IMPORTANT VOTING INFORMATION

VOTING EXCLUSIONS

Voting exclusions for Resolution 1 - Remuneration Report

In accordance with sections 250R(4) and (5) of the Act, a vote on Resolution 1 must not be cast (in any capacity) by, or on behalf of, the following persons:

- a) a member of Pacific Current's Key Management Personnel (**KMP**) whose remuneration details are included in the 2022 Remuneration Report; or
- b) a closely related party of such a KMP.

However, a person described above may cast a vote on Resolution 1 as a proxy, if the vote is not cast on behalf of a person described above and either:

- a) the proxy appointment is in writing and specifies the way the proxy is to vote on the resolution; or
- b) the vote is cast by the Chair of the AGM and the appointment of the Chair as proxy:
 - i) does not specify the way the proxy is to vote on the resolution; and
 - ii) expressly authorises the Chair to exercise the proxy even if the resolution is connected directly or indirectly with the remuneration of a member of the KMP.

Additionally, in accordance with section 250BD of the Act, a vote must not be cast on Resolution 1 as a proxy by a member of the KMP at the date of the AGM, or a closely related party of a KMP member, unless it is cast as proxy for a person entitled to vote in accordance with the person's directions. This restriction on voting undirected proxies does not apply to the Chair of the Meeting where the proxy appointment expressly authorises the Chair of the Meeting to exercise undirected proxies even if the resolution is connected, directly or indirectly, with the remuneration of a member of the KMP.

KMP has the meaning as set out in the Act and refers to Directors of Pacific Current and those persons having authority and responsibility for planning, directing and controlling the activities of Pacific Current, directly or indirectly. Closely related party of a member of the KMP has the meaning set out in the Act and includes close family members of the KMP member and companies the KMP member controls.

Voting exclusions for Resolution 4 – Approval of benefits to specific employees on their cessation of employment or on transfer of undertaking or property of the Company

In accordance with section 200E(2A) of the Act, a vote on Resolution 4 must not be cast (in any capacity) by, or on behalf of, Mr Ashley Killick, Mr David Griswold, Mr Trent Erickson or Mr Curtis Yasutake or an associate of his. Associate has the meaning set out in the Act and includes a person in concert with whom the employee is

acting, or proposing to act, relation to voting on Resolution 4.

However, this does not prevent the casting of a vote on Resolution 4 if:

- it is cast by a person as a proxy appointed in writing that specifies how the proxy is to vote on the resolution; and
- it is not cast on behalf of a person described above.

Additionally, in accordance with section 250BD of the Act, a vote must not be cast on Resolution 4 as a proxy by a member of the KMP at the date of the AGM, or a closely related party of a KMP member, unless it is cast as proxy for a person entitled to vote in accordance with the person's directions. This restriction on voting undirected proxies does not apply to the Chair of the Meeting where the proxy appointment expressly authorises the Chair of the Meeting to exercise undirected proxies even if the resolution is connected, directly or indirectly, with the remuneration of a member of the KMP.

A vote cast in contravention of the above restrictions will not be counted.

ENTITLEMENT TO ATTEND AND VOTE

In accordance with regulation 7.11.37 of the Corporations Regulations 2001 (Cth), the Board has determined that persons who are registered holders of Pacific Current shares as at 7:00pm AEDT on **Saturday, 19 November 2022** will be entitled to attend and vote at the AGM as a shareholder.

If more than one joint holder of shares is present at the AGM (whether personally, by proxy, by attorney, or by representative) and tenders a vote, only the vote of the joint holder whose name appears first on the register will be counted.

Appointment of Proxy

If you are a shareholder entitled to attend and vote, you may appoint an individual or a body corporate as a proxy. If a body corporate is appointed as a proxy, that body corporate must ensure that it appoints a corporate representative in accordance with section 250D of the Act to exercise its powers as proxy at the AGM.

A proxy need not be a shareholder of Pacific Current.

A shareholder may appoint up to two proxies and specify the proportion or number of votes each proxy may exercise. If the shareholder does not specify the proportion or number of votes to be exercised, each proxy may exercise half of the shareholder's votes.

To be effective, the proxy must be received at Pacific Current's Share Registry no later than **10:00am AEDT on Saturday, 19 November 2022 (48 hours before AGM)**. Proxies must be received before that time by one of the following methods:

The appointment of the representative must comply with the requirements under section 250D of the Act. The representative should bring to the AGM a properly executed letter or other document confirming its authority to act as the company's representative.

