EXPLANATORY STATEMENT

This Explanatory Statement has been prepared for the information of the Shareholders in connection with the business to be conducted at the Annual General Meeting of Shareholders to be held at 10.00 am (AEDT) on 20th October 2022 at Rydges Campbelltown.

The purpose of this Explanatory Statement is to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions in the Notice of Meeting.

1. IMPORTANT INFORMATION RELATED TO UNDIRECTED PROXIES

If a Shareholder appoints the Chairman of the meeting as their Proxy and does not specify how the Chairman is to vote on a resolution, except as expressly stated, the Chairman advises that he intends to vote each proxy, as proxy for that Shareholder, in favour of the resolution.

In particular, if you elect the Chairman to vote on your behalf as proxy holder and you do not give directions about how your vote should be cast, then your proxy will automatically become a directed proxy in favour of the resolution to adopt the Remuneration Report.

2. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Constitution, the business of the Annual General Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2022 together with the declaration of the directors, the directors' report, the remuneration report and the auditor's report.

In accordance with amendments to the Corporations Act the Company is no longer required to provide a hard copy of the Company's annual financial report to Shareholders unless a Shareholder has specifically elected to receive a printed copy. These amendments may result in reducing the Company's printing costs.

Whilst the Company will not provide a hard copy of the Company's annual financial report unless specifically requested to do so, Shareholders may view the Company's annual financial report on its website at <http://www.laserbond.com.au/investor-relations/financial-reports.html>

3. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, the Corporations Act expressly provides that the vote on such a resolution is advisory only and does not bind the Directors or the Company. Votes will not be cast by those members listed within the remuneration report or a closely related party of such member unless a Proxy appointing the member by writing directs them to do so and said Proxy is not cast by a member listed on the remuneration report or a closely related party.

The remuneration report sets out the Company's remuneration arrangements for the Directors and key management personnel of the Company. The remuneration report is part of the Directors' report contained in the annual financial report of the Company for the financial year ending 30 June 2022.

A reasonable opportunity will be provided for discussion of the remuneration report at the Annual General Meeting.

4. RESOLUTION 2 – RE-ELECTION OF EXECUTIVE DIRECTOR – MR WAYNE HOOPER

Clause 13.2 of the Constitution requires that if the Company has three or more Directors, one third (or the number nearest one-third) of those Directors must retire at each annual general meeting, provided always that no Director (except a Managing Director) shall hold office for a period in excess of 3 years, or until the third annual general meeting following his or her appointment, whichever is the longer, without submitting himself or herself for re-election.

A Director who retires by rotation under clause 13.2 of the Constitution is eligible for re-election.

Mr Wayne Hooper retires by rotation and seeks re-election.

5. RESOLUTION 3 – RE-ELECTION OF NON-EXECUTIVE DIRECTOR – MR IAN NEAL

Clause 13.4 of the Constitution allows the Directors to appoint at any time a person to be a Director as an addition to existing Directors, but only where the total number of Directors does not at any time exceed the maximum number specified by the Constitution.

Any Director so appointed holds office only until the next following annual general meeting and is then eligible for re-election.

Mr Ian Neal will retire in accordance with clause 13.4 of the Constitution and being eligible seeks re-election.

6. RESOLUTION 4 – APPROVAL OF AN ADDITIONAL PLACEMENT CAPACITY TO ISSUE SECURITIES EQUIVALENT TO AN ADDITIONAL 10%

ASX Listing Rule 7.1 prohibits a listed company from issuing equity securities representing more than 15% of its issued capital in any twelve-month period without obtaining shareholder approval (subject to certain exceptions).

However, under ASX Listing Rule 7.1A, an eligible entity can seek approval by shareholders, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

An eligible entity for the purposes of ASX Listing Rule 7.1A is an entity that is not included in the S&P / ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity for these purposes.

This resolution seeks the approval by Shareholders by way of special resolution to have an additional 10% capacity provided for in Listing Rule 7.1A to issue equity securities without shareholder approval.

If the resolution is approved, then the Company, within the twelve months after Shareholder approval, will be able to issue equity securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without further shareholder approval.

If the resolution is not approved, then the Company will not be able to access the additional 10% capacity to issue equity securities without shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without shareholder approval set out in Listing Rule 7.1.

Any securities issued within this limit will be calculated in accordance with the formula in ASX Listing Rule 7.1A.2.

The following information is provided to Shareholders for the purposes of obtaining Shareholder approval pursuant to ASX Listing Rule 7.3A:

- a) Shareholder approval of the additional 10% as per ASX Listing Rule 7.1A is valid from the date of the annual general meeting at which the approval is obtained. This approval will cease on the earlier to occur of:

- the date that is 12 months after the date of the annual general meeting at which the approval is obtained; or
 - the time and date of the next annual general meeting; or
 - the time and date of the approval by Shareholders of a transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).
- b) The minimum price at which equity securities can be issued will be calculated in accordance with ASX Listing Rule 7.1A.3 which specifically states the issue must be in an existing quoted class of the eligible entity's securities and issued for a cash consideration which is not less than 75% of the volume weighted average market price for equity securities in that class calculated over the 15 trading days on which trades in that class were recorded immediately before:
- the date on which the price at which equity securities are to be issued is agreed by the entity and the recipient of the securities; or
 - if the equity securities are not issued within 10 trading days of the date agreed by the entity and the recipient of the securities, the date on which the equity securities are issued.
- c) The Company may seek to issue the equity securities for cash consideration. As disclosed in ASX announcements and reports, the Company continues to actively pursue further growth opportunities, in particular, to extend the Company's reach throughout Australia and internationally. Any funds raised using this additional 10% capacity may be used to fund acquisitions or investments necessary (including expenses associated with such acquisitions or investments) to grow the business and/or additional working capital to fund growth opportunities.
- d) if resolution 4 is approved by Shareholders and the Company issues equity securities under the 10% Placement capacity, existing Shareholders economic and voting power in the Company will be diluted as shown in the table below under point g). There is a risk that:
- The market price for the Company's equity securities may be significantly lower on the date of the issue of the equity securities than on the date of this approval under rule 7.1A; and
 - The equity securities may be issued at a price that is at a discount to the market price for the Company's equity securities on the issue date,

which may have an effect on the amount of funds raised by the issue of the equity securities.

