VOTING EXCLUSIONS:

Resolution 1

The Company will disregard any votes cast on Resolution 1 by a Director or on behalf of “Key Management Personnel” (as defined in the Accounting Standards as published by the Australian Accounting Standards Board) and their “closely related parties”.

Key Management Personnel (**KMP**) are the Company’s Directors and Executives identified in the Company’s Remuneration Report. A closely related party of a KMP means a spouse or child of the KMP, a child of the KMP’s spouse, a dependent of the KMP or the KMP’s spouse and anyone else who is one of the KMP’s family and may be expected to influence the KMP, or be influenced by the KMP, in the KMP’s dealings with the Company or a company the KMP controls (**Closely Related Party**).

However, the Company need not disregard a vote if the vote is not cast on behalf of a person described above and either: (a) the voter is appointed as a proxy by writing that specifies the way the proxy is to vote on the resolution; or (b) the voter is the Chairman and the appointment of the Chairman expressly authorises the Chairman to exercise the proxy even if the Resolution is connected directly or indirectly with the remuneration of a member of the KMP.

Resolutions 6, 7 and 8

The Company will disregard any votes cast on Resolutions 6, 7 and 8 by the Director named in each respective Resolution and any other person who will obtain a material benefit as a result of the issue of the securities in each case (except a benefit solely by reason of being a holder of ordinary securities in the entity) and their associates.

However, this does not apply to a vote cast in favour of a Resolution by:

- (a) a person as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with directions given to the proxy or attorney to vote on the resolution in that way; or
- (b) the chair of the meeting as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with a direction given to the chair to vote on the resolution as the chair decides; or

 - (i) the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the resolution; and
 - (ii) the holder votes on the resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

Resolution 9

The Company will disregard any votes cast on Resolution 9 by any person who participated in the issue or is a counterparty to the agreement being approved, or their associates.

However, this does not apply to a vote cast in favour of a Resolution by:

- (a) a person as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with directions given to the proxy or attorney to vote on the resolution in that way; or

- (b) the chair of the meeting as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with a direction given to the chair to vote on the resolution as the chair decides; or
- (c) a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - (i) the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the resolution; and
 - (ii) the holder votes on the resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

Resolution 10

The Company will disregard any votes cast on Resolution 10 by any person who is expected to participate in, or who will obtain a material benefit as a result of, the proposed issue (except a benefit solely by reason of being a holder of ordinary securities in the entity), and any of their associates.

However, this does not apply to a vote cast in favour of a resolution by:

- (a) a person as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with directions given to the proxy or attorney to vote on the resolution in that way; or
- (b) the chair of the meeting as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with a direction given to the chair to vote on the resolution as the chair decides; or
- (c) a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - (i) the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the resolution; and
 - (ii) the holder votes on the resolution in accordance with directions given by the beneficiary to the holder to vote in that way..

IMPORTANT INFORMATION ABOUT VOTING ON THE RESOLUTIONS

All Resolutions will be by Poll

In accordance with clause 15.13 of the Company's constitution, the Chair intends to call a poll on each of the resolutions proposed at the Meeting. Each resolution considered at the Meeting will therefore be conducted by a poll, rather than on a show of hands. The Chair considers voting by poll to be in the interests of the Shareholders as a whole and is a way to ensure the views of as many Shareholders as possible are represented at the Meeting.

Where the member appoints two proxies, the appointment may specify the proportion or number of votes that each proxy may exercise. If the appointment does not specify a proportion or number, each proxy may exercise one half of the votes, in which case any fraction of votes will be discarded.

A proxy need not be a member of the Company.

Proxies given by corporate Shareholders must be executed in accordance with their Constitutions or signed by a duly authorised attorney.

A proxy may decide whether to vote on any motion except where the proxy is required by law or the Constitution to vote, or abstain from voting, in their capacity as a proxy. If a proxy is directed how to vote on an item of business, the proxy may vote on that item only in accordance with that direction. If a proxy is not directed how to vote on an item of business, a proxy may vote how he or she thinks fit.

The Constitution provides that a proxy form issued by the Company may provide that where the appointment of a proxy has not identified the person who may exercise it, the appointment will be deemed to be given in favour of the Chair of the meeting who may either act as proxy or complete the proxy appointment by inserting the name or names of one or more Directors or the secretary.

