

ASX Release: 6 October 2022

Response to Media Article

Quickstep Holdings Limited (ASX:QHL) (Quickstep) notes the article in yesterday's press regarding manufacturing volumes between Quickstep and drone manufacturer Carbonix in relation to the fulfilment of an order made by Anduril, a US defence tech start-up.

Quickstep has not made a previous announcement in relation to manufacturing volumes with Carbonix because the transaction involving Carbonix is not material.

If the transaction does become material Quickstep will make the appropriate announcement to the ASX.
