## **ABOUT JAXSTA**

Jaxsta is the world's only official music credits database. It contains more than 270 million official, deep-linked music credits across 75 million pages, sourced from over 325 data partners, including record labels, publishers and industry associations. Jaxsta's data is mapped to the world's charts and can provide world-first insights including custom repertoire reports to ensure industry organizations can map music ownership and revenue. Jaxsta is a key solution to the music industry's metadata problem.