If a Shareholder appoints the Chair of the meeting as the Shareholder's proxy and does not specify how the Chair is to vote on an item of business, the Chair will vote, as a proxy for that Shareholder, in favour of the item on a poll.

EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions to be put to Shareholders at the Annual General Meeting to be held online (see further details in the Notice of Meeting) and at Colin Biggers & Paisley Lawyers, Level 35, Waterfront Place, 1 Eagle Street, Brisbane on Wednesday, 23 November 2022 at 9:00am (AEST).

The Notice of Meeting, which is also enclosed, sets out details of proposals concerning the Resolutions to be put to Shareholders.

The Directors recommend Shareholders read the accompanying Notice of Meeting and this Explanatory Statement in full before making any decision in relation to the Resolutions.

Unless otherwise defined, terms used in this Explanatory Statement are defined in the Glossary forming part of this Explanatory Statement.

Financial Statements and Reports

In accordance with the Constitution, the business of the Annual General Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2022 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's 2022 Annual Report to Shareholders unless specifically requested to do so. The Company's 2022 Annual Report is available on its website at <https://stategas.com/>.

1. Resolution 1 – Adoption of Remuneration Report (Non-Binding)

1.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the Company or the Directors of the Company.

The remuneration report sets out the Company's remuneration arrangements for the Directors and senior management of the company. The remuneration report is part of the Directors' report contained in the annual financial report of the company for a financial year.

The Chair must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the Annual General Meeting.

1.2 Voting Consequences

Under changes to the Corporations Act which came into effect on 1 July 2011, a company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the

managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

1.3 Previous Voting Results

At the Company's previous Annual General Meeting, the votes cast against the remuneration report considered at that meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

1.4 Proxy voting restrictions

Shareholders appointing a proxy for this Resolution should note the following:

If you appoint a member of the Key Management Personnel (other than the Chair) whose remuneration details are included in the Remuneration Report, or a Closely Related Party of such a member as your proxy:	You <u>must direct your proxy</u> how to vote on this Resolution. Undirected proxies granted to these persons will not be voted and will not be counted in calculating the votes on this Resolution.
If you appoint the Chair as your proxy (where he/she is also a member of the Key Management Personnel whose remuneration details are included in the Remuneration Report, or a Closely Related Party of such a member):	You <u>do not</u> need to direct your proxy how to vote on this Resolution. However, if you do not direct the Chair how to vote, you are taken to expressly authorise the Chair to exercise his/her discretion in exercising your proxy even though this Resolution is connected directly or indirectly with the remuneration of Key Management Personnel. The Chair intends to vote undirected proxies in favour of all Resolutions.
If you appoint any other person as your proxy:	You <u>do not</u> need to direct your proxy how to vote on this Resolution.

2. Resolution 2 – Re-Election of Anthony Bellas

2.1 Background

Clause 18.4 of the Constitution provides that a Director must retire from office no later than the longer of the third annual general meeting of the Company following that Director's last election or appointment.

Pursuant to Resolution 2, Anthony Bellas, being eligible for re-election, offers himself for re-election at the Meeting pursuant to clause 18.4 of the Constitution.

2.2 Qualifications and other material directorships

Mr Bellas brings over 30 years of experience in the public and private sectors. Tony was previously CEO of the Seymour Company, one of Queensland's largest private investment and development companies. Prior to joining the Seymour Company, Tony held the position of CEO of Ergon Energy, a Queensland Government-owned corporation involved in electricity distribution and retailing. Before that, he was CEO of CS Energy, also a Queensland Government-owned corporation and the State's largest electricity generation company, operating over 3,500 MW of gas-fired and coal-fired plant at four locations. Tony had a long career with Queensland Treasury, achieving the position of Deputy Under Treasurer

Mr Bellas was appointed as a Director on 16 June 2017 and is considered to be an independent Director.

2.3 Directors' Recommendation

The Directors, other than Mr Bellas, recommend the re-election of Anthony Bellas

3. Resolution 3 – Re-Election of Greg Baynton

3.1 Background

Clause 18.4 of the Constitution provides that a Director must retire from office no later than the longer of the third annual general meeting of the Company following that Director's last election or appointment.

Pursuant to Resolution 2, Greg Baynton, being eligible for re-election, offers himself for re-election at the Meeting pursuant to clause 18.4 of the Constitution.

