About New Energy Solar

New Energy Solar was established in November 2015 to invest in a diversified portfolio of solar assets across the globe and provide investors with exposure to the global shift to renewable energy. The Business acquires large scale solar power plants with long term contracted power purchase agreements. In addition to financial returns, this strategy generates significant positive environmental impacts for investors.

Since establishment, New Energy Solar has raised over A\$500 million of equity and acquired a portfolio of world-class solar power plants, primarily across the United States. New Energy Solar's shares trade on the Australian Securities Exchange under the ticker, NEW. For more information, visit: www.newenergysolar.com.au
