### **Co-location of head office and manufacturing facilities**

### **Change of registered office and principal place of business**

Noumi Limited (**ASX: NOU**) is pleased to announce the strategic decision to co-locate the Company's head office and NSW manufacturing operations at its Ingleburn facility in southwest Sydney.

In line with its commitment to manage costs in a challenging operating environment, the Company has taken advantage of the expiry of current lease arrangements and the economy-wide shift towards more flexible work arrangements to consolidate its NSW operations at a single site.

Noumi has advised employees that it will relocate its Taren Point head office to the Ingleburn facility, with the Marrickville manufacturing operations to relocate to Ingleburn by the end of Q2 FY23. The Company is confident the co-location of operations at the single site will not only deliver meaningful savings but will foster greater collaboration between team members.

As a result of these changes, in accordance with listing rule 3.14, with effect from today the Company will change its registered office and principal place of business to:

8a Williamson Road  
Ingleburn NSW 2565