- e) The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Capacity.

The identity of the allottees of equity securities will be determined on a case-by-case basis having regard to the factors including, but not limited to, the following:

- the methods of raising funds that are available to the Company, including but not limited to, rights issue or other issue in which existing security holders can participate;
- The effect of the issue of the equity securities on the control of the Company;
- the financial situation and solvency of the Company; and
- advice from corporate, financial and broker advisers (if applicable).

The allottees under this Placement Capacity have not been determined as at the date of this notice but may include new or existing Shareholders who are not related parties or associates of a related party of the Company

- f) No securities were issued under Listing Rule 7.1A.2 in the twelve-month period preceding the date of this Notice of Meeting for the 2022 Annual General Meeting,

- g) The below table shows examples of possible dilution of existing Shareholders, on the basis of the current market price of \$0.79 per Share and the current number of fully paid ordinary Shares on issue of 109,301,609 as at 25 August 2021.

Variable A as per ASX Listing Rule 7.1A2		Dilution		
		\$0.395 50% decrease in issue price	\$0.79 issue price	\$1.58 100% increase in issue price
Current Variable A 10,930,161 Shares	10% Voting Dilution	10,930,161 Shares	10,930,161 Shares	10,930,161 Shares
	Funds Raised	\$4,317,414	\$8,634,827	\$17,269,654
50% Increase in Current Variable A 14,408,312 Shares	10% Voting Dilution	14,408,312 Shares	14,408,312 Shares	14,408,312 Shares
	Funds Raised	\$5,691,283	\$11,382,566	\$22,765,133
100% Increase in Current Variable A 21,860,322 Shares	10% Voting Dilution	21,860,322 Shares	21,860,322 Shares	21,860,322 Shares
	Funds Raised	\$8,634,827	\$17,269,654	\$34,539,309

This table has been prepared on the following assumptions:

- The Company issues the maximum number of equity securities available under the 10% Placement Capacity.
 - The 10% voting dilution reflects the aggregate percentage dilution against Variable A at the time of issue.
 - The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Capacity, based on that Shareholder's holding at the date of the Meeting.
 - The table shows only the effect of issues of equity securities under ASX Listing Rule 7.1A, not under the 15% Placement Capacity under ASX Listing Rule 7.1.
- h) The Company will comply with the disclosure obligations under ASX Listing Rules 7.1A.4 upon issue of any equity securities.
- i) the Company previously obtained approval under ASX Listing Rule 7.1A at the Annual General Meeting held on 8 November 2021.
- j) At the time of the mailing of the Notice of Meeting, the Company is not proposing to make an issue of equity securities, therefore a voting exclusion statement is not required or provided.

7. RESOLUTION 5 – APPROVAL OF FULLY-PAID ORDINARY SHARES ISSUED BY WAY OF INSTITUTIONAL PLACEMENT IN THE LAST 12 MONTHS

In 23 December 2021, the Company raised capital by way of a share placement.

ASX Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of the period (subject to certain exceptions).

This issue does not fit within any of these exceptions and, as it has not yet been approved by shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without shareholder approval under Listing Rule 7.1 for the 12-month period following the Issue Date.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

LaserBond wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain shareholder approval for such issues under Listing Rule 7.1.

To this end, LaserBond seeks shareholder approval to the Issue under and for the purposes of Listing Rule 7.4.

If this resolution is passed, the Issue will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of equity securities it can issue without shareholder approval over the 12-month period following the issue date.

If this resolution is not passed, the Issue will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of equity securities it can issue without shareholder approval over the 12-month period following the Issue Date.

The following information is provided to shareholders for the purpose of obtaining shareholder approval pursuant to ASX Listing Rule 7.5:

- a) the shares were issued to 26 sophisticated or professional investors who were not related parties to the company or any of its subsidiaries. Detail of the investors and the shares issued is below:

8. RESOLUTION 6 – APPROVAL OF AMENDMENTS TO THE COMPANY’S CONSTITUTION

Section 249R (C) of the Corporations Act requires a Company that wishes to use virtual technology only for a meeting of its members only if this is required or permitted by the Company’s constitution expressly.

Section 136 (2) of the Corporations Act requires that a Company may only modify, or repeal its constitution, or a provision of its constitution, by special resolution.

In case of circumstances that require the Company to hold a meeting of its members by virtual technology only in the future, approval is sought for an amendment to Section 11.1 Convening of General Meeting of Shareholders to the following:

“The Directors may, by a resolution passed by a majority of Directors, convene a general meeting of Shareholders in accordance with this clause 11 and the requirements of the Corporations Act. A meeting may be held:

- a) At one or more physical venues; or*
- b) At one or more physical venues and using virtual meeting technology; or*
