Radiopharm Theranostics Limited (ASX:RAD, "Radiopharm" or the "Company"), a developer of a world-class platform of radiopharmaceutical products for both diagnostic and therapeutic uses is pleased to announce that it has successfully completed the institutional component of the accelerated non-renounceable entitlement offer (**Institutional Entitlement Offer**) originally announced on 19 October 2022, raising approximately \$5.5 million at a price of \$0.14 per share.

The retail component of the entitlement offer (Retail Entitlement Offer) will open on 25 October 2022. A maximum of approximately \$4.5 million may be raised under the Retail Entitlement Offer.

The Company held an investor webinar on Tuesday 18 October 2022, regarding the positive Phase 2a data from Imperial College London's F-18 Pivalate technology. Please use the following link for access to a recording of the webinar <https://youtu.be/WbkfvQgsbms>

### **Institutional Entitlement Offer**

The Institutional Entitlement Offer was strongly supported by existing shareholders and new professional and sophisticated investors. Shares issued under the Institutional Entitlement Offer will be issued at the same price as the Retail Entitlement Offer (\$0.14 per share) with a one for one free attaching Option per new Share subscribed for, expected to be allotted on 26 October 2022.

**Radiopharm Executive Chairman, Paul Hopper commented:** "We are thrilled to have delivered a positive Phase 2 trial readout in brain mets which has a significant unmet clinical need just 11 months since IPO. Whilst the Company has spent \$2m less than forecast in its IPO Prospectus it has also acquired three exciting new platform technologies since IPO. Post raising the Company is expected to have \$36.9m of cash and we look forward to 2023 where we expect to have five Phase 1 clinical trials underway and have progressed Pivalate into late-stage trials in the US, subject to a positive Type C meeting with the FDA in early 2023."

### Fully underwritten Retail Offer

In conjunction with the successful completion of the \$5.5 million Institutional offer, Bell Potter Securities Limited (**Lead Manager**) has agreed to fully underwrite the Retail Entitlement Offer on the terms and conditions pursuant to an underwriting agreement with the Company (**Underwriting Agreement**). Accordingly, this means that the Company has, subject to the terms of the Underwriting Agreement, certainty of raising \$4.5 million from the Retail Entitlement Offer, taking the total raised amount under the Offer to approximately \$10.0m.

In the execution of the Lead Manager's obligations, they are entitled to engage with sub-underwriters on their own terms and expense.

The Lead Manager's obligations under the Underwriting Agreement, including to fully underwrite and manage the Entitlement Offer, are conditional on certain matters, including lodgement of certain ASX materials in accordance with the agreed timetable, and the timely delivery of certain due diligence materials, sign-offs, opinions and certificates by the Company.

The Company has agreed to pay the Lead Manager a fee of 6% (plus GST) on the gross amount raised under the Retail Entitlement Offer.

If certain conditions are not satisfied, or certain events occur, some of which are beyond the control of the Company, the Lead Manager may terminate their obligations under the Underwriting Agreement without cost or liability, at any time before settlement of the Retail Entitlement Offer.

Termination of Underwriting Agreement may have an adverse impact on the ability of the Company to proceed with the Retail Entitlement Offer and the quantum of funds raised. If the Underwriting Agreement is terminated, there is no guarantee that the Retail Entitlement Offer will proceed in its current form or at all.

The Lead Manager may terminate the underwriting obligations upon the occurrence of certain termination events. Further details of these termination events are set out in Appendix 1.
