## Dicker Data Successfully Completes \$50m Placement

AUSTRALIA, Sydney – 31 August 2022: Dicker Data Limited (ASX: DDR) (“Dicker Data” or the “Company”) is pleased to announce that it has successfully completed its \$50 million fully underwritten placement (“Placement”) of approximately 4.9 million new fully paid ordinary shares (“New Shares”).

The Placement was strongly supported with demand to participate from existing and new investors in excess of the funds Dicker Data sought to raise.

The New Shares will be issued at \$10.30 each, which represents a 10.3% discount to the closing price of the Company’s shares on Monday, 29 August 2022 of \$11.48.

Proceeds from the Placement will be used to fund the expansion of Dicker Data’s Kurnell warehouse, increasing warehouse capacity by over 70%, as well as to provide increased balance sheet flexibility to support the Company’s long-term growth objectives.

The New Shares the subject of the Placement are expected to settle on Monday, 5 September 2022 and be issued and commence trading on Tuesday, 6 September 2022. New Shares issued under the Placement will rank equally with existing Dicker Data shares from the date of issue.

Dicker Data’s existing shares are expected to resume normal trading on ASX from market open today, Wednesday, 31 August 2022.

### Share Purchase Plan

Dicker Data will also offer existing eligible Australian and New Zealand shareholders the opportunity to acquire up to \$30,000 worth of new shares via a Share Purchase Plan (“SPP”). The SPP aims to raise up to a further \$10 million, may be subject to scale backs and is not underwritten. Dicker Data may decide to raise more or less than this amount in its absolute discretion.

The issue price for the new shares to be issued under the SPP will be \$10.30, being the same as the price per share paid by institutional investors under the Placement.

No brokerage or transaction costs are payable for new shares issued under the SPP and new shares issued under the SPP will rank equally with existing shares from the date of issue.

Full details of the SPP will be set out in the SPP Offer Booklet which is expected to be released on ASX and sent to eligible shareholders on Wednesday, 7 September 2022.
