ANTAM's HUMANITARIAN ASSISTANCE AND EMERGENCY RESPONSE ACTIVITIES IN CIANJUR

Jakarta, November 29, 2022 - PT Aneka Tambang Tbk (ANTAM; IDX: ANTM; ASX: ATM), member of Mining Industry Indonesia (MIND ID) – the State-Owned Enterprise Holding of the Mining Industry, announces that the Company conducts trauma healing and emergency response activities which include food distribution and medical assistance to support the humanitarian assistance for the Cianjur Earthquake Disaster victims on Thursday, 24 November 2022.

ANTAM's President Director, Nico Kanter said:

“We empathize with the earthquake that occurred in Cianjur Regency, West Java. Through the synergy of various companies under the coordination of the Ministry of Energy and Mineral Resources (ESDM Siaga Bencana) and the Ministry of State-Owned Enterprises (BUMN Peduli), ANTAM conducts humanitarian assistance for the victims through various supporting activity of food assistance, direct assistance to the community, and through trauma healing activities for the children. This humanitarian activity such as trauma healing is planned to be carried out continuously to gain a sustainable impact. As a member of MIND ID, ANTAM is committed to providing the best contribution for the community, including in disaster management assistance in Cianjur.”

Trauma healing activities were carried out for children from 2-13 years old through various activities, among other play therapy, storytelling, child coloring, and singing activities. The psychological assistance for the Cianjur earthquake victims is expected to ease the victim's distress conditions as part of psychological recovery support activity.

Logistical assistance is distributed through a synergy under ESDM Siaga Bencana, along with BUMN Peduli and the residential community who work together to support humanitarian assistance for the victims around the affected areas in Mekarsari Village, Cianjur District, Cianjur Regency, West Java. ANTAM supplies basic food, medicines, and vitamins, as well as baby food and equipment assistance, such as milk and diapers.

Previously, ANTAM had sent an Emergency Response Group (ERG) team with competent members including rescuers and a medical team on November 21, 2022, to evacuate and accelerate the handling of the Cianjur Earthquake Disaster.