3.2 Qualifications and other material directorships

Mr Baynton has been a Director of Australian exploration companies for over 20 years. He is founder and Executive Director of investment and advisory firm, Orbit Capital Pty Ltd. Mr Baynton has experience in investment banking, infrastructure investment, IPOs, public company directorships, Queensland Treasury and the Department of Mines and Energy. He is a Fellow of the Geological Society of London.

Mr Baynton was appointed as a Director on 7 June 2017 and is not considered to be an independent Director.

3.3 Directors' Recommendation

The Directors, other than Mr Baynton, recommend the re-election of Greg Baynton.

4. Resolutions 4 and 5 – Appointment of John Stretch and Philip St Baker

4.1 Background

On 10 October 2022, the Company announced the appointment of John Stretch and Phillip St Baker as Directors.

Listing Rule 14.4 provides that a director appointed as an addition to the board of an entity must not hold office past the next annual general meeting of the Company. The Company's Constitution contains equivalent provisions.

Information about John Stretch and Mr Philip St Baker is set out in the Company's ASX announcement of 10 October 2022.

Since Mr Stretch and Mr St Baker were appointed as additions to the Board before the Meeting the subject of this Notice, the Company now seeks the approval of Shareholders for the appointment of these Directors.

4.2 Directors' Recommendation

Each Director, with the exception of Mr Stretch in relation to Resolution 4 and Mr St Baker in relation to Resolution 5, recommends that Shareholders vote in favour of Resolutions 4 and 5.

5. Resolutions 6, 7 and 8 - Participation of related parties in a Placement

5.1 Background

On 10 October 2022, the Company announced that it had undertaken a placement of Shares to strategic investors and undertaken an associated equity raising, raising \$7 million at \$0.28 per Share (**Placement**).

The Placement was managed by Morgan's Corporate Limited and included commitments from Directors for 660,716 Shares, subject to the approvals sought by Resolutions 6, 1, 7 and 8.

Those commitments were comprised of:

- (a) Resolution 6 – Greg Baynton, 446,429 Shares;
- (b) Resolution 7 – Anthony Bellas, 178,572 Shares; and
- (c) Resolution 8 – Richard Cottee, 35,715 Shares,

and each of those respective Resolutions seeks approval for the issue (**Issue**) of the stated Shares to the Director concerned (each, a **Related Party Participant**).

5.2 Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act prohibits a public company from giving a financial benefit to a related party of the company unless either:

- (a) the giving of the financial benefit falls within one of the exceptions to the provision; or
- (b) prior shareholder approval is obtained to the giving of the financial benefit.

Related party is widely defined under the Corporations Act, and includes directors of a company. Financial benefit is defined broadly and includes benefits from the public company's subsidiaries. It is necessary to look at the economic and commercial substance and the effect of the transaction in determining the financial benefit. The Corporations Act requires that any consideration that is given is disregarded, even if the consideration is adequate.

The Participation will result in the issue of Shares which constitutes giving a financial benefit, and the Related Party Participant is a related party of the Company by virtue of being a Director.

The Directors consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the Participation because the Shares will be issued to the Related Party Participant at the same price and on the same terms as the Shares that were issued to non-related party participants in the Placement, and as such the giving of the financial benefit is on arm's length terms.

As a financial benefit given on arm's length terms is one of the exceptions contemplated in paragraph (a) above, the approval of Shareholders contemplated in the explanation above is not required.

5.3 ASX Listing Rule 10.11

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue equity securities to:

- (a) 10.11.1 - a related party;
- (b) 10.11.2 - person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the company;

- (c) 10.11.3 - a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the company and who has nominated a director to the board of the company pursuant to a relevant agreement which gives them a right or expectation to do so;
- (d) 10.11.4 - an associate of a person referred to in Listing Rules 10.11.1 to 10.11.3; or
- (e) 10.11.5 - a person whose relationship with the company or a person referred to in Listing Rules 10.11.1 to 10.11.4 is such that, in ASX's opinion, the issue or agreement should be approved by its shareholders,

unless it obtains the approval of its shareholders.

The Issue falls within Listing Rule 10.11.1 and does not fall within any of the exceptions in Listing Rule 10.12. It therefore requires the approval of the Shareholders under Listing Rule 10.11.

If each of Resolutions 6, 7 and 8 is passed, the Company will be able to proceed with the issue of Shares to the Related Party Participant the subject of the Resolution passed, within 1 month after the date of the Meeting. In this event, by operation of Listing Rule 7.2 Exception 14, the Issue to the Related Parties will not be included in the 15% calculation of the Company's Equity Security issue capacity.

