Company Announcements Platform

2022 Share Purchase Plan

Cobre Limited ACN 626 241 067 (ASX: **CBE**, **Cobre Limited** or the **Company**) is pleased to announce a Share Purchase Plan (**SPP**), which opens today, 28 December 2022.

The SPP is part of a wider capital raising being undertaken by the Company. The SPP follows on from the \$5 million placement as announced to the ASX on 19 December 2022 (**Placement**). The Placement is being carried out in two tranches. The first tranche of the Placement (**First Tranche Placement**) consisting of 26,686,668 fully paid ordinary shares in the capital of the Company (**Shares**) were issued to sophisticated, institutional and professional investors, within the Company's placement capacity under ASX Listing Rule 7.1. The second tranche of the Placement (**Second Tranche Placement**), consisting of 6,666,667 Shares will be issued to Metal Tiger plc subject to shareholders' approval to be sought at a later date. Under the Placement, a total of 33,353,335 Share were or will be issued at \$0.15 per Share (**Placement Issue Price**).

In addition to the Placement, Cobre has entered into Subscription Deeds (**Subscription Deeds**) with both Mitchell Drilling Botswana Pty Ltd (**Mitchell**) and Remote Exploration Services (**RES**), pursuant to which Mitchell and RES have agreed to subscribe for US\$400,000 and US\$70,000 worth of New Shares, respectively, at the Placement issue price of A\$0.15.

Under the terms of the Subscription Deeds, rather than paying cash for the New Shares, Mitchell and RES may set-off the subscription amount payable for their New Shares against a portion of future invoices that have been rendered for any drilling or exploration services that become due and payable from the date on which the New Shares are issued to Mitchell and RES, respectively.

Funds received by the Company from the Placement and SPP (**Capital Raising**), together with Cobre's existing cash, will be used to accelerate exploration on the Company's tenement holding in the Kalahari Copper Belt in Botswana, and to meet transaction costs associated with the Capital Raising.

In order to provide Eligible Shareholders (as defined below) with the opportunity to participate in the Company's capital raising activities, the Company is pleased to provide the details of the SPP that are set out in the SPP Offer Booklet.

Under the SPP, Eligible Shareholders will, irrespective of the size of their shareholding, have the opportunity to subscribe for up to \$30,000 worth of Shares at an issue price (**SPP Issue Price**) of \$0.15 per Share, to raise a total of \$1 million.

The SPP Issue Price, which is the same as the Placement Issue Price, represents the following discounts prior to the announcement of the Capital Raising:

- 11.8 % discount to the close price of \$0.17 on 15 December 2022;
- 18.6% discount to the five-day Volume Weighted Average Price of \$0.184; and
- 28.3% discount to the ten-day VWAP of \$0.209.

The Record Date to be registered as a shareholder for participation in the SPP was 7:00pm AEDT on 16 December 2022.

To be an eligible shareholder, you must hold an existing shareholding in the Company at the Record Date and have a registered address in Australia or New Zealand and who are not in the United States or acting for the account or benefit of any person in the United States or otherwise excluded from participating (**Eligible Shareholders**).

The Company has determined to raise a maximum of \$1 million through the SPP. The Company may decide, in its absolute discretion, to scale back applications and raise less than \$1 million. If the Company decides to conduct any scale back of applications, the scale back will be applied on a pro rata basis and in the Company's absolute discretion, either based on the size of the Eligible Holder's existing holding of Shareholding or based on the number of New Shares that the Eligible Holder has applied for. The Company may, in its absolute discretion decide to accept any oversubscriptions above \$1 million.

A copy of the SPP Offer Booklet is enclosed with this announcement. A copy of this document and a personalised application form are being mailed and/or emailed to all Eligible Shareholders today.

Eligible Shareholders may also access their personalised application form through the Company's Share Registry website at www.investorserve.com.au

To access the form through this website, you will require your HIN/SRN and your registered postcode.

Letter from the Chairman

28 December 2022

Dear Shareholder,

SHARE PURCHASE PLAN OFFER

I am very pleased to announce that Cobre has successfully secured commitment for a capital raise of \$5 million before costs through a share placement (**Placement**) announced to the market through ASX on 19 December 2022, under which the first tranche of Placement (**First Tranche Placement**) has successfully completed, and the second tranche of Placement (**Second Tranche Placement**) will be subject to shareholders' approval at the a general meeting of shareholders to be convened in Q1 2023. The funds raised under the Placement and this Share Purchase Plan (**SPP**), together with Cobre's existing cash, will be used for the following purposes:

- accelerate exploration on the Company's tenement holding in the Kalahari Copper Belt in Botswana; and
- transaction costs associated with the capital raising (including the Placement and this Offer, as defined below).

