– ASX Announcement –

Dividend Reinvestment Plan (DRP) Issue Price

Imperial Pacific Limited advises that the DRP Issue Price relating to the current dividend payout for 2022 is 146.25 Cents per new Ordinary Share. The Issue Price was calculated in accordance with the company's Dividend Reinvestment Plan Rules and takes account of the level of current share trading. As previously announced, the discount applicable to the 2022 computation was 2.5%

The new securities are expected to be issued over the next week. They will rank equally with existing issued ordinary shares.

This announcement is approved for release by the Board of Directors.
