## ASX RELEASE

### Response to Media Speculation

Atlas Arteria (**ASX:ALX**) notes recent media speculation in respect of its participation in the competitive sale process for the Chicago Skyway toll road. ALX regularly reviews growth opportunities and strategic options available to ALX. ALX confirms that it is participating in the sale process for Chicago Skyway. However, there is no certainty that a transaction will eventuate.

ALX does not propose to make further comment on this transaction until an outcome is known or it ceases to be involved in the sale process.

This announcement has been authorised for release by the Chair of Atlas Arteria Limited and the Managing Director & Chief Executive Officer of ALX.

#### About Atlas Arteria

Atlas Arteria (ASX:ALX) is a global owner, operator and developer of toll roads, creating value for our investors over the long-term through considered and disciplined management. The roads we own, operate and develop benefit communities through reduced travel time, greater time certainty, reduced fuel consumption and carbon emissions.

Today the Atlas Arteria Group consists of four businesses. We currently own a 31.14% interest in the APRR toll road group in France. Adjacent to the APRR business is the smaller ADELAC business which connects to APRR in south-east France. Together APRR and ADELAC comprise a 2,406km motorway network located in the East and South East of France. In the US, we have 100% of the economic interest in the Dulles Greenway, a 22km toll road in the Commonwealth of Virginia. In Germany, we own 100% of the Warnow Tunnel in the north-east city of Rostock.