If any of Resolutions 6, 7 and 8 is not passed, the Company will not be able to proceed with the issue of the Shares to the Related Party Participant in respect of who the Resolution was not passed and the Company will not raise the capital represented by that portion of the Placement.

5.4 Technical information required by ASX Listing Rule 10.13

Pursuant to and in accordance with ASX Listing Rule 10.13, the following information is provided in relation to the Participation:

Name of person to whom securities will be issued	Resolution 6 - Greg Baynton,; Resolution 7 - Anthony Bellas; and Resolution 8 - Richard Cottee.

Date of issue	The Shares will be issued within 1 month of the Meeting, if approved by Shareholders.

	aims to utilize the Company's conventional gas sourced from its 100%-owned Reid's Dome Gas Field; (c) planning and survey work for the Company's proposed export pipeline to connect its gas projects with the east coast gas pipeline network; (d) funding drilling associated with the Company's carbon sequestration joint-venture in Central Queensland; and (e) working capital.

Voting exclusion	A voting exclusion statement is set out in the Notice of Meeting.

5.5 Directors' Recommendation

The Directors, recommend that Shareholders vote in favour of this Resolution.

6. Resolution 9 – Ratification of a previous issue of Shares

Broadly speaking, and subject to a number of exceptions in Listing Rule 7.2, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period, to 15% of the fully paid ordinary securities it had on issue at the start of that period.

The issue of the Shares under the 10 October 2022 Placement (**Placement/Issue**) did not exceed the 15% threshold. However, since the issue of the Shares (**Placement Shares**) under the Placement did not attract any of the exceptions in Listing Rule 7.2 and was not previously approved by Shareholders, these Shares effectively used up part of the Company's 15% limit under Listing Rule 7.1, reducing the Company's capacity to issue further Equity Securities without Shareholder approval under Listing Rule 7.1 for the 12-month period following the issue.

Listing Rule 7.4 allows shareholders of a listed company to approve an issue of Equity Securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further Equity Securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional Equity Securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. To this

end, Resolution 9 seeks Shareholder approval to the issue of the Placement Shares under and for the purposes of Listing Rule 7.4.

If Resolution 9 is passed, the issue of the Placement Shares will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of Equity Securities it can issue without Shareholder approval over the 12-month period following the issue date.

If Resolution 9 is not passed, the issue of the Placement Shares will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of Equity Securities it can issue without Shareholder approval over the 12-month period following the issue date.

The Company provides the following information pursuant to Listing Rule 7.5:

Name of persons to whom Placement Shares were issued	Strategic and sophisticated investors identified by Morgans Corporate Limited, the lead manager of the Placement, including entities associated with Phillip St Baker.
Number of Placement Shares issued	24,339,284 Shares ranking equally in all respects with the Company's other Shares on issue.
Date of issue of the Placement Shares	23 June 2022
Issue price of Shares	\$0.28 per Share.
Purpose of the Issue	The Issue forms part of the Placement, which raised funds for: (a) continuation of horizontal well drilling and the testing program at the Company's 100%-owned Rolleston-West Gas Project; (b) the Company's Compressed Natural Gas Trucking project (as announced on ASX), which aims to utilize the Company's conventional gas sourced from its 100%-owned Reid's Dome Gas Field; (c) planning and survey work for the Company's proposed export pipeline to connect its gas projects with the east coast gas pipeline network; (d) funding drilling associated with the Company's carbon sequestration joint-venture in Central Queensland; and (e) working capital.
Voting exclusion	A voting exclusion statement is set out in the Notice of Meeting.

6.2 Directors' Recommendation

The Directors, with the exception of Phillip St Baker who participated in the Issue before being appointed as a Director, recommend that you vote in favour of this Resolution.

7. Resolution 10 - Approval of 10% Placement Capacity

7.1 General

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and which has a market capitalisation of \$300 million or less. The Company is an eligible entity for these purposes.

Resolution 10 seeks Shareholder approval by way of special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue equity securities without Shareholder approval.

If Resolution 10 is passed, the Company will be able to issue equity securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Resolution 10 is not passed, the Company will not be able to access the additional 10% capacity to issue equity securities without Shareholder approval and will remain subject to the 15% limit on issuing equity securities without Shareholder approval pursuant to Listing Rule 7.1.

