Letter from the Chairman

20 September 2022

Dear Securityholder,

Aspen Group Security Purchase Plan Offer to raise up to A\$3 million

The Board is very pleased to provide existing Eligible Securityholders with the opportunity to apply for at least A\$1,000 to a maximum A\$30,000 of new fully paid ordinary stapled securities (**New Stapled Securities**) in Aspen Group without incurring brokerage or other charges (**Offer**).

The Offer will open on 20 September 2022 and is expected to close at 5:00 pm (Sydney time) on 4 October 2022.

The intention to launch the Offer was announced on 13 September (**Announcement Date**). The purpose of the Offer is to initially reduce debt to strengthen Aspen's balance sheet and put it in a better position to pursue acquisition opportunities. The institutional placement was successfully completed on 13 September 2022 raising A\$36.34 million at a placement price of A\$1.58 per security.

Consistent with the Board's approach to capital raisings, the Board wishes to extend the same opportunity to participate to our retail investors (when our capital management requirements allow us to do so).

Offer Price

The Offer price will be A\$1.58 per New Stapled Security (**Offer Price**), which is the same as the Placement Price.

The Offer Price represents a 4.5% discount to the close of \$1.655 on the day before the Announcement Date.

Key Features

Key features of the Offer for securityholders are:

- Offer Price of A\$1.58 per New Stapled Security
- Funds will be used to initially reduce debt to strengthen Aspen's balance sheet and put it in a better position to pursue acquisition opportunities.

The Offer aims to raise up to A\$3 million. The directors of Aspen Group reserve the right in their absolute discretion to accept applications from Eligible Securityholders in excess of A\$3 million, or to scale back applications if the proceeds of the Offer exceed A\$3 million. All New Stapled Securities will rank equally with existing stapled securities in Aspen Group.

Participation

Participation in the Offer is optional and is open to Eligible Securityholders who are holders of Stapled Securities at 7.00 pm (Sydney time) on 12 September 2022 and

whose registered address is in Australia or New Zealand. The Offer is expected to close at 5:00pm (Sydney time) on 4 October 2022.

Full details of the Offer and how to participate are contained in this offer booklet which I encourage you to read and consider carefully. You should also seek your own financial and taxation advice in relation to the Offer before you decide whether to participate.

Please keep in mind that the market price of Stapled Securities may rise or fall between the date of the Offer and the date when the New Stapled Securities are issued.

Applications can only be made for an amount between A\$1,000 and A\$30,000 in A\$1,000 tranches, with a maximum participation limit of A\$30,000. In addition, you may be scaled back if the proceeds of the Offer exceed A\$3 million.

How to apply

The Offer opens on 20 September 2022 and is expected to close at 5:00pm (Sydney time) on 4 October 2022. New Stapled Securities are expected to be issued on 11 October 2022 and commence normal trading on the ASX on 12 October 2022 .

8 Rights attached to the New Stapled Securities

- 8.1 New Stapled Securities will rank equally with existing Stapled Securities and carry the same voting rights, distribution rights and other entitlements as at the Allotment Date.
- 8.2 Aspen Group will apply for the New Stapled Securities to be quoted on ASX.
- 8.3 New Stapled Securities allotted under the Offer will be registered on the Security Register.

9 Costs of participation

- 9.1 No brokerage, commissions or other transaction costs will be payable by Eligible Securityholders in relation to the application for, and allotment of, New Stapled Securities.

10 Risks

- 10.1 There is a risk that the market price of Stapled Securities may change between the date of the Offer and the Allotment Date. This means it is possible that, up to or after the Allotment Date, you may be able to buy Stapled Securities at a lower price than the Offer Price.
- 10.2 Accordingly, you should monitor Aspen Group announcements and its Stapled Security price, which can be found on the ASX website at www.asx.com.au (ASX code: APZ).

- 10.3 You should be aware that your application, once made, is unconditional and cannot be withdrawn even if the market price of Stapled Securities is less than the Offer Price.