Pacific Current will not allow conduct at any shareholder meeting which is discourteous to those who are present at the meeting, or which in any way disrupts or interferes with the proper conduct of the meeting. The Chair of the Meeting will exercise his powers as the Chair to ensure that the meeting is conducted in an orderly and timely fashion, in the interests of all attending shareholders.

PARTICIPATION IN THE AGM

There are two ways shareholders and interested parties can participate in the AGM:

- **Physical Meeting**: shareholders and visitors are able to attend the meeting in person at the venue as previously noted. Shareholders and proxyholders can vote and ask questions during the meeting.
- **Online Audio Webcast**: shareholders and proxyholders can listen to the proceedings live and view the presentation, **but will not be able to ask questions or vote at the meeting via the audio webcast.**

Please note that there may be a short delay when listening to the webcast.

To ensure that as many shareholders as possible have the opportunity to ask questions, shareholders are requested to observe the following guidelines:

- all shareholder questions should be stated clearly and should be relevant to the Business of the Meeting, including matters arising from the Financial Report, the Directors' Report (including the Remuneration Report) and the Auditor's Report, and general questions about the performance, business or management of the Company;
- if a shareholder has more than one question on an Item, all questions should be asked at the one time; and
- shareholders should not ask questions at the Meeting relating to any matters that are personal to the shareholder.

EXPLANATORY MEMORANDUM

INTRODUCTION

This Explanatory Memorandum has been prepared for the information of shareholders of Pacific Current (**Shareholders**) in relation to the business to be conducted at the AGM to be held on Monday, 21 November 2022, commencing at 10:00am AEDT.

This Explanatory Memorandum forms part of the Notice of Meeting, which should be read in its entirety. This Explanatory Memorandum contains the information, terms and conditions on which the Resolutions will be voted.

Subject to the abstentions noted below, the Directors unanimously recommend Shareholders vote in favour of all Resolutions.

Resolution 1, relating to the Remuneration Report, is advisory and does not bind the Directors or the Company.

Resolutions 2, 3 and 4 are ordinary resolutions, which require a simple majority of votes cast by Shareholders present and entitled to vote on the resolution.

Shareholders should read the Notice of Meeting including this Explanatory Memorandum carefully before deciding how to vote on the Resolutions.

1. CONSIDERATION OF REPORTS

In accordance with section 317(1) of the Act, the Financial Report, the Directors' Report and the Independent Auditor's Report for the year ended 30 June 2022 (which are contained in the 2022 Annual Report), will be presented for consideration.

A printed copy of the 2022 Annual Report, or an email advising that the 2022 Annual Report is available on Pacific Current's website at:

<https://paccurrent.com/shareholders/document-library/annual-report/>

has been sent to each shareholder who has requested a copy.

Neither the Act nor the Company's Constitution requires Shareholders to vote on the Reports. However, during this item, Shareholders will be given an opportunity to ask questions about, and make comments on, Pacific Current's Annual Report.

QUESTIONS AND COMMENTS

Following consideration of the Reports, the Chair of the Meeting will give Shareholders a reasonable opportunity to ask questions about, or make comments on, the business of the meeting, the management of the Company, or about the Company generally.

The Company's Auditor will attend the meeting and there will be a reasonable opportunity for Shareholders to ask the Auditor questions relevant to:

- the conduct of the audit;
- the preparation and content of the Independent Auditor's Report;
- the accounting policies adopted by Pacific Current in relation to the preparation of the financial statements; and
- the independence of the Auditor.

The Chair of the Meeting will also give the Auditor a reasonable opportunity to answer written questions submitted by Shareholders relating to the content of the Independent Auditor's Report or the conduct of the audit.

ITEMS FOR APPROVAL

2. RESOLUTION 1 - REMUNERATION REPORT

Section 250R(2) of the Act requires that Pacific Current put to a shareholder vote, a resolution that the Remuneration Report dealing with the remuneration of KMP of the Company (**Remuneration Report**) be adopted. The vote is advisory only and does not bind the Directors or Pacific Current, although Pacific Current takes the outcome of the vote into consideration in determining remuneration policy going forward.

The Remuneration Report is contained in the Directors' Report set out at pages 19-34 of the 2022 Annual Report, which is available on Pacific Current's website:

<https://paccurrent.com/shareholders/document-library/annual-report/>.