Under the Placement, fully paid ordinary shares in the capital of the Company (**Shares**) were or will be (subject to shareholders' approval) issued at \$0.15 per Share (**Placement Issue Price**).

As noted above, given the strong demand for the Placement, Cobre has resolved to provide Eligible Shareholders with the opportunity to participate in an SPP.

Share Purchase Plan

The Company is pleased to offer Eligible Shareholders the opportunity to participate in the Company's SPP, by subscribing for up to up to \$30,000 worth of fully paid ordinary shares in the capital of the Company (**Shares**) (subject to any scale back or non-fulfilment of application) at the SPP Issue Price (as defined below) without incurring brokerage or transaction costs, subject to the enclosed Terms and Conditions (**Offer**).

The Company has determined to raise up to a maximum of \$1 million in aggregate through the SPP. The Directors reserve the right to scale back the SPP and raise less than \$1 million or to accept oversubscriptions above \$1 million in its discretion. The Offer is not underwritten. The Company intends to offer shares under the SPP at an issue price (**SPP Issue Price**) of \$0.15.

For further details about the SPP Issue Price, please see paragraph 7 of the Terms & Conditions.

Participation in the Offer is entirely voluntary. The issue of New Shares is expected to take place on or around 20 January 2023 with trading to commence on or around 24 January 2023.

Use of Funds

It is intended that the proceeds of the Offer will be used to for the same purpose as funds raised under the Placement.

Participation and Important Dates in relation to the Offer

The Offer is offered exclusively to all Eligible Shareholders (including Custodians), being registered holders of Shares as at 7.00pm AEDT on 16 December 2022 (**Record Date**) with a registered address in Australia or New Zealand, and not resident or located in any jurisdiction in or into which an offer of New Shares would be unlawful, who meet certain other conditions as expressly set out in the Terms & Conditions (**Eligible Shareholders**).

The Offer opens at 9:00am AEDT on 28 December 2022 and expected to close at 5:00pm AEDT on 17 January 2023.

No late applications will be accepted however, the Directors reserve their right, subject to the Corporations Act and the ASX Listing Rules, to amend the Closing Date without prior notice. If the Closing Date is amended, subsequent dates may also be amended accordingly.

Offer

The Offer provides Eligible Shareholders with an opportunity to acquire a parcel of New Shares in the Company (subject to any scale back or non-fulfilment of application). Shareholders may apply for New Shares in the following different parcels:

	Subscription Amount (AUD)
Parcel A	\$2,000 (minimum)
Parcel B	\$5,000
Parcel C	\$10,000
Parcel D	\$15,000
Parcel E	\$20,000
Parcel F	\$25,000
Parcel G	\$30,000 (maximum)

No fraction of New Shares will be issued. If the value of New Shares for which you subscribe results in a fractional number, the number of New Shares issued to you will be rounded down to the nearest whole number of New Shares.

All Application Monies must be paid in Australian dollars.

The Company reserves its right to scale back the offer and issue fewer New Shares than an Eligible Shareholder applies for under the Offer or none at all, and its right to reduce the number of New Shares applied for under applications in such manner as the Directors see fit. Any determination by the Directors in respect of any reduction or refusal of any application will be final. If a reduction occurs or the Company refuses an application, the Company will refund any excess Application Monies to the relevant Eligible Shareholders in full (without interest).

Pricing and risks

The SPP Issue Price of each New Share will be \$0.15.

For further details about the SPP Issue Price, please see paragraph 7 of the Terms & Conditions.

The maximum SPP Issue Price is the same as the Placement Issue Price which represents the following discounts prior to the announcement of the Capital Raising:

- 11.8 % discount to the close price of \$0.17 on 15 December 2022;
- 18.6% discount to the five-day Volume Weighted Average Price (**VWAP**) of \$0.184; and
- 28.3% discount to the ten-day VWAP of \$0.209.