11 Applications may be scaled back

- 11.1 If Aspen Group receives applications in excess of A\$3 million, Aspen Group reserves the ability to either accept applications in excess of A\$3 million or to scale back applications. There will however be no scale back if Aspen Group does not receive applications in excess of A\$3 million.
- 11.2 If applications are scaled back, Aspen Group may apply the scale back to the extent and in any manner that it sees fit. If the scale back produces a fractional number of New Stapled Securities when applied to your parcel, the number of New Stapled Securities you will be allocated will be rounded down to the nearest whole number of New Stapled Securities.
- 11.3 If there is a scale back, the difference between the funds received and the number of New Stapled Securities allocated to you multiplied by the Offer Price, will be refunded by Aspen Group without interest.

12 Refunds

- 12.1 By applying for New Stapled Securities under this Offer, you apply for a certain value, rather than a certain number of New Stapled Securities. The number of New Stapled Securities to be issued to you will be calculated by dividing the amount you subscribe by the Offer Price, then rounding down to the nearest whole number of New Stapled Securities. This could result in a small amount of excess (which will always be less than the Offer Price for one New Stapled Security under the Offer) (**Excess Amount**).
- 12.2 Refunds under the Offer may be paid under various circumstances, including:
- (a) If allocations are scaled back you will receive a refund of:
 - (i) the scaled back amount; and
 - (ii) the Excess Amount.
 - (b) If allocations are not scaled back you will not receive a refund of the Excess Amount. Aspen Group will retain the Excess Amount and pay such amount (which will always be less than the Offer Price for one New Stapled Security under the Offer) as a donation to a charity of its choice. You will not receive a charitable tax receipt for this.
 - (c) If your application is rejected, your application amount will be refunded in full.
 - (d) If a refund is made, you will not receive any interest on funds refunded to you.

13 Securityholders outside Australia and New Zealand

- 13.1 The laws of some countries prohibit or make impracticable participation in the Offer by certain overseas Securityholders. Securityholders who are not resident in Australia or New Zealand will not be able to participate in the Offer.

The Offer does not constitute an offer of Stapled Securities for sale or issue in any other jurisdiction. Failure to comply with these restrictions may result in violations of applicable securities laws.

14 New Zealand

14.1 The New Stapled Securities are not being offered or sold to the public within New Zealand other than to existing Securityholders of Aspen Group with registered addresses in New Zealand to whom the offer of the New Stapled Securities is being made in reliance on Financial Markets Conduct (Incidental Offers) Exemption Notice 2021.

14.2 This document has not been registered, filed with or approved by any New Zealand regulatory authority under the Financial Markets Conduct Act 2013. This document is not a product disclosure statement under New Zealand law and is not required to, and may not, contain all the information that a product disclosure statement under New Zealand law is required to contain.

15 United States

15.1 The New Stapled Securities have not been, and will not be, registered under the US Securities Act and may not be offered or sold in the United States except in transactions exempt from, or not subject to, registration under the US Securities Act and applicable US state securities laws.

15.2 You must not make a payment by BPAY or EFT or otherwise in respect of the purchase of New Stapled Securities on behalf of any person in the United States.

16 Dispute resolution

16.1 Aspen Group may settle in any manner it thinks fit, any difficulties, anomalies or disputes that may arise in connection with or by reason of the operation of this Offer.

16.2 The decision of Aspen Group is conclusive and binding on all Securityholders and other persons to whom the determination relates.

17 Waiver, amendment, suspension and termination

17.1 Aspen Group may waive compliance with any provision of these Terms, amend or vary these Terms or suspend, withdraw or terminate this Offer at any time. Any such action is binding on all Eligible Securityholders even where Aspen Group does not notify you.

17.2 Aspen Group is not liable for loss arising out of any exercise of its discretions.

- 18.2 Given the Offer is being made in conjunction with the Placement, Aspen Group refers to the cleansing notice lodged in relation to the Placement on 19 September 2022.

19 Privacy

- 19.1 Chapter 2C of the Corporations Act requires information about a Securityholder (including your name, address and details of the Stapled Securities you hold) to be included in the public register of the entity in which you hold Stapled Securities.
