Stapling of the Company Shares and LLT Units

Shares in the Company and units in LLT are traded as one security under the name of Lendlease Group on the Australian Securities Exchange (ASX). The Company is deemed to control LLT for accounting purposes and therefore LLT is consolidated into the Group's financial report. The issued units of LLT, however, are not owned by the Company and are therefore presented separately in the consolidated entity Statement of Financial Position within equity, notwithstanding that the unitholders of LLT are also the shareholders of the Company.

The final dividend/distribution is comprised of a dividend component franked to 75% of 5.7 cents per share payable by the Company and a trust distribution of 5.3 cents per unit payable by LLT. The unfranked portion of the Company dividend is sourced from the Conduit Foreign Income (CFI) account.

The record date for determining entitlement to the final distribution is 29 August 2022 (Record Date) and the distribution is payable on 21 September 2022.

The Group's Distribution Reinvestment Plan (DRP) was reactivated in February 2011. The last date for receipt of an election notice for participation in the DRP is 30 August 2022. Subject to the rules of the DRP, the issue price is the arithmetic average of the daily volume weighted average price of Lendlease stapled securities traded on the Australian Securities Exchange for the period of five consecutive business days immediately following the Record Date, commencing on 30 August 2022. Stapled securities issued under the DRP rank equally with all other stapled securities on issue.