Shares will be issued at the Placement Price of \$0.15. However, there remains a risk that the market price of the Shares may change further on the date on which the Shares are issued under the Offer. This means that the price at which Shares are traded on ASX may be less than the SPP Issue Price. Further, the SPP Issue Price may exceed the price at which you would be able to buy Shares on the market at the same time that New Shares are issued to you under the Offer. We recommend that you seek independent financial advice from your broker, accountant or other professional adviser before you decide to participate in the Offer.

Shareholder Approval and Scale Back

Shareholder approval is not required for the issue of the New Shares under the Offer.

If the Company decides to conduct any scale back of applications, for example because the aggregate amount applied for under the SPP exceeds the Company's requirements, the scale back will be applied on a pro rata basis and in the Company's absolute discretion, either based on the size of the Eligible Holder's existing holding of Shares or based on the number of New Shares that the Eligible Holder has applied for. Accordingly, you may not receive the full number of New Shares for which you subscribe. Any determination by the Directors in respect of any reduction of the number of New Shares applied for under an application is final.

How to apply

To apply for New Shares under the SPP, you must either:

- complete and return your personalised Application Form, together with payment via cheque, bank draft or money order; or
- make a payment directly via BPAY (in which case, you do not need to complete or return your Application Form).

If you wish to participate in the SPP, you are encouraged to apply via BPAY in light of possible delays to postal services caused by the COVID-19 pandemic, extreme weather and end of year public holidays, as you do not need to return the Application Form enclosed with this Booklet if you choose this option.

Terms & Conditions

Full details of the Offer are outlined in the attached Terms & Conditions. Before you decide whether to participate in the Offer, please read the Terms & Conditions carefully, as you will be bound by them.

If you have any questions in respect of the Offer, please contact Justin Clyne on 0407 123 143 or via email at jclyne@clynecorporate.com.au.

Yours faithfully,

Martin Holland
Executive Chairman

TERMS & CONDITIONS OF OFFER

The following are the terms and conditions of the Offer. By accepting the Offer, you agree to be bound by these Terms & Conditions and the Company's constitution.

1. Offer

Cobre offers each Eligible Shareholder the opportunity to subscribe for up to \$30,000 worth of New Shares under the SPP.

The SPP Offer is personal to Eligible Shareholders and is non-renounceable (i.e. you may not transfer your right to subscribe for New Shares to anyone else).

The Offer to each Eligible Shareholder (whether as a Custodian or on its own account) is on made on the same terms and conditions.

2. Opening Date and Closing Date of the Offer

The Offer opens at 9:00am AEDT on 28 December 2022 (**Opening Date**).

The Offer closes at 5:00pm AEDT on 17 January 2023 (or such other date as the Company determines in its absolute discretion) (**Closing Date**).

Late applications will not be accepted. However, the Directors reserve their right, subject to the Corporations Act and the ASX Listing Rules, to amend the Closing Date without prior notice. If the Closing Date is amended, subsequent dates may also be amended accordingly.

3. Who is eligible to participate in the Offer?

You are eligible to apply for New Shares under the Offer if:

- (a) you were registered as a holder of Shares as at the Record Date on the Register;
- (b) your registered address, as recorded in the Register, is in Australia or New Zealand; and
- (c) you are not resident or located in any jurisdiction in or into which an offer of New Shares would be unlawful.

Eligible Shareholders who are Custodians may participate in the Offer in accordance with paragraph 14 of the Terms & Conditions.

4. Joint holders and Custodians

If two or more persons are registered on the Register as jointly holding Shares, they are taken to be a single registered holder of Shares for the purposes of determining whether they are an Eligible Shareholder and a certification given by any of them is taken to be a certification given by all of them.

Subject to these Terms & Conditions, Eligible Shareholders who are Custodians may participate in the Offer on behalf of each Eligible Beneficiary on whose behalf the Custodian is holding Shares.

5. Shareholder Approval

As the Offer is not greater than 30% of the Company's ordinary shares on issue as at the date of this document and the SPP Issue Price is at least 80% of the 5-day VWAP calculated over the last 5 days before the SPP was announced under ASX Listing Rule 7.2 Exception 5. Accordingly, Shareholder approval is not required for the issue of the New Shares pursuant to the Offer.

If required, the Company will reduce the number of New Shares applied for under applications in such manner as the Directors see fit. Any determination by the Directors in respect of any reduction of an application will be final.

6. Voluntary Participation

The Offer is entirely voluntary. You are not obliged to participate in the Offer.

Before you decide whether to participate in the Offer, the Company recommends you seek independent financial advice from your broker, accountant or other professional adviser.