Any Equity Securities issued under the 10% Placement Capacity must be in the same class as an existing class of quoted Equity Securities. As at the date of this Notice, the Company only has one class of quoted Equity Securities on issue, being the Shares (ASX Code: GAS).

This Resolution is a special resolution. Accordingly, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be in favour of this Resolution for it to be passed. If Shareholders approve this Resolution, the exact number of Equity Securities which may be issued under the 10% Placement Capacity will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (**10% Placement Securities**).

7.2 Technical Information required by ASX Listing Rule 7.1A

(a) Calculation for Additional 10% Placement - Listing Rule 7.1A.2

Listing Rule 7.1A.2 provides that Eligible Entities which have obtained shareholder approval at an annual general meeting may issue or agree to issue, during the period of the approval, a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

Where:

A has the same meaning as in Listing Rule 7.1.

D is 10%.

E is the number of equity securities issued or agreed to be issued under Listing Rule 7.1A.2 in the relevant period where the issue or agreement has not been subsequently approved by the holders of its ordinary securities under Listing Rule 7.4.

(b) **Listing Rule 7.1A.3**

Equity Securities

Any Equity Securities issued under the 10% Placement Capacity must be in the same class as an existing quoted class of Equity Securities of the Company and issued for cash consideration.

As at the date of this notice of meeting, the classes of Equity Securities in the Company quoted on the ASX are ordinary shares and options. The Company presently has 224,832,305 Shares on issue at the date of this Notice of Meeting. The Company is only seeking approval to issue ordinary Shares (and no other class of Equity Securities) under the 10% Placement Capacity.

(c) **Information to be given to ASX - Listing Rule 7.1A.4**

If Resolution 10 is passed and the Company issues any 10% Placement Securities under Listing Rule 7.1A, the Company must:

- (i) state in its announcement of the issue or in its application for quotation of the 10% Placement Securities that they are being issued under Listing Rule 7.1A; and
- (ii) give to the ASX immediately after the issue a list of allottees of the Placement Securities and the number of Placement Securities allotted to each (this list will not be released to the market).

(d) **Listing Rule 7.1 and Listing Rule 7.1A**

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% issue capacity under Listing Rule 7.1.

At the date of this Notice of Meeting, the Company has on issue 224,832,305 Shares. The Company will have the capacity to issue the following Shares on the date of the Meeting:

- (i) subject to approval of Resolution 4, 33,724,845 Shares under Listing Rule 7.1; and
- (ii) 22,483,230 Shares under Listing Rule 7.1A.

The actual number of Equity Securities that the Company will have the capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2 (as described above).

7.3 Technical Information required by ASX Listing Rule 7.3A

Pursuant to and in accordance with ASX Listing Rule 7.3A, the information below is provided in relation to this Resolution:

(a) **The period for which the approval will be valid - Listing Rule 7.3A.1**

The Equity Securities may be issued under the 10% Placement Capacity commencing on the date of the Meeting and expiring on the first to occur of the following:

- (i) the date that is 12 months after the date of this Meeting; and
- (ii) the time and date of the Company's next Annual General Meeting; or
- (iii) the time and date of approval by Shareholders of any transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of the Company's activities) or 11.2 (disposal of the Company's main undertaking) (after which date, an approval under Listing Rule 7.1A ceases to be valid),

or such longer period if allowed by ASX (**10% Placement Capacity Period**).

If approval is given for the issue of the 10% Placement Securities then the approval will expire, on 23 November 2023, unless the Company holds its next Annual General Meeting or Shareholder approval is granted pursuant to Listing Rule 11.1.2 or Listing Rule 11.2 prior to that date.

(b) Minimum Price of securities issued under Listing Rule 7.1A - Listing Rule 7.3A.2

The issue price for the 10% Placement Securities issued under Listing Rule 7.1A must be not less than 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 ASX trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 ASX trading days of the date in section (i) above, the date on which the Equity Securities are issued.

The Company will disclose to the ASX the issue price on the date of issue of the 10% Placement Securities.

(c) Purpose of Issue under 10% Placement Capacity - Listing Rule 7.3A.3

The Company may issue Equity Securities under the 10% Placement Capacity for cash consideration, in which case the Company intends to use funds raised towards any of:

- (i) an acquisition of new assets or investments (including expenses associated with such an acquisition) for cash;
- (ii) continued exploration expenditure on the Company's current assets; and/or
- (iii) general working capital.