The Remuneration Report:

- explains Pacific Current's executive remuneration framework and objectives, and the link between the remuneration of Executives and Pacific Current's performance;
- sets out remuneration details for each Director and for each executive with authority and responsibility for directing the affairs of the Company; and
- makes clear that the basis for remunerating Non-Executive Directors is distinct from the basis for remunerating Executives, including Executive Directors.

The Chair will give Shareholders a reasonable opportunity to ask questions about, or make comments on, the Remuneration Report.

An Advisory Resolution that the Remuneration Report for the year ended 30 June 2022 is adopted will then be put to a Shareholder vote.

Directors' Recommendation

The Directors abstain, in the interests of good corporate governance, from making a recommendation in relation to Resolution 1.

3. RE-ELECTION OF DIRECTORS

The Board considered whether Ms Guérin had any interest, position or relationship that may interfere with each of her independence as a Director, having regard to the relevant factors as set out in the ASX Corporate Governance Council Principles & Recommendations (4th edition). The Board considers that Ms Guérin (if re-elected), will continue to be an independent Director.

Mr Guérin has re-confirmed to Pacific Current that he will have sufficient time to fulfill his responsibilities as Director.

The Board supports the re-election of Mr Guérin as he contributes to the Board significant experience as set out above.

Directors' Recommendation

For the reasons set out above, the Directors (with Mr Gu rin abstaining) recommend you vote **in favour** of Resolution 3.

4. RESOLUTION 4 – APPROVAL OF BENEFITS TO SPECIFIC EMPLOYEES ON THEIR CESSATION OF EMPLOYMENT IN CERTAIN CIRCUMSTANCES OR ON TRANSFER OF UNDERTAKING OR PROPERTY OF THE COMPANY

Why is Shareholder approval being sought?

Section 200B of the Act prohibits a company from providing a benefit to an employee in a managerial or executive office in connection with his or her retirement from, or other cessation of, office without shareholder approval under section 200E (subject to some limited exceptions).

Similarly, section 200C of the Act prohibits a company from providing a benefit to an employee in a managerial or executive office in connection with the transfer of the whole or any part of the undertaking or property of the company.

Mr Killick is a member of the KMP and holds a managerial or executive office in the Company as his remuneration details were included in the PAC Directors' Report for the previous financial year ended 30 June 2021. Messrs Griswold, Erickson and Yasutake hold managerial or executive offices in the Company as they hold positions in connection with the management of the Company's affairs and are also directors of a subsidiary of the Company.

In February this year, these employees were granted performance rights (**Rights**) and options (**Options**) each to acquire 1 fully paid ordinary share (**Share**) in the Company for, in the case of the Rights, no cash consideration, and in the case of the Options, an exercise price of \$7.28 per Option, and otherwise on the terms of the Company's employee share ownership plan (**Plan**) re-approved by shareholders at the Company's AGM held

last year and individual invitation letters provided to each employee.

The number of Rights and Options granted to each employee is set out below:

Employee	Rights	Options
Mr Killick	75,000	210,000
Mr Griswold	75,000	210,000
Mr Erickson	75,000	210,000
Mr Yasutake	27,000	30,000

Under the terms of these Rights and Options, a benefit may be received in the circumstances prescribed by sections 200B and 200C as requiring shareholder approval under section 200E – see further details below.

Summary of key terms of Rights

- a. The Rights are subject to the following vesting conditions being met before the underlying Shares can be acquired:

 - the voting power of a person in the Company increases from 50% or below to more than 50%;

(Early Vesting Event) the Company may in its absolute discretion:

- waive the continuing engagement-related vesting condition applicable to any of the Rights;
- where the vesting conditions applicable to any Rights (as varied) have been satisfied or waived, cancel any of those Rights on terms that the market value of the Rights as determined by the Board is payable to the holder in consideration for their cancellation; and/or
- cancel any other Rights on such terms as the Company determines, including for no consideration.
- c. Rights will cease to exist where the vesting condition applicable to the Rights is not met or cannot be met, and is not waived by the Company.
- d. The number of Rights, underlying Shares and/or other terms of the Rights may be adjusted where there is a bonus issue of Shares or the share capital of the Company is reorganised.
- e. Where the vesting conditions applicable to any Rights (as varied) have been satisfied or waived, the Company may, in circumstances where the underlying Shares would be acquired outside a trading window or in contravention of the insider trading laws, elect to cancel the Rights on terms that the market value of the Rights as determined by the Board is payable to the holder or to defer the time for acquisition of the Shares until a time when the acquisition is permitted.