If you do not wish to participate in the Offer, do nothing.

7. Issue Price

The SPP Issue Price for each New Share will be \$0.15.

The SPP Issue Price represents the following discounts prior to the announcement of the Capital Raising:

- .11.8 % discount to the close price of \$0.17 on 15 December 2022;
- 18.6% discount to the five- day Volume Weighted Average Price (**VWAP**) of \$0.184; and
- 28.3% discount to the ten- day VWAP of \$0.209.

With the New Shares to be issued at \$0.15 each, and assuming the maximum amount of \$1 million is raised under the SPP, then the maximum number of New Shares to be issued will be 6,666,667 (subject to rounding).

8. How much will the Company raise under the Offer?

The Company is seeking to raise up to \$1 million under the Offer. The Company may, at its discretion, determine to scale the Offer below the maximum of \$1 million or accept oversubscriptions above \$1 million.

9. **How will the funds raised from the Offer be utilised by the Company?**

The proceeds from the Offer will be used for the same purpose as funds raised under the Placement, namely:

- to accelerate exploration on the Company's tenement holding in the Kalahari Copper Belt in Botswana; and
- transaction costs associated with the capital raising (including the Placement and this Offer).

10. **Important Information on Price Risk to Consider**

Before deciding whether to accept the Offer, you should refer to the current market price of the Shares, which can be obtained from your stockbroker, your financial adviser, or the ASX.

Subscription for New Shares is a speculative investment and the market price may change between the date you apply for New Shares and the issue of New Shares to you. Accordingly, the value of New Shares applied may rise or fall.

Importantly, there is a risk that the market price of the Shares may change between the date of the Offer and the date on which the Shares are issued under the Offer. This means that the price at which Shares are traded on ASX may be less than the SPP Issue Price. You must rely on your own knowledge of the Company and previous disclosures made by the Company to ASX (including disclosure regarding risks of making an investment in the Company) **in determining whether you wish to participate in the Offer and the extent to which you participate. You should seek your own personal financial and/or taxation advice referable to your personal circumstances.**

11. **How much can you invest in the Offer?**

Subject to paragraph 14 of the Terms & Conditions, if you are an Eligible Shareholder, the maximum value of the New Shares for which you may subscribe under the Offer is \$30,000.

The minimum value of the New Shares for which you may subscribe under the Offer is \$2,000.

The following parcels of New Shares are available under the Offer:

	Subscription Amount (AUD)	Number of New Shares to be issued
Parcel A	\$2,000 (minimum)	13,333
Parcel B	\$5,000	33,333

Parcel C	\$10,000	66,666
Parcel D	\$15,000	100,000
Parcel E	\$20,000	133,333
Parcel F	\$25,000	166,666
Parcel G	\$30,000 (maximum)	200,000 (maximum)

The maximum limit of \$30,000 worth of New Shares applies to you even if you receive more than one Offer. For example, if as at the Record Date, you are both a sole and a joint Shareholder, you can only apply for New Shares once, either in your capacity as sole Shareholder or joint Shareholder, not both.

No fraction of New Shares will be issued. If the value of New Shares for which you subscribe results in a fractional number, the number of New Shares issued to you will be rounded down to the nearest whole number of New Shares.

All Application Monies must be paid in Australian dollars.

No brokerage, stamp duty or other costs are payable by applicants in respect of an application for New Shares.

12. **Refusal of Application**

The Directors reserve their right (in their absolute discretion) to refuse an Application Form (in whole or in part) if they consider that:

- (a) it is reasonable and prudent to do so;
- (b) the applicant is not an Eligible Shareholder;
- (c) the issue of those New Shares may contravene any applicable law, rule or regulation in any jurisdiction (including, without limitation, the Corporations Act or the ASX Listing Rules) or the requirements of any regulatory or governmental body or may require further action to be taken by the Company including, without limitation, registration of shares or the preparation of a prospectus in any jurisdiction; or
- (d) the applicant has not otherwise complied with the Terms & Conditions.

If an Application Form is refused in whole or in part, the balance of Application Monies will be returned to the applicant (without interest and at the applicant's sole risk).

All Directors' decisions in connection with a reduction or refusal of an application are final.

13. Not underwritten

The Offer is not underwritten.

14. Custodian Certification

The Offer is being extended to Eligible Shareholders who are Custodians and who wish to apply for New Shares on behalf of certain Eligible Beneficiaries.

