its associated assets) as of 31 December 2021 due to poor trading conditions, HPP advises that on Friday 10<sup>th</sup> June (US time), EVR Foods, Inc. was acquired by Regenerative Plant Based, Inc. HPP and its co-investor S2G Ventures, no longer hold an equity interest in EVR Foods, Inc. The transaction did not have any further financial impact on HPP, as the investment had already been de-recognised.

As previously communicated, American Ag Credit has approved an increase of existing working capital facility to USD \$10 million. The Company expects this to be finalised, and a separate announcement to be made before the end of August upon execution of the necessary paperwork following recent changes in the Board.

## Strategic Review of Kapua Orchard

The strategic review of the orchard continues, with discussions ongoing with key stakeholders. Newly appointed Executive chair, Albert Tse, alongside the Board and management, continue to engage with interested parties.

## Other items

The amount of \$22,000 under item 6.1 is in relation to remuneration of non-executive directors.

This announcement has been authorised for release to ASX by the Board.

### About HPP

HPP, through its Royal Hawaiian Orchards® (RHO) and MacFarms® brands, is the largest vertically integrated orchard to retail macadamia nut processor and marketer in the USA. Macadamia nut contains rich nutrients and beneficial plant compounds, and HPP makes its products from wholesome and unmodified ingredients. The macadamia business forms the basis of HPP's strategic ambitions in becoming a leading independent participant in health and plant-based protein food categories.

### Notes

1. This quarterly cash flow report and the accompanying activity report provide a basis for informing the market about the entity's activities for the past quarter, how they have been financed and the effect this has had on its cash position. An entity that wishes to disclose additional information over and above the minimum required under the Listing Rules is encouraged to do so.
2. If this quarterly cash flow report has been prepared in accordance with Australian Accounting Standards, the definitions in, and provisions of, *AASB 107: Statement of Cash Flows* apply to this report. If this quarterly cash flow report has been prepared in accordance with other accounting standards agreed by ASX pursuant to Listing Rule 19.11A, the corresponding equivalent standard applies to this report.
3. Dividends received may be classified either as cash flows from operating activities or cash flows from investing activities, depending on the accounting policy of the entity.
4. If this report has been authorised for release to the market by your board of directors, you can insert here: "By the board". If it has been authorised for release to the market by a committee of your board of directors, you can insert here: "By the [name of board committee – eg *Audit and Risk Committee*]". If it has been authorised for release to the market by a disclosure committee, you can insert here: "By the Disclosure Committee".
5. If this report has been authorised for release to the market by your board of directors and you wish to hold yourself out as complying with recommendation 4.2 of the ASX Corporate Governance Council's *Corporate Governance Principles and Recommendations*, the board should have received a declaration from its CEO and CFO that, in their opinion, the financial records of the entity have been properly maintained, that this report complies with the appropriate accounting standards and gives a true and fair view of the cash flows of the entity, and that their opinion has been formed on the basis of a sound system of risk management and internal control which is operating effectively.
