## **ASX Announcement**

### **Mayfield secures significant manufacturing contract**

Mayfield Group Holdings Limited is pleased to announce that it has secured a significant contract to supply low and medium voltage electrical switchboard packages to BHP for its Nelson Point, Car Dumper 3 upgrade project in Port Hedland, Western Australia.

The total contract value is \$7.3m and the equipment supplied incorporates Mayfield's proprietary Moducell panel technology with a reputation for field safety and reliability. It is expected the equipment will be delivered to site in December 2023. Local content will be maximised with Mayfield's Perth facility providing design and manufacture, with support from Mayfield's Adelaide facilities.

This announcement was authorised by the Managing Director, Jon Hobbs.