The Offer is being offered to Custodians as the registered Shareholder. Custodians are not required to participate on behalf of their Eligible Beneficiaries. Custodians may choose whether or not to extend the SPP to their Eligible Beneficiaries.

If you wish to apply as a Custodian under the Offer to receive New Shares for one or more Eligible Beneficiaries, you must complete and submit a Custodian Certificate that contains further certifications and details (as required under the terms of ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547) before your Application will be accepted. Applications by Custodians that are not accompanied by a duly completed Custodian Certificate will be rejected. By applying as a Custodian on behalf of Eligible Beneficiaries to be issued New Shares, you certify (amongst other things) that each Eligible Beneficiary has not exceeded the \$30,000 limit under ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547.

To request a Custodian Certificate or for further information about the Custodian application process, please contact the Share Registry on + 61 2 9290 9600.

Custodians must not participate in the SPP on behalf of, and must not distribute this document or any documents relating to this Offer, to any person in the United States.

A Custodian will be ineligible to participate in the Offer if their participation would be in breach of ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547.

15. Effect of making an application and Shareholder Certification

If you submit a BPAY payment or complete and return an Application Form together with a cheque, bank draft or money order (as applicable), you:

 - (iv) any other Shares issued to a Custodian under an arrangement similar to the Offer in the 12 months before the application under the Offer as a result of an instruction you have given to a Custodian;

- (iii) you have not, and will not, send this document or any materials relating to the Offer to any person in the United States;
- (iv) if in the future you decide to sell or otherwise transfer the New Shares, you will only do so in the regular way for transactions on the ASX where neither you nor the person acting on your behalf know, or have reason to know, that the sale has been pre-arranged with, or that the purchaser is, a person in the United States; and

 - (iv) the information in the Custodian Certificate submitted with your Application Form is true, correct and not misleading.

16. Issue of New Shares and scale back of number of New Shares issued

The New Shares will be issued on the Issue Date, or such other date as determined by the Company.

The Share Registry will send to you a holding statement in due course following the Issue Date.

The Company reserves its right and absolute discretion to scale back the offer and issue fewer New Shares than an Eligible Shareholder applies for under the Offer (or none at all), if the Company believes the issue of those New Shares would contravene any applicable law, rule or regulation (including without limitation the ASX Listing Rules).

If an Application Form is refused in whole or in part, the balance Application Monies will be returned to the applicant (without interest and the applicant's sole risk).

17. What rights will the New Shares carry?

Once the New Shares are issued, they will rank equally with existing Shares and will carry the same voting rights, dividend rights and other entitlements.

18. Can the Company change, suspend or terminate the Offer?

The Company may change, suspend or terminate the Offer at any time. If the Company changes, suspends or terminates the Offer, it will advise the ASX. The accidental omission to give notice of changes to or suspension or termination of the Offer or the non-receipt of any such notice will not invalidate the change, suspension or termination.

19. Directors' Participation

Directors who are Eligible Shareholders may (without having to obtain prior Shareholder approval) participate in the Offer, on the same terms as all other Eligible Shareholders (subject to ASX Listing Rule 10.12 Exception 4 being satisfied at the date of the issue of the New Shares).

20. Board's Powers

The Offer will be administered by the Board which has the power to:

- (a) decide appropriate procedures for the administration and implementation of the SPP, consistent with these terms and conditions, and to settle any difficulty which may arise generally or in a particular case, in regard to the SPP, as the Directors think appropriate and their decision is final and binding on all Shareholders and other persons to whom the decision relates;
- (b) resolve conclusively all questions of fact or interpretation in connection with the SPP; and
- (c) delegate to any one or more persons for a period and on the conditions it decides, its powers or discretions under the SPP.

The Company and its officers, employees and advisors will not be held responsible or liable for any error or omission which occurs in the administration of the SPP.

The Board may vary administrative procedures to be followed in the implementation of the SPP. The procedures may be varied at any time by the Board having regard to ASX or ASIC requirements.

The Board may:

- (a) at any time modify, vary or amend the SPP and these terms and conditions;
- (b) waive strict compliance with any provision of these terms and conditions;
- (c) vary the timetable for the SPP, including the Closing Date;
- (d) suspend the operation of the SPP from time to time for any period; or
- (e) terminate the SPP at any time without any need for giving advance notice to Shareholders.

If the SPP is withdrawn or terminated, all application money will be refunded at your risk. No interest will be paid on any money returned to you.