The Company will comply with the disclosure obligations under Listing Rules 7.1A(4) and 3.10.5A upon issue of any Equity Securities.

(d) Risk of economic and voting dilution - Listing Rule 7.3A.4

If Equity Securities are issued under the 10% Placement Capacity, there is a risk of economic and voting dilution of existing Shareholders, including the following risks:

- (i) the market price for Equity Securities in the class of securities issued under the 10% Placement Capacity may be significantly lower on the issue date than on the date of the approval under ASX Listing Rule 7.1A; and
- (ii) the Equity Securities may be issued under the 10% Placement Capacity at a discount to the market price for those Equity Securities on the issue date,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

If this Resolution is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 10% Placement Capacity, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in ASX Listing Rule 7.1A(2), on the basis of the number of Equity Securities on issue as at 14 October 2022 and the market price as at that date, being \$0.34.

The table also shows:

- (i) two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue as at 14 October 2022. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlement offer or securities issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future general meeting; and
- (ii) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 50% as against the market price as at 14 October 2022.

Variable "A"		No. of Shares issued under 10% placement capacity	Funds Raised based on:		
			Issue price at 50% decrease to current price	Issue price at current price	Issue price at 50% increase in current price
			\$0.17	\$0.34	\$0.51
Current	224,171,589	22,417,159	\$3,810,917	\$7,621,834	\$11,432,751
150%	336,257,383	33,625,738	\$5,716,375	\$11,432,751	\$17,149,126
200%	448,343,178	44,834,318	\$7,621,834	\$15,243,668	\$22,865,502

The table has been prepared on the following assumptions:

- (i) There are currently 224,171,589 Shares on issue. The issue price set out above is \$0.34 which is the closing price on 14 October 2022.
- (ii) The Company issues the maximum possible number of Equity Securities under the 10% Placement Capacity.
- (iii) The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in ASX Listing Rule 7.2 or with approval under ASX Listing Rule 7.1.
- (iv) The issue of Equity Securities under the 10% Placement Capacity consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities.
- (v) The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
- (vi) This table does not set out any dilution pursuant to approvals under ASX Listing Rule 7.1.
- (vii) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.

(e) **Allocation policy under the 10% Placement Capacity - Listing Rule 7.3A.5**

The recipients of the Equity Securities to be issued under the 10% Placement Capacity have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 10% Placement Capacity, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

Further, if the Company is successful in acquiring new resources, assets or investments, it is likely that the recipients under the 10% Placement Capacity will be vendors of the new resources, assets or investments.

(f) **Previous issues under ASX Listing Rule 7.1A.2 - Listing Rule 7.3A.6**

The Company previously obtained approval from its Shareholders pursuant to ASX Listing Rule 7.1A at the Annual General Meeting held on 30 November 2021 (**Previous Approval**).

The Company has not issued or agreed to issue any equity securities under Listing Rule 7.1A2 since the Previous Approval.

7.4 Outcome of voting for and against the Resolution

If Resolution 10 is approved by Shareholders, then the Company will have the benefit of the 10% Placement Capacity and be able to issue the 10% Placement Securities within the 10% Placement Period.

If Resolution 10 is not approved by Shareholders, then the Company will not have the benefit of the 10% Placement Capacity and be unable to issue the 10% Placement Securities within the 10% Placement Period. If necessary, the Company may have to source other methods of fundraising to meet its objectives during this period.

7.5 Voting Exclusion

A voting exclusion statement is included in this Notice. As at the date of this Notice, the Company has not invited any existing Shareholder to participate in an issue of Equity Securities under ASX Listing Rule 7.1A. Therefore, no existing Shareholders will be excluded from voting on this Resolution.

7.6 Directors' recommendations

None of the Directors have material personal interest in the subject matter of this Resolution. The Board recommends Shareholders vote in favour of this Resolution as it provides the Company with the flexibility to issue further Securities representing up to 10%, in addition to using the Company's 15% issue

capacity under Listing Rule 7.1, of the Company's share capital during the next 12 months without Shareholder approval.

