Dicker Data successfully completes Share Purchase Plan

AUSTRALIA, Sydney – 23 September 2022: Dicker Data Limited (ASX: DDR) (“Dicker Data” or the “Company”) is pleased to announce that further to its ASX announcement dated 31 August 2022, the Company has now successfully completed its Share Purchase Plan (“SPP”).

A total of approximately 2.11 million new shares (“New Shares”) are expected to be issued under the SPP, raising approximately \$21.8 million. The SPP originally targeted \$10 million, however, Dicker Data has exercised its discretion to increase the size of the SPP to \$21.8 million. The increase will allow Dicker Data to accept all valid applications in full and with no scale back.

The SPP was open to 14,111 eligible shareholders and valid applications totalling approximately \$21.8 million were received from 1,373 shareholders, reflecting a participation rate for those eligible shareholders of 9.7% at the record date of 29 August 2022 and an average application amount of \$15,856. The New Shares will be issued to successful SPP applicants at \$10.30, being the same as the price paid by institutional investors under the Placement. The SPP shares will rank equally with existing shares on issue from allotment.

New Shares issued under the SPP are expected to be issued on 27 September 2022 and to commence trading on 28 September 2022. Holding statements are expected to be dispatched to successful applicants on 28 September 2022.