Summary of key terms of Options

- a. The Options are subject to the following vesting conditions being met before they can be exercised:
 - For one third of the Options (**1st Tranche Options**), the employee to whom the Options were granted must remain employed by the Company at 1 July 2024.
 - For the remaining two thirds of the Options (**2nd Tranche Options**), the employee must remain employed by the Company at 1 July 2025.
- b. In addition to the Company's power of waiver under the Plan, where an Early Vesting Event (see above) occurs, the Company may in its absolute discretion:
 - waive the continuing engagement-related vesting condition applicable to any of the Options;
 - where the vesting conditions applicable to any Options (as varied) have been satisfied or waived, cancel any of those Options on terms that the market value of the Options as determined by the Board is payable to the holder in consideration for their cancellation; and/or

- bring forward the expiry date of the Options.
- c. The Options will expire if not exercised on or before 1 January 2026.
- d. The number of Options, underlying Shares, exercise price and/or other terms of the Options may be adjusted where there is a pro rata bonus issue or rights offer of Shares or the share capital of the Company is reorganised.
- e. Where the vesting conditions applicable to any Options (as varied) have been satisfied or waived and the Options have been exercised, the Company may, in circumstances where the underlying Shares would be acquired outside a trading window or in contravention of the insider trading laws, elect to cancel the Options on terms that the market value of the Options as determined by the Board is payable to the holder or to defer the time for acquisition of the Shares until a time when the acquisition is permitted. The Company may also, with the agreement of the holder of vested Options, elect to cancel any of them in exchange for payment of their market value as determined by the Board in money and/or Shares.

The value attributed to the Rights and Options

Having regard to independent financial advice received by Pacific Current, the Board has estimated the value of the Rights and Options as at 24 February 2022 using a Black-Scholes option pricing model applying the following inputs:

	1 st Tranche Rights	2 nd Tranche Rights	3 rd Tranche Rights	1 st Tranche Options	2 nd Tranche Options
Underlying Share acquisition date	30 June 2024	30 June 2025	30 June 2026	1 July 2024	1 July 2025
Underlying Share price volatility	40.0%	40.0%	40.0%	40.0%	40.0%
Assumed dividend yield	4.9% per annum	4.9% per annum	4.9% per annum	4.9% per annum	4.9% per annum
Risk free rate	1.3% per annum	1.7% per annum	1.8% per annum	1.6% per annum	1.7% per annum
Estimated value	\$6.62 each	\$6.31 each	\$6.02 each	\$1.57 each	\$1.64 each

Based on the above, the total estimated value of the Rights and Options granted to each employee is as follows:

Employee	Rights	Options	Total
Mr Killick	\$473,750	\$339,500	\$813,250
Mr Griswold	\$473,750	\$339,500	\$813,250

Mr Erickson	\$473,750	\$339,500	\$813,250
Mr Yasutake	\$170,550	\$48,500	\$219,050

Details of the benefit requiring shareholder approval

Shareholder approval is being sought to allow the early vesting of the Rights and Options granted to Mr Killick, Mr Griswold, Mr Erickson or Mr Yasutake, in the event that:

- a. the employee ceases to hold an office or position with or provide a service to the Company due to his death, injury, illness or retrenchment or for any other reason approved by the Board;
- b. a scheme of arrangement between the Company and its shareholders under part 5.1 of the Act for the acquisition of the whole or a substantial part of the business or property of the Company by another entity is approved by the shareholders of the Company under section 411(4)(a)(ii) of the Act; or
- c. the Company disposes, or agrees to dispose, of the whole or a substantial part of its business or property.

Early vesting of any Rights or Options may entitle the employee to acquire the underlying Shares - or receive a payment of money instead.

While it is currently impossible to specify the value of the benefit to the employees if some or all of their Rights and Options were to vest early in these circumstances, the total estimated values noted above are a rough guide if they all were to vest early and the market price of the underlying Shares did not change from their market price as at 24 February 2022. However, the precise value at the time of early vesting will depend on the then market price of the Shares that are the subject of the Rights and Options that vest early, and in the case of the Options, less their exercise price plus an allowance for the time value of the Options to their expiry date.

All your securities will be voted in accordance with your directions.

APPOINTMENT OF PROXY

Voting 100% of your holding: Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box your proxy may vote or abstain as they choose (to the extent permitted by law). If you mark more than one box on an item your vote will be invalid on that item.

Voting a portion of your holding: Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

Appointing a second proxy: You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

A proxy need not be a securityholder of the Company.