8. Resolution 11 - Approval of Amendments to the Company's Constitution

8.1 Background

In keeping with recent developments, the Company proposes to amend the Constitution as set out below. The amendments are proposed to bring the provisions of the Constitution in line with recent technological updates and will assist the Company to streamline communications with Shareholders, as well as to utilise various electronic platforms and tools to hold and conduct Shareholder meetings.

Section 136 of the Corporations Act allows a company to:

- (a) adopt a new constitution after registration; and
- (b) modify or repeal its constitution,

by passing a special resolution. Accordingly, this Resolution 6, seeks shareholder approval to amend the existing Constitution by special resolution.

8.2 Proposed Amendments

The Company seeks Shareholder approval for the purposes of section 136(2) of the Corporations Act, and for all other purposes, to amend the Constitution as follows:

- (a) inserting new definition of "Virtual Meeting Technology" in clause 1.1, as follows:

"Virtual Meeting Technology means, in terms of section 253Q of the Corporations Act, an instantaneous audio-visual communication device or similar form of technology which, by itself or in conjunction with other arrangements:

- (a) gives the persons entitled to attend the meeting, as a whole, a reasonable opportunity to participate in proceedings in the main place without being physically present in the same place;*
- (b) enables the chairman to be aware of proceedings in the other place(s); and*
- (c) enables the members in the separate meeting place(s) to vote on a show of hands or on a poll."*

- (b) Adding a new clause 15.17, as follows:

15.17 Hybrid and Virtual Meetings

Despite anything in this constitution:

- (a) Virtual Meeting Technology may be used in holding a general meeting either on its own without a main place of attendance (virtual meeting) or by linking several meeting places to the main place of the general meeting (hybrid meeting).*
- (b) The chairman may arrange for any persons attending the general meeting (including persons whom the chairman considers cannot be accommodated in the place where the meeting is notified to take place) to attend the meeting from one or more separate places using any Virtual Meeting Technology.*
- (c) If a separate place is linked to the notified place of a general meeting by Virtual Meeting Technology, a member present at the separate place is taken to be present at the general meeting and entitled to exercise all rights as if he or she was present at the notified place.*

- (d) *Where the general meeting is held by Virtual Meeting Technology without a main place of attendance, the place of meeting is deemed to be the registered office of the Company and the time of meeting is taken to be time at the registered office of the Company.*
 - (e) *If, before or during the general meeting, any technical difficulty occurs affecting Virtual Meeting Technology and impairing Members' rights under section 253Q of the Corporations Act, the chairman may adjourn the general meeting until the difficulty is remedied.*
 - (fi) *Where the general meeting is held by Virtual Meeting Technology, a resolution put to the vote at the general meeting must be decided on a poll.*
 - (g) *Nothing in this clause is to be construed to limit the powers conferred on the chair by law."*
- (c) Inserting new clause 15.18, as follows:
- 15.18 Electronic notices of meeting**
- Unless the law provides otherwise and despite anything in this constitution:*
- (a) *a notice of a general meeting and instrument of proxy need not be provided physically in writing;*
 - (b) *a notice of a general meeting and instrument of proxy may be provided to Members using one or more technologies to communicate the contents; and*
 - (c) *a notice of a general meeting and instrument of proxy may be provided to Members using one or more technologies to communicate details of an online location where they can be viewed or downloaded."*

8.3 Effect of amendments

The recent legislative updates made to the Corporations Act provide that companies may use technology to allow members to attend general meetings virtually only if a wholly virtual meeting is expressly permitted by the constitution. The new clause 15.17 will allow the Company to hold wholly virtual meetings of members.

The *Corporations Amendment (Meetings and Documents) Act 2022* (Cth) permits a notice of meeting and any other information provided with that notice, to be communicated using technology. For example, an entity may send its shareholders an email setting out or attaching a notice of meeting and other material relating to that notice of meeting (for example, a proxy form). Alternatively, an entity may send an email to its shareholders with a link to where the notice and other materials can be viewed or downloaded. In circumstances where the entity does not have the email address for certain shareholders, the entity may send a letter or postcard setting out a URL for viewing or downloading the notice and other materials.

Shareholders may elect to receive documents in a physical form or electronically and the Company must provide that member with the documents in the form based on the Shareholder's election (unless it falls under ASIC's emergency power to grant relief).

It is desirable that the Company continues to have the ability to make notices of meeting and proxy forms available in this manner. Clause 15.18 will facilitate this.

8.4 Directors Recommendation

The Board recommends that shareholders vote in favour of this Resolution.
