About SenSen Networks Limited

SenSen Networks Limited (ASX:SNS) is a leading AI Data Fusion Enterprise that works with people, places and data to solve problems once thought technically impossible. The company’s patented network approach enables SenSen to offer customised, real-time and batch processing of data alongside SaaS solutions.

The Company’s technology fuses complex video and sensor datasets at high speeds across multiple networks to assess and inform strategic actions to its customers across its enterprise verticals: Smart Cities, Casinos, Airports and Retail. SenSen has clients on four continents and can be found in Australia, New Zealand, Singapore, USA, Canada, India and UAE.
