You should also carefully evaluate whether the transaction is appropriate for you in light of your experience, objectives, financial resources, and other relevant circumstances and whether you have the operational resources in place to monitor the associated risks and contractual obligations over the term of the transaction.

The ultimate decision to proceed with any investments is solely with you. We are not acting as your advisor or agent. Therefore prior to entering into the investment decision you should determine, without reliance upon us or our affiliates, the economic risks and merits, as well as the legal, tax and accounting characterizations and consequences of the transaction, and independently determine that you are able to assume these risks. In this regard, by acceptance of these information, you acknowledge that you have been advised that (a) we are not in the business of providing legal, tax or accounting advice, (b) you understand that there may be legal, tax or accounting risks associated with the transaction, (c) you should receive legal tax and accounting advice from advisors with appropriate expertise to assess relevant risks, and (d) you should apprise senior management in your organization as to the legal, tax and accounting advice (and, if acceptable, risks) associated with this transaction and our disclaimers as to these matters.

If you are acting as a financial adviser or agent, you should evaluate these considerations in light of the circumstances applicable to your principal and the scope of your authority. If you believe you need assistance in evaluating and understanding the terms or risks of a particular financial product, you should consult appropriate advisers before entering into the transaction.

We and/or our affiliates (together, the "Firm") may from time to time take proprietary positions and/or make a market in instruments identical or economically related to derivative transactions entered into with you, or may have an investment banking or other commercial relationship with and access to information from the issuer(s) of financial products underlying derivative transactions entered into with you. We may also undertake proprietary activities, including hedging transactions related to the initiation or termination of a derivative transaction with you, that may adversely affect the market price, rate, index or other market factors(s) underlying a derivative transaction entered into with you and consequently the value of the transaction. This document and its contents are proprietary information and products of our firm and may not be reproduced or otherwise disseminated in whole or in part without our written consent unless required to by judicial or administrative proceeding.
