### About Dalrymple Bay Infrastructure

Dalrymple Bay Infrastructure (DBI) through its foundation asset, the Dalrymple Bay Terminal (DBT), aims to provide safe and efficient terminal infrastructure and services for producers and consumers of high quality Australian coal exports. DBT, as the world's largest metallurgical coal export facility, serves as a global gateway from the Bowen Basin and is a critical link in the global steelmaking supply chain. By providing operational excellence and options for capacity expansions to meet expected strong export demand, DBI intends to deliver value to security holders through distributions, ongoing investment and capital growth.
